The attached Schedule contains certain covenants by and restrictions on the Chargor which protect and further define the Charge and which must be read as forming part of the Security

The charge creates a fixed charge over all the "Deposit(s)" referred to in the schedule (including all or any part of the money payable pursuant to such Deposit(s) and the debts represented thereby), together with all interest from time to time accruing thereon

It also creates an assignment by the Chargor, for the purposes of and to give effect to the security, over the right of the Chargor to require repayment of such Deposit(s) and interest thereon
