*Balance sheet continued from page 2*

The directors are satisfied that the company is entitled to exemption under Section 249A(1) of the Companies Act 1985 and that no member or members have requested an audit pursuant to section 249B(2) of the Act

The directors acknowledge their responsibilities for

- (i) ensuring that the company keeps proper accounting records which comply with Section 221 of the Companies Act 1985, and
- (ii) preparing accounts which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its profit or loss for the financial year in accordance with the requirements of Section 226 of the Companies Act 1985, and which otherwise comply with the requirements of this Act relating to accounts, so far as applicable to the company

The accounts have been prepared in accordance with the special provisions relating to small companies within Part VII of the Companies Act 1985

Mr N Orchard  
Director

Approved by the board on 26 October 2007

**Tregea Hotel Ltd**  
**Notes to the Abbreviated Accounts**  
**for the year ended 31 December 2006**

**1 Accounting policies**

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002)

**Turnover**

Turnover represents the invoiced value of goods and services supplied by the company, net of value added tax and trade discounts

**Depreciation**

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives

Plant and machinery 25% Reducing balance

**Stocks**

Stock is valued at the lower of cost and net realisable value

**Deferred taxation**

Full provision is made for deferred taxation resulting from timing differences between the recognition of gains and losses in the accounts and their recognition for tax purposes. Deferred taxation is calculated on an un-discounted basis at the tax rates which are expected to apply in the periods when the timing differences will reverse

**Leasing and hire purchase commitments**

Assets held under finance leases and hire purchase contracts, which are those where substantially all the risks and rewards of ownership of the asset have passed to the company, are capitalised in the balance sheet and depreciated over their useful lives

The interest element of the rental obligations is charged to the profit and loss account over the period of the lease and represents a constant proportion of the balance of capital repayments outstanding

Rentals paid under operating leases are charged to income on a straight line basis over the lease term
