### **STRATEGIC REPORT**

The directors present their strategic report for the year ended 31 December 2016.

#### **PRINCIPAL ACTIVITY**

The principal activity of the Company is as an intermediate holding company to a fellow subsidiary of RELX Group and the directors do not anticipate any changes in these activities in the foreseeable future. The Company was a wholly-owned subsidiary throughout the year and accordingly consolidated group financial statements have not been prepared.

#### **BUSINESS REVIEW**

The Company made neither a profit or a loss for the year (2015: profit of £50,000,000) and the total comprehensive income for the year has been taken to reserves was nil (2015: £50,000,000).

#### **KEY PERFORMANCE INDICATORS**

The directors consider there to be no additional key performance indicators other than those on the primary financial statements.

#### **FINANCIAL RISK MANAGEMENT**

Due to the fact the Company has not traded during the year outside its activities as a holding company and has no plans to commence trading within the foreseeable future, the Company does not consider it necessary to adopt a financial risks policy as such information is not considered material for the assessment of the assets, liabilities, financial position and profit or loss of the Company.

### DIRECTORS' RESPONSIBILITIES STATEMENT

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice including FRS 101 "*Reduced Disclosure Framework*", (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable United Kingdom Accounting Standards accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis, unless it is inappropriate to presume that the Company will continue in business. More detail is given in Note 1 to the financial statements.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF

We have audited the financial statements of Reed Business Information (Holdings) Limited for the year ended 31 December 2016 which comprise the Statement of Comprehensive Income, the Statement of Financial Position, the Statement of Changes in Equity, and the related notes 1 to 13. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 101 "*Reduced Disclosure Framework*".

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

**Respective responsibilities of directors and auditor**

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

**Scope of the audit of the financial statements**

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

**Opinion on financial statements**

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 December 2016 and of its result for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including FRS101 "*Reduced Disclosure Framework*"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

**Opinion on other matter prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and the Directors' Report have been prepared in accordance with applicable legal requirements.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF  
REED BUSINESS INFORMATION (HOLDINGS) LIMITED (continued)**

**Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have identified no material misstatements in the Strategic Report and the Directors' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 DECEMBER 2016**

**1. Accounting policies**

**Basis of preparation**

Reed Business Information (Holdings) Limited (the “Company”) is a company incorporated in the England and Wales under the Companies Act. The address of the registered office is given on page 1.

The Company meets the definition of a qualifying entity under Financial Reporting Standard (FRS) 100 issued by the Financial Reporting Council (FRC). Accordingly, for the year ended 31 December 2016 these financial statements were prepared in accordance with FRS 101 (Financial Reporting Standard 101) ‘*Reduced Disclosure Framework*’ issued by the FRC, incorporating the amendments to company law made by The Companies, Partnerships and Groups (Accounts and Reports) Regulations 2015 and in so doing has applied the requirements of International Financial Reporting Standards (IFRS) 1.6-33 and related appendices.

The financial statements have been prepared on the historical cost basis financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

The Company’s financial statements are presented in sterling and all values are rounded to the nearest thousand pounds (£’000) except when otherwise indicated.

As permitted by FRS 101, the Company has taken advantage of the disclosure exemptions available under that standard in relation to share based payment, financial instruments, capital management, presentation of comparative information in respect of certain assets, presentation of a cash flow statement, standards not yet effective, impairment of assets and related party transactions. Where relevant, equivalent disclosures have been given in the group financial statements of RELX Group plc. The group financial statements of RELX Group plc are available to the public and can be obtained as set out in note 11.

The principal accounting policies adopted are set out below.

**Going concern**

The directors have received written confirmation establishing that the ultimate parent company of this entity is fully prepared and able to support the Company as necessary for the foreseeable future that is a period of at least 12 months from the date of signing these financial statements. Consequently, the directors have concluded that it is appropriate to prepare these financial statements on a going concern basis.

**Taxation**

Tax is charged or credited in the income statement except to the extent that the tax arises from a transaction or event which is recognised, in the same or a different period, outside the income statement (either in other comprehensive income, directly in equity, or through a business combination) in which case the tax appears in the same statement as the transaction that gave rise to it.

Current tax is the amount of corporate income taxes payable or recoverable based on the profit for the period as adjusted for items that are not taxable or not deductible, and is calculated using tax rates and laws that were enacted or substantively enacted at the date of the statement of financial position. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. Provisions are established where appropriate on the basis of amounts expected to be paid to the tax authorities.

**FOR THE YEAR ENDED 31 DECEMBER 2016**

**1. Accounting policies (continued)**

**Investments**

Investments in subsidiaries are stated at cost less any impairment in value. The Company assess investments for impairment whenever events or changes in circumstances indicate that the carrying value of the investment may not be recoverable. If such an indication of impairment exists the Company makes an estimation of the recoverable amount. Where the carrying value of the investment exceeds the recoverable amount, the investment is impaired and is written down to its recoverable amount.

**Trade and other receivables**

Financial instruments comprise trade and other receivables and payables.

Trade and other receivables are carried in the statement of financial position at invoiced value less allowance for estimated irrecoverable amounts. Irrecoverable amounts are estimated based on the ageing of trade receivables, experience and circumstance.

**Trade and other payables**

Trade payables and other payables are recognised at fair value.

**Dividends payable**

Final dividends are recorded in the financial statements in the year in which they are approved by the Company's shareholders. Interim dividends are recorded in the year in which they are approved and paid.

**Standards and amendments effective for the year**

The interpretations and amendments to IFRS effective for 2016 have not had a significant impact on the accounting policies or reporting.

A further reduction of the main rate of corporation tax, from 19% to 17% with effect from 1 April 2020, was substantively enacted on 15 September 2016.
