Summary of Key Matters Outstanding

- Repayment of Directors Loan Account – Dr M Overd
- Repayment of Directors Loan Account – Ms A Kerwin-Nye

Closure

The liquidation is unable to conclude until the outstanding Directors' Loan Accounts have been repaid to the insolvent estate. It should be noted that the loan accounts are to be repaid over 84 months, with effect from April 2018, which means that the liquidation is likely to conclude in March 2025. Further information about the repayment terms is detailed within this report.

2) ADMINISTRATION AND PLANNING

- 2.1 I, Beverley Ellice Budsworth of The Business Debt Advisor (a division of The Debt Advisor Limited), Trafford House, Chester Road, Manchester, M32 0RS, refer to my appointment as Liquidator of Notdeadfish Limited ("the company") and now present my first annual progress report on the liquidation. A summary of statutory information may be found at **Appendix I**.
- 2.2 I also enclose a receipts and payments account for the period under review, being from 2 November 2018 to 1 November 2019, at **Appendix II**.
- 2.2 As duly appointed Liquidator, I am required to meet a considerable number of statutory and regulatory obligations. Whilst many of these tasks do not have a direct benefit in enhancing realisations for the insolvent estate, they assist in the efficient and compliant progressing of the administration of the case, and ensure that work is carried out to high professional standards. These tasks include, but are not limited to, submission of returns to Companies House, HM Revenue and Customs, and Specific Penalty Bonding.
- 2.3 Throughout the period under review I have undertaken various tasks which have resulted in the asset realisations referred to at part 4 of this report. I have also undertaken a review of the company's books and records, and submitted a conduct report to the Directors Conduct Reporting Service in compliance with my statutory obligations.
- 2.4 In addition to the specific work referred to above, throughout the period under review, I have responded to queries raised by the company's former accountant, creditors, directors, and other associated parties. I have also carried out periodic reviews of the progress of the liquidation, and maintained records pertaining to the insolvent estate. A detailed summary of the work undertaken in this specific matter is included within this report, and also noted at **Appendix III**.

3. ENQUIRIES AND INVESTIGATIONS

- 3.1 During previous review periods, I have undertaken an initial review of the Company's affairs in the period prior to appointment. This included seeking information and explanations from the Directors' by issuing questionnaires, reviewing information received from creditors' and examining the financial records which were available to this office.
- 3.2 The information acquired from this process enabled me, as Liquidator, to comply with my statutory duty to submit a confidential report on the conduct of the directors. This work was also carried out with a view to making an initial assessment as to whether there are any matters that may lead to further recoveries for the benefit of the insolvent estate.
- 3.3 In this matter, my initial assessment confirmed that Dr Matthew Overd and Ms Anita Kerwin-Nye ("the Directors") were each indebted to the company by the sum £139,165. It should be noted that this position had been disclosed from the outset and my investigation ratified the information contained within the report, previously presented to creditors'.
- 3.4 It is anticipated that the work undertaken to date, and work which is ongoing, will generate a financial benefit for the estate, and details of the anticipated benefit are provided below.

4. ASSET REALISATIONS

4.1 Goodwill, Intellectual Property, Website and Domains ("Intangible Assets")

4.1.1 As previously disclosed, Goodwill, Intellectual Property Rights, Website and Domains had a combined book value of £1,042. It was also disclosed that a tentative offer had been received in relation to these assets in the amount of £905.00 + VAT. The offer was received from Petrichor NFP Consulting Limited (11046348) ("Petrichor"). This sum has been paid in full and no further realisations are anticipated.

4.2 Book Debts

4.2.1 The Directors' Report estimated that the company had one unpaid invoice in the amount of £9,600, which would be paid in full. I confirm that within the period under review I have received payment of this invoice in full, and therefore no further realisations are anticipated.

4.3 Bank Interest

4.3.1 Bank interest totalling £0.81 has been realised to date. I confirm that Corporation Tax has been charged where appropriate, and further interest will accrue until the liquidation is due to conclude.

5 ASSETS YET TO BE REALISED

5.1 Directors Loan Accounts

5.1.1 As previously reported, £278,330 was repayable to the company by the Directors in respect of overdrawn Directors' Loan Accounts ("DLA's"). This balance comprises of £139,165 owing from Dr M Overd and £139,165 from Ms A Kerwin-Nye ("the Directors").

5.1.2 The Directors did not dispute the amounts owing, and the balance was subsequently verified as part of my statutory investigations. It was also disclosed that the Directors would propose Individual Voluntary Arrangements (IVA's) in relation to their personal financial affairs, and their proposals were approved on 5 April 2018, subject to modifications. I, Beverley Ellice Budsworth, was appointed as Supervisor of the arrangements.

5.1.3 Within the period under review the IVA Supervisor has exercised discretion in granting a number payment breaks. Subsequently at a variation meeting held on 4 December 2019, various resolutions were approved which sanctioned a reduction in voluntary contributions, but extended the term of the arrangement to allow existing arrears to be paid. Based on the varied terms of the arrangements the estimated dividend return reduced to 30 pence in the pound, and the likely realisations are reflected in the executive summary at part 1 of this report. Successful implementation of this matter is subject to continuous monitoring and I will report further within my next progress report.

5.2 Furniture & Equipment

5.2.1 As previously reported, it was estimated that the company had various items of furniture and equipment with a combined book value of £3,570. It was also disclosed that a tentative offer had been received of £1,395.00 + VAT, from Petrichor, which was later increased to £1,595.00 + VAT.

- 5.2.2 Despite repeated requests, this payment has not been remitted in full. A representative of Petrichor has confirmed that the assets are, in fact, no longer required and on 13 August 2019 the company filed dormant accounts. Considering the likely cost of uplift and sale, I consider that it is not cost effective to pursue the matter any further.

5. CREDITORS

Irrespective of whether sufficient realisations are achieved to pay a dividend to creditors, the Liquidator has undertaken the key tasks which are detailed at **Appendix IV**. The following sections explain the anticipated outcomes to creditors and any distributions paid.

5.1 Secured creditors

The Company has not granted any charges over its assets.

Where a floating charge is created after 15 September 2003, a prescribed part of the company's net property shall be made available to unsecured creditors. The Company did not grant a floating charge to any creditor after 15 September 2003 and consequently there will be no prescribed part in this Liquidation.

5.2 Preferential Creditors

- 5.2.1 The Directors Report disclosed that the company had a number of employees, all of whom were made redundant prior to the liquidation. It was estimated that one employee was due £6,226.19 specifically in relation to unpaid wages, and that another employee was owed £7,241.55 in relation to Statutory Maternity Pay ("SMP"). Such claims have preferential status in the liquidation, up to a statutory limit of £800. Claims for unpaid wages exceeding £800, will be treated as an unsecured claim.
- 5.2.3 Where an employer becomes insolvent, such sums may be submitted to The Insolvency Service, Redundancy Payments Office ("RPO") and paid by The National Insurance Fund subject to the statutory limits referred to above.
- 5.2.4 I have received a claim from the RPO in the sum of £5,334.78, of which £643.06 is claimed preferentially. Preferential claims are yet to be formally agreed, and this work will be done as and when I am in a position to declare a dividend to the proving preferential creditors.

5.3 Unsecured Creditors

- 5.3.1 Unsecured creditors totalled £328,904 as per the estimated Statement of Affairs. To date, I have received claims totalling £244,279.57, of which the sum of £243,636.51 is claimed non-preferentially.
- 5.3.2 A number of claims are outstanding and none have not been formally agreed until such time that I am in a position to make a distribution to non-preferential unsecured creditors. This remains subject to review, pending the outcome of the matters referred to above.

5.4 Dividend Prospects as regards Unsecured Creditors

- 5.4.1 It is anticipated there will sufficient realisations within the liquidation to facilitate dividend return of 100 pence in the £ in relation to preferential creditors.

- 5.4.2 It is also anticipated there will be sufficient realisations within the liquidation to facilitate a dividend return to non-preferential creditors, but the level of this return is uncertain.
- 5.4.3 The quantum of any dividend return to any class of creditor is entirely dependent upon the future realisations made in the insolvent estate, and the final costs and expenses of the liquidation.
- 5.4.4 As mentioned above, the value of the net property and prescribed part is nil therefore the amount to be paid to unsecured creditors by virtue of s176A of The Insolvency Act 1986 is also nil.

6. FEES AND EXPENSES

6.1 Statement of Affairs Fee

- 6.1.1 At a virtual meeting of creditors held on 2 November 2017, creditors' authorised that this firm be paid a fixed fee of £4,000.00 plus VAT and disbursements in relation to convening the meetings, the production of information for creditors, and preparation of the Statement of Affairs. This fee was paid from first realisations upon appointment and is shown in the enclosed receipts and payments account.

6.2 Liquidators Remuneration

- 6.2.1 It is the firm's practice to ensure that work is conducted by the appropriate staff member at the appropriate level of relevant experience. A case administrator will deal with the day to day administration of cases, and an experienced Insolvency Manager will oversee the work undertaken, together with the Office Holder.
- 6.2.2 The basis of the Liquidator's remuneration was also approved by creditors' at the meeting held on 2 November 2017. It was resolved that the Liquidator's fees be fixed by reference to time properly given by the Liquidator and her staff in attending to matters arising in the winding up of the company.
- 6.2.3 Prior to my appointment, creditors' were provided with an estimate of the time which would likely be spent attending to matters arising in the liquidation, and the likely cost. This fee estimate included blended rates and described the various activities to be conducted in relation to the estimated fee.
- 6.2.4 For comparative purposes, the time costs incurred for the period 2 November 2017 to 1 November 2018 total £2,437.20 representing 22.40 hours at an average hourly rate of £108.80. A breakdown of the time charges between the grades of staff allocated to the administration of this matter, together with the appropriate charge out rates is detailed at **Appendix V**.
- 6.2.5 For comparative purposes, the time costs incurred for the period 2 November 2017 to 1 November 2019 total £8,878.60 representing 105.30 hours at an average hourly rate of £84.32. A breakdown of the time charges between the grades of staff allocated to the administration of this matter, together with the appropriate charge out rates is detailed at **Appendix VI**.

- 6.2.5 Liquidator's fees drawn during the period under review are shown on the enclosed receipts and payments account. A full copy of A Creditors' Guide to Liquidator's Fees (England & Wales) is available upon request or can be downloaded from the following site:-

<https://www.r3.org.uk/what-we-do/publications/professional/fees/liquidators-fees>

6.3 Disbursements

- 6.3.1 With regard to disbursements, specific expenditure relating to the administration of the insolvent estate and payable to an independent third party is recoverable without creditor approval as a 'Category 1' disbursement. Such expenditure is made, if funds are available, from the insolvent estate. The Category 1 disbursements paid in the period under review are shown on the enclosed receipts and payments account.

- 6.3.2 Expenditure incidental to the administration of the insolvent estate, which by its very nature includes an element of shared or allocated cost, is recoverable subject to creditor approval of such costs. Payments in respect of such disbursements are defined as 'Category 2 Disbursements'. At the meeting of creditors held on 2 November 2017 creditors' authorised the Category 2 disbursements to be drawn in accordance with the charging policy previously provided. The Category 2 disbursements paid in the period under review are shown on the enclosed receipts and payments account.

- 6.2.3 The following expenses (both Category 1 and Category 2) have been incurred but not yet paid.

Nature of Expense	Basis of Charge	Total Incurred (not yet paid) £
Statutory Advertising	Set Amount	140.00

- 6.2.4 A hard copy of this firm's charge-out rate and disbursement policy may be obtained on request and further information about this insolvency process may be found on the R3 website at:-

<http://www.creditorinsolvencyguide.co.uk/>

6.4 Other Professional Costs

- 6.3.1 Professional advisors are selected on the basis of their experience, taking into account the size of the assignment itself. During the period under review there has been no cost incurred in this regard.

7. CREDITORS' RIGHTS TO RECEIVE INFORMATION

- 7.1 An unsecured creditor may, with the permission of the court or with the concurrence of 5% in value of the unsecured creditors (including the creditor in question) request further details of the Liquidator's remuneration and expenses, within 21 days of receipt of this report. Any secured creditor may request the same details in the same time limit.

- 7.2 An unsecured creditor may, with the permission of the court or with the concurrence of 10% in value of the creditors (including the creditor in question), apply to court to challenge the amount and/or basis of the Liquidator's fees and the amount of any proposed expenses or expenses already incurred, within 8 weeks of receipt of this report. Any secured creditor may make a similar application to court within the same time limit.

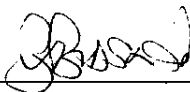

8. EU REGULATIONS (WHETHER PROCEEDINGS ARE MAIN PROCEEDINGS OR TERRITORIAL)

The Company's centre of main interest was in the UK as their registered office address was Sundance, Innhams Wood, Crowborough, East Sussex, TN6 1TE5BH and their trading address was the same, and therefore it is considered that the EU Regulations apply. These proceedings are main proceedings as defined in the EU Regulation.

9. CONCLUSION

The administration of the liquidation will be continue until such time that all of the matters referred to above have been rectified. If you require any further information please do not hesitate to contact Laura Walshe at this office on 0333 9999 600.
