Covid-19 Business Support Questionnaire from Wandsworth Council

Please find attached an urgent survey that Wandsworth Council would like you to complete to help them gain an understanding of your circumstances and trading situation due to the COVID-19 pandemic. Please could you complete it as soon as possible – if you have not already received it from the Council independently. The information gained from this survey will inform their recovery plan, so it's important you return it via the link within the digital form, or to the email address included. The Junction BID have been asked to send this information out to all of our businesses.

Thank you so much for your help.
