Trustees' and Governors' Report For The Year Ended 31 August 2001

Governors' Responsibilities

Company law requires the governors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the income and expenditure of the company for that period. In preparing those financial statements, the governors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The governors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Audit Exemption

The Governors have taken advantage of the exemption under subsection (1) of section 249A of the Companies Act 1985 not to appoint auditors for the year under review.

By order of the board.
