VERY IMPORTANT Surge testing for Covid variant – businesses

Please find below the relevant links and **important information on the Covid surge testing currently taking place across the Borough of Wandsworth, due to new cases of the South African variant found in Wandsworth and neighbouring Lambeth.**

We understand from some of our businesses that our Junction BID emails - from time to time - are going to your junk folder. Please could you check your Spam and change your settings - so all our emails come straight into your Inbox.

Surge testing in Wandsworth

Everyone over the age of 11 who lives, works, or studies in Wandsworth is being urged to take a COVID-19 PCR test after new cases of the South African variant were found in the borough and neighbouring Lambeth.

Businesses in the borough (with over 20 employees) can pick up COVID 19 PCR tests for their staff from Battersea Sports Centre from 2pm-4pm Mon to Friday and 10-2pm at weekend. Completed tests must be returned to the same site.

If you need more that 100 test kits or would like further information email covidtesting@enablelc.org

Businesses with less than 20 staff are asked to encourage their staff to either collect a home test PCR kit from Battersea Sports Centre or Wandsworth Town Hall (room 75, Fountain Courtyard) or book a test at one of the test centres in our borough.
