1. **ACCOUNTING POLICIES**

Basis of preparing the financial statements

The financial statements have been prepared on a going concern basis. Financial support is provided to the company by the director.

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover is measured at the invoiced value of services provided net of VAT and discounts. Turnover from the services provided is recognised when the service has been provided, the amount of turnover can be measured reliably and when it is probable that the economic benefits associated will transfer to the company, typically on delivery of the service.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Tools & equipment	- 20% on cost and 20% on reducing balance
Office equipment	- 20% on cost and 20% on reducing balance
Motor vehicles	- 25% on cost and 25% on reducing balance

Stocks

Stock is valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Work in progress is calculated from the sales in progress and invoiced after the year end. This includes a relevant proportion of profit.

Deferred tax

Deferred tax is recognised in respect of all material timing differences that have originated but not reversed at the balance sheet date.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.
