THE MEMBERS' REPORT

The members present their report and accounts for the year ended 31 December 2017.

PRINCIPAL ACTIVITY AND REVIEW OF THE BUSINESS

The principal activity of Robotic Radiosurgery LLP is the provision of cancer treatment and related activities.

	2017 £000	2016 £000	Change %
Revenue	3,714	2,545	45.9%
Operating profit	2,324	1,027	126.3%
Outpatient visits	510	356	43.3%
Average number of employees	6	6	0%

Reported turnover is up 45.9% on that of 2016 which is due mainly to an increase in outpatient visits of 43.3% in the year. Operating costs decreased on that of 2016 as a result of both factors operating profit has increased by 126.3% on 2016.

The partnership has the potential to continue to grow over the years ahead and has the full support of its members.

In the opinion of the members, the state of Robotic Radiosurgery LLP's affairs at 31 December 2017 is satisfactory.

DESIGNATED MEMBERS

HCA International Limited
P N Plowman

POLICY WITH RESPECT TO MEMBERS' DRAWINGS AND SUBSCRIPTIONS AND REPAYMENT OF MEMBERS' CAPITAL

Members are permitted to make drawings once the profit is determined. Drawings cannot exceed a member's profit share. The profit share is determined by the amount of the capital contribution made by the members pro rata over the net profit for the financial period.

New members are required to subscribe a minimum level of capital. Members may increase the amount of their capital contribution if members so agree by members' consent. On retirement, the balance on a member's Capital Account is repaid.

In the event of winding up, other reserves along with members' capital rank after unsecured creditors.

FUTURE DEVELOPMENTS

There are no plans to change the activities of the partnership.

EVENTS AFTER THE END OF THE REPORTING PERIOD

No significant events affecting the LLP have occurred since the end of the reporting period.

Robotic Radiosurgery LLP

Registered No. OC330347

THE MEMBERS' REPORT (CONTINUED)

GOING CONCERN

No material uncertainties that cast significant doubt about the ability of the partnership to continue as a going concern have been identified by the members. On the basis of their assessment of the partnership's financial position, the partnership's members have a reasonable expectation that the partnership will be able to continue in operational existence for the foreseeable future. Therefore they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

PRINCIPAL RISKS AND UNCERTAINTIES

Legal risk

The principal risk arising from the LLP's business is the uncertainty of medical indemnities. However, the LLP's exposure in this area is mitigated by its insurance policies and reviewed independently by external professional actuaries.

Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The LLP aims to mitigate liquidity risk by managing cash generation by its operations and applying cash collection targets.

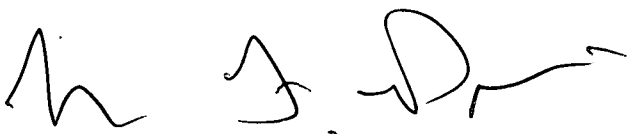

DISCLOSURE OF INFORMATION TO THE AUDITORS

So far as each person who was a member at the date of approving this report is aware, there is no relevant audit information, being information needed by the auditor in connection with preparing its report, of which the auditor is unaware. Having made enquiries of fellow members and the LLP's auditor, each member has taken all the steps that they are obliged to take as a member in order to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

AUDITORS

Ernst & Young LLP will continue as auditor of the LLP.

Approved by the members on ~~14~~ September 2018 and signed on their behalf by:

Registered No. OC330347

MEMBERS' RESPONSIBILITIES STATEMENT

The Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008 require the members to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the LLP and of the profit or loss of the LLP for that year.

The members have elected to prepare financial statements for the LLP in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

In preparing those financial statements, the members are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the LLP will continue in business.

Under the Limited Liability Partnerships Regulations 2008, the members are responsible for keeping adequate accounting records, which disclose with reasonable accuracy at any time the financial position of the LLP and enable them to ensure that the financial statements comply with the Limited Liability Partnership Regulations. They are also responsible for safeguarding the assets of the LLP and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF ROBOTIC RADIOSURGERY LIMITED LIABILITY PARTNERSHIP ('LLP')

Opinion

We have audited the financial statements of Robotic Radiosurgery LLP for the year ended 31 December 2017 which comprise the Statement of Comprehensive Income, the Statement of Financial Position, the Reconciliation of Members' Interests, and the related notes 1 to 17, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 'The Financial Reporting Standard applicable to the UK and Republic of Ireland.

In our opinion the financial statements:

- give a true and fair view of the state of the limited liability partnership's affairs as at 31 December 2017 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; including FRS 102 'The Financial Reporting Standard applicable to the UK and Republic of Ireland; and
- have been prepared in accordance with the requirements of the Companies Act 2006 as applied to limited liability partnerships.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report below. We are independent of the limited liability partnership in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the members use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
the members have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the limited liability partnership's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The other information comprises the information included in the annual report set out on pages 1 to 17, other than the financial statements and our auditor's report thereon. The members are responsible for the other information

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF ROBOTIC RADIOSURGERY LIMITED LIABILITY PARTNERSHIP ('LLP') (CONTINUED)

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 as applied to limited liability partnerships requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of members

As explained more fully in the Members' Responsibilities Statement on page 4, the members are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the members determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the members are responsible for assessing the partnership's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the members either intend to liquidate the partnership or to cease operations, or have no realistic alternative but to do so.

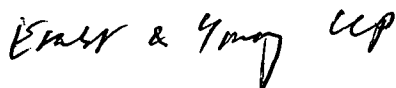

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006 as applied to Limited Liability Partnerships. Our audit work has been undertaken so that we might state to the members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the limited liability partnership and the limited liability partnership's members as a body, for our audit work, for this report, or for the opinions we have formed.

Christine Chua (Senior statutory auditor)

Robotic Radiosurgery LLP

NOTES TO THE FINANCIAL STATEMENTS

at 31 December 2017

1. ACCOUNTING POLICIES

The principal accounting policies adopted by the partnership are set out below and are consistent with the previous year.

Statement of compliance

Robotic Radiosurgery LLP is a limited liability partnership incorporated in England.

The partnership's financial statements have been prepared in compliance with FRS 102 as it applies to the financial statements of the partnership for the year ended 31 December 2017.

The results of Robotic Radiosurgery LLP are included in the consolidated accounts of HCA Healthcare Inc., which is incorporated in the United States of America.

Basis of preparation

The financial statements of Robotic Radiosurgery LLP for the year ended 31 December 2017 were authorised for issue by the members on ~~14~~ September 2018.

The financial statements have been prepared in accordance with applicable accounting standards and the Statement of Recommended Practice – Accounting by Limited Liability Partnerships, published on 15 July 2014. The financial statements are prepared in sterling which is the functional currency of the Partnership, and rounded to the nearest £'000.

The partnership has taken advantage of the following exemptions under FRS 102:

- a) the requirements of section 4 Statement of Financial Position paragraph 4.12 (a)(iv)
- b) the requirements of Section 7 Statement of Cash Flows and Section 3 Financial Statement Presentation paragraph 3.17(d)
- c) the requirements of Section 11 Basic Financial Instruments paragraphs 11.39 to 11.48A and Section 12 Other Financial Instrument Issues paragraphs 12.26 to 12.29A
- d) the requirement of Section 33 Related Party Disclosures paragraph 33.7

Basis of measurement

The financial statements have been prepared on the historical cost basis.

Going concern

No material uncertainties that cast significant doubt about the ability of the partnership to continue as a going concern have been identified by the members. On the basis of their assessment of the partnership's financial position, the partnership's members have a reasonable expectation that the partnership will be able to continue in operational existence for the foreseeable future. Therefore they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

Significant accounting judgements, estimates and assumptions

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities at the statement of financial position date and the amounts reported for revenues and expenses during the year. However, the nature of estimation means that actual outcomes could differ from those estimates. The following judgements (apart from those involving estimates) have had the most significant effect on amounts recognised in the financial statements.

The following estimates are dependent upon assumptions which could change in the next financial year and have a material effect on the carrying amounts of assets and liabilities recognised at the statement of financial position date:

Robotic Radiosurgery LLP

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

at 31 December 2017

1. ACCOUNTING POLICIES (CONTINUED)

Significant accounting judgements, estimates and assumptions (continued)

Impairment

Where there are indicators of impairment of individual assets, the LLP performs impairment tests based on fair value less costs to sell or a value in use calculation. The fair value less costs to sell calculation is based on available data from binding sales transactions in an arm's length transaction on similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a discounted cash flow model. The cash flows are derived from past performance and future budgets and do not include restructuring activities that the LLP is not yet committed to or significant future investments that will enhance the asset's performance of the cash generating unit being tested. The recoverable amount is most sensitive to the discount rate used for the discounted cash flow model as well as the expected future cash flows and the growth rate used for extrapolation purposes.

Where there are indicators of impairment of trade and other receivables, the LLP performs an impairment review based on the aging of the individual balances outstanding and taking into account the probability of non-payment by the debtors.

Revenue recognition

The LLP provides a wide range of treatments and services to patients with private medical insurance. Management assesses the contractual agreements and makes estimates regarding expected discounts and rebates, which are revisited on a regular basis for reasonableness.

Revenue is reported net of the provisions made for such discounts and rebates.

Significant accounting policies

Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less accumulated depreciation and accumulated impairment losses.

Provision for depreciation is made so as to write off the cost of tangible fixed assets, when in their intended use, on a straight line basis over the expected useful economic lives of the fixed assets concerned. The principal annual rates used for this purpose are:

Building refurbishment	–	10%
Equipment, furniture and fittings	–	between 10% and 25%

The carrying values of tangible fixed assets are reviewed for impairment in periods if events or changes in circumstances indicate the carrying value may not be recoverable.

Revenue

Revenue is recognised to the extent that the LLP obtains the right to consideration in exchange for its performance. Revenue is measured at the fair value of the consideration received, excluding discounts, rebates, VAT and other sales taxes or duty. The following criteria must also be met before revenue is recognised:

Rendering of services

Revenue consists primarily of net healthcare service revenues that are recorded based upon established billing rates less allowances for contractual adjustments. Estimates of contractual allowances under managed healthcare plans are based upon terms specified in the related contractual agreement.

Revenue is recorded during the period the services are provided.

Taxation

The taxation payable on the partnership profits is the personal liability of the members and consequently neither taxation nor related deferred taxation is accounted for in the financial statements.

Robotic Radiosurgery LLP

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

at 31 December 2017

1. ACCOUNTING POLICIES (CONTINUED)

Financial Assets

Initial recognition and measurement

The LLP determines the classification of its financial assets at initial recognition. All financial assets are recognised initially at fair value plus directly attributable transaction costs.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Such assets are carried at amortised cost using the effective interest rate (EIR) method, less impairment. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance revenue in the statement of comprehensive income. The losses arising from impairment are recognised in the statement of comprehensive income in administrative expenses.

Derecognition of financial assets

A financial asset is derecognised when (i) the rights to receive cash flows from the asset have expired or (ii) the LLP has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a “pass through” arrangement; and either (a) the LLP has transferred substantially all the risks and rewards of the asset, or (b) the LLP has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

The LLP assesses at each reporting date whether there is any objective evidence that a financial asset or group of financial assets is impaired. If there is objective evidence that an impairment loss on loans and receivables carried at amortised cost has been incurred, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows (excluding future credit losses that have been incurred) discounted at the financial asset's original effective interest rate (i.e. the effective interest rate computed at initial recognition). The carrying amount of the asset is reduced, with the amount of the loss recognised in administrative expenses.

If, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed. Any subsequent reversal of an impairment loss is recognised in the statement of comprehensive income, to the extent that the carrying value of the asset does not exceed its amortised cost at the reversal date.

Financial liabilities

Initial recognition and measurement

The LLP determines the classification of its financial liabilities at initial recognition. All financial liabilities are recognised initially at fair value and in the case of loans and borrowings, plus directly attributable transaction costs.

Interest bearing loans and borrowings

Obligations for loans and borrowings are recognised when the LLP becomes party to the related contracts and are measured initially at the fair value of consideration received less directly attributable transaction costs. After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using the effective interest method. Gains and losses arising on the repurchase, settlement or otherwise cancellation of liabilities are recognised respectively in finance revenue and finance cost.

Robotic Radiosurgery LLP

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

at 31 December 2017

1. ACCOUNTING POLICIES (CONTINUED)

Financial liabilities (continued)

Derecognition of financial liabilities

A liability is generally derecognised when the contract that gives rise to it is settled, sold, cancelled or expires. Where an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability, such that the difference in the respective carrying amounts together with any costs or fees incurred are recognised in the statement of comprehensive income.

Cash and cash equivalents

Cash and cash equivalents in the statement of financial position comprise cash at banks and in hand and short term deposits with an original maturity of three months or less. For the purposes of the cash flow statement, cash and cash equivalents consist of cash and cash equivalents as defined above, net of outstanding bank overdrafts.

Pension costs

The employees of the LLP are members of a group defined contribution scheme in the UK, the HCA International Limited Staff Retirement Benefits Scheme. The assets of the scheme are held separately from those of the LLP. The annual contributions payable are charged to the statement of comprehensive income.

Members' participation rights

Members' participation rights are the rights of a member against the LLP.

Members' participation rights in the earnings or assets of the LLP are analysed between those that are, from the LLP's perspective, either a financial liability or equity. A member's participation right results in a liability unless the right to any payment is discretionary on the part of the LLP.

Amounts subscribed or otherwise contributed by members are classified as equity if the LLP has an unconditional right to refuse payment to members. If the LLP does not have such an unconditional right, such amounts are classified as liabilities.

Where profits are automatically divided as they arise, so the LLP does not have any unconditional right to refuse payment, the amounts arising that are due to members are in the nature of liabilities. They are therefore treated as an expense in the Statement of comprehensive income in the relevant year. To the extent that they remain unpaid at the year end, they are shown as a liability in the statement of financial position.

Conversely, where profits are divided only after a decision by the LLP or its representative, so that the LLP has an unconditional right to refuse payment, such profits are classed as an appropriation of equity rather than as an expense. They are therefore shown as a residual amount available for discretionary division among members in the Statement of comprehensive income and are equity appropriations in the statement of financial position.

Other amounts applied to members, for example remuneration paid under an employment contract and interest on capital balances, are treated in the same way as all other divisions of profits, as described above, according to whether the LLP has, in each case, an unconditional right to refuse payment.

Robotic Radiosurgery LLP

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

at 31 December 2017

2. REVENUE

The revenue was derived from one principal activity, the provision of cancer treatment within the United Kingdom.

	<i>2017</i>	<i>2016</i>
	<i>£000</i>	<i>£000</i>
Rendering of services	<u>3,714</u>	<u>2,545</u>

3. OPERATING PROFIT

The auditors of the partnership are also the auditors of HCA International Limited and are remunerated in respect of their services to the partnership by HCA International Limited. The audit fee for the partnership was £6,000 (2016: £6,980).

	<i>2017</i>	<i>2016</i>
	<i>£000</i>	<i>£000</i>
Depreciation of owned fixed assets	243	244
Management fees	130	89
Operating lease costs	<u>39</u>	<u>39</u>

4. STAFF COSTS

The average number of persons employed by the partnership during the year was 6 (2016: 6).

Employment costs of all employees comprised:

	<i>2017</i>	<i>2016</i>
	<i>£000</i>	<i>£000</i>
Wages and salaries	367	331
Social security costs	42	38
Other pension costs	<u>12</u>	<u>10</u>
	<u>421</u>	<u>379</u>

5. INFORMATION IN RELATION TO MEMBERS

	<i>2017</i>	<i>2016</i>
	<i>£000</i>	<i>£000</i>
Average number of members during the year	<u>23</u>	<u>23</u>
Profit (including remuneration) attributable to the member with the largest entitlement to profits	<u>1,883</u>	<u>815</u>

Profit attributable to the member with the largest entitlement was calculated based upon the entitlement to profits calculation within the LLP agreement for the year, this being 81.2% for 2017 (2016: 80.7%).
