Notes

(forming part of the financial statements)

1

Accounting Policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2007).

Fixed assets and depreciation

Depreciation is provided by the company to write off the cost less the estimated residual value of tangible fixed assets over their estimated useful economic lives as follows:

Long Leasehold Property	- Nil
-------------------------	-------

Taxation

The charge for taxation is based on the profit for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes.

Turnover

Turnover represents the value of management charges receivable during the year.

Notes (continued)**2 Turnover**

Turnover and profit before tax are wholly attributable to the company's main activity.
The results for the year and the previous year were entirely derived from continuing operations.
