Following the introduction of the Tier system and the subsequent national lockdown, the Government set up a support package for businesses which includes the Local Restrictions Support Grant (Open) scheme, or LRSG(Open).

Government has suggested that the LRSG (Open) should be aimed at hospitality, leisure, hotel and bed and breakfast businesses that were not legally required to close but which are severely impacted by the Local Coronavirus Alert Level 2 (High) and Local Coronavirus Alert Level 3 (Very-high) restrictions.

London boroughs have so far been placed in the following Local Coronavirus Alert Levels:

- LCAL 2 (High) restrictions on 17 October 2020
- Second national lockdown on 5 November 2020
- LCAL 2 (High) restrictions on 2 December 2020
- LCAL 3 (Very-high) restrictions on 16 December 2020

Wandsworth has been provided with a fixed amount of funds from central government to make payments to those eligible businesses that remained open during the LCAL 2 (High) and LCAL 3 (Very-high) restriction periods listed above. The total amount of funds being made available for this scheme has been based on the businesses in hospitality, hotel, bed & breakfast and leisure sectors registered for business rates across the whole borough.
