## Summary

### Progress of the administrations

#### Work done

#### Asset realisations

#### CCGS

During the period since our last report we have received a further £15,000 under the agreed payment plan with the major debtor, which is an inter-company receivable. The remaining recoverable balance, amounting to £57,500, should be collected by September 2018.

#### CMM

During the period since our last report we have received a further £25,000 under the agreed payment plan with the major debtor, which is an inter-company receivable. The remaining recoverable balance, amounting to £57,500, should be collected by September 2018.

#### Creditors

Neither company has an extensive creditor list and there has been limited correspondence from creditors of either company.

#### Statutory tasks

During the period we have carried out the following tasks which primarily relate to fulfilment of statutory and compliance obligations and other tasks of an administrative nature:

- case management;
- statutory reporting;
- correspondence with debtors and creditors;
- Case reviews; and
- cashiering functions.

These tasks are a necessary part of the engagement but do not generate any direct financial benefit for creditors.

### Investigations

As previously reported, we complied with our statutory duty to report on the conduct of the Companies' directors to the Insolvency Service and have not been requested to provide any further information or been advised of any further action required.

If you have any information that you feel should be brought to our attention, please contact us in writing using the contact details on Page 3 above.

#### Cost of the work done during the report period

The costs and expenses incurred during the report period are detailed below. Overall, we do not anticipate that the total costs and expenses will exceed the estimates provided in our proposals.

**Legal Costs** – costs incurred during the reporting period total £3,500 (plus disbursements) for each company by Squire Patton Boggs (UK) LLP for dealing with the extensions to the administration periods. All payments are shown in the receipts and payments accounts shown on page 6.

**Our remuneration and expenses** - further information on these costs are provided on page 10.

All professional costs are reviewed and analysed in detail before payment is approved.

# Information for creditors

Outcome

## Information for creditors Outcome

### Secured creditors

Neither CCGS nor CMM have any secured creditors.

### Preferential creditors

There are no known preferential creditors in either of the Companies.

### Prescribed Part

As there no secured creditors with floating charges, the Prescribed Part provisions do not apply to these cases.

### Unsecured creditors

Provided that the inter-company debtors complete the revised payment plans, it is anticipated that sufficient funds will be realised to enable a small dividend to be paid to the unsecured creditors of CCGS and CMM.

### Claims process – creditors with debts of £1,000 or less

You do not need to prove your debt for dividend purposes if the amount you are owed is £1,000 or less, unless you wish to vote in this decision, or any other, decision procedure in which case proof of claim must be given.

We will notify you if funds become available for dividend purposes. Your claim will be admitted in the amount shown in the Company's records/statement of affairs. If you disagree with that amount you will be provided with an opportunity to notify us of the correct amount.

### Claims process – creditors with debts of more than £1,000

Unsecured creditors with claims of more than £1,000 are invited to submit their claims to us by completing a proof of debt form which is available on the administration website and which should be sent to the address on page 3, marked for the attention of Maggie Rowe.

### Extensions to the administration

In order to complete the debtor realisations in CCGS and CMM we made an application to Court to extend both of these Administrations which was granted by the Court on 1 September 2017 for a period of 18 months and the order also allowed the Joint Administrators to distribute funds to the unsecured creditors in the Administrations. The Administrations will now end on or before 31 March 2019.

### Exit

As detailed in our proposals, following any distribution to the Companies' unsecured creditors, we consider that dissolution will be the most appropriate exit route from the administrations.

We have drawn remuneration during the period of this report, as shown in the receipts and payments accounts on page 6, as follows:

£	Period	To date
CCGS	15,167	35,167
CMM	33,016	88,832

## Remuneration and expenses

### Detailed information

#### Category 1

#### Disbursements

#### Disbursements

Our disbursements to date are in line with estimates provided in the proposals and are summarised below:

#### Category 1 Disbursements

These are payments made by us direct to third parties and for which no approval is required.

#### Category 2 Disbursements

These are costs and expenses initially paid by us and which are not generally made to a third party, for example, reimbursement to staff engaged on the case for their mileage costs. These may also include shared or allocated costs.

Specific approval is required before these costs and expenses can be drawn from the administration estate and was given by creditors on 22 January 2016. Mileage is calculated at the prevailing standard mileage rate of up to 45p used by Deloitte at the time when the mileage is incurred.

Details of all disbursements are given below and from which it can be seen that we have not recovered our disbursements in full.

#### Category 1 Disbursements

£ (net)	CCGS		Paid		CMM		Paid	
	£	£	£	£	£	£	£

<b>Total estimated expenses</b>	<b>365</b>		<b>613</b>

<b>Total expenses</b>	<b>91</b>		<b>19</b>		<b>538</b>		<b>538</b>	

CMM has paid the Courts advertising costs and website costs for the group but will be reimbursed by CCGS in due course for its share of the costs. Unfortunately there were insufficient realisations in the other companies to settle these costs.

#### Creditors' right to request information

Any secured creditor or unsecured creditor (with the support of at least 5% in value of the unsecured creditors or with leave of the Court) may, in writing, request us to provide additional information regarding remuneration or expenses to that already supplied within this report. Such requests must be made within 21 days of receipt of this report, in accordance with Rule 2.47(1)(fa) and 2.48A of the Rules.

#### Creditors' right to challenge remuneration and/or expenses

Any secured creditor or unsecured creditor (with the support of at least 10% in value of the unsecured creditors or with leave of the Court) may apply to the Court for one or more orders (in accordance with Rule 2.109(4) of the Rules), reducing the amount or the basis of remuneration which we are entitled to charge or otherwise challenging some or all of the expenses incurred.

Such applications must be made within eight weeks of receipt by the applicant(s) of the progress report detailing the remuneration and/or expenses being complained of, in accordance with Rule 2.109 of the Rules.

Please note that such challenges may not disturb remuneration or expenses approved or deemed to be approved under prior progress reports.
