**NOTES TO THE FINANCIAL STATEMENTS**  
**For The Period 20 June 2017 to 31 March 2018**

**1. STATUTORY INFORMATION**

Trueman Parent A Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

**2. ACCOUNTING POLICIES**

**Basis of preparing the financial statements**

These financial statements have been prepared in accordance with the provisions of Section 1A "Small Entities" of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

There were no material departures from that standard.

**Preparation of consolidated financial statements**

The financial statements contain information about Trueman Parent A Limited as an individual company and do not contain consolidated financial information as the parent of a group. The company is exempt under Section 400 of the Companies Act 2006 from the requirements to prepare consolidated financial statements as it and its subsidiary undertaking are included by full consolidation in the consolidated financial statements of its parent, Trueman Holdco Limited, C/O Hanmere Polythene Limited, Blackhorse Road, Letchworth Garden City, Hertfordshire, SG6 1HD.

**Investments in subsidiaries**

Investments in subsidiary undertakings are recognised at cost.

**Taxation**

Taxation for the period comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

**Deferred tax**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the period end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

**Going concern**

As at 31 March 2018, the company's profit and loss account was in deficit. The company is financed by means of support from its parent company. The directors are of the opinion that this support will not be withdrawn and the projected cash flow information indicates that the company can thus continue in operational existence for the foreseeable future. On this basis the directors consider it appropriate to prepare the financial statements on a going concern basis.

**3. EMPLOYEES AND DIRECTORS**

The average number of employees during the period was NIL.
