Notes to the Accounts

For the year ended April 2008

1 Accounting policies

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2007). Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Turnover represents the value, net of value added tax and discounts, of goods provided to customers and work carried out in respect of services provided to customers.

2 Corporate Entertainment

The expenses titled Miscellaneous is for corporate entertainment of prospective clients. This expense was deemed necessary to win the level of work required for a company trading in its 1st year.

3 Retained Earnings

The retained earnings shown in the profit and loss account is the bank balance as 1st April 2008.

4 Tangible fixed assets

The company has no tangible fixed assets as of 1st April 2008 but has other assets (IT equipment) which the value of is indicated in the profit and loss account. These will be depreciated at 25% per year to give a full reflection of their useful life.

5 Debtors & Creditors

The company has no debtors or creditors as of the 1st April 2008.

6 Provision For liabilities

The company has made reasonable provisions under current economic climate for liabilities which will fall due within the next financial year.

7 Dividends

Dividends for which the company became liable during the year are highlighted in the profit and loss account. The dividend paid was the sum paid to the Director. This was declared in the Self assessment tax return for the Director. Therefore the tax due by the company shows zero.

8 Other financial commitments

The company has no other financial commitments.
