DIRECTORS' REPORT FOR THE YEAR ENDED 28 FEBRUARY 2000

Accounts

The directors submit their report and the financial statements for the year ended 28 February 2000.

Statement of directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Activities

The principal activity of the company is the renting of plant and storage facilities.

Fixed Assets

In the opinion of the directors the market value of the company's freehold properties is in excess of book value and the result of a professional valuation is shown on page 8 (note 8)

Results

The company's trading results are shown on the Profit and Loss Account on page 3 and the notes on pages 6 to 9.

The directors recommend the payment of a dividend as shown on the Profit and Loss Account.

The directors, and their interests in the share capital of the company, at 28 February 2000 were as follows:

AUDITORS REPORT TO THE SHAREHOLDERS OF W JORDAN AND SON (SILO) LIMITED

We have audited the financial statements on pages 3 to 9 which have been prepared under the historical cost convention and the accounting policies set out on pages 6 to 9.

Respective responsibilities of directors and auditors

As described on page 1 the company's directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

In our opinion, the financial statements give a true and fair view of the state of the company's affairs at 28 February 2000 and of its profit and cash flow for the year then ended and have been properly prepared in accordance with the provisions of the Companies Act 1985.
