Centrica (Lincs) Wind Farm Limited

Strategic Report for the Year Ended 31 December 2018

The Directors present the Strategic Report for Centrica (Lincs) Wind Farm Limited (the 'Company') for the year ended 31 December 2018.

Principal activity

The principal activity of the Company is that of a holding company although at present it has no investment activity.

Until 17 February 2017 the Company held a 50% interest in the ordinary share capital of Lincs Wind Farm Limited. Lincs Wind Farm Limited was a joint venture between the Company (50%), together with Siemens AG group (25%) and Ørsted A/S group (25%).

Review of the business

The Company's Financial Statements have been prepared in accordance with Financial Reporting Standard 101: Reduced Disclosure Framework ('FRS 101').

There has been no activity in the Company during 2018.

Principal risks and uncertainties

From the perspective of the Company, the principal risks and uncertainties are integrated with those of the Centrica plc group ('the Group') and are not managed separately. The principal risk and uncertainties of the Group, which include those of the Company, are disclosed in the Group's Annual Report and Accounts 2018, which does not form part of this report.

Exit from the European Union

The UK referendum vote in June 2016 to leave the European Union has added to the risks and uncertainties faced by the Company. However, it is considered that the direct impact of these uncertainties on the Company is limited in the short-term. Many details of the implementation process continue to remain unclear. Extricating from the European Union treaties is a task of immense complexity but the Company is well-positioned to manage the possible market impacts. There are also potential tax consequences of the withdrawal and these will continue to be reassessed at each reporting date to ensure the tax provisions reflect the most likely outcome following the withdrawal.

Key performance indicators ('KPIs')

The Directors of the Group use a number of KPIs to monitor progress against the Group's strategy. The development, performance and position of the Group, which includes the Company, are disclosed in the Group's Annual Report and Accounts 2018, which does not form part of this report. The results for the Company are disclosed in the Directors' report on page 3.

Centrica (Lincs) Wind Farm Limited

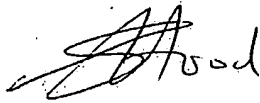

Strategic Report for the Year Ended 31 December 2018 (continued)

Future developments

The Group continues to implement the results of the 2015 strategic review. This implementation includes a review of how the Group's businesses are structured and may result in future changes to underlying subsidiary business operations including those of the Company.

The Directors are considering the future activities of the Company in light of the strategic review including opportunities for future investments.

Centrica (Lincs) Wind Farm Limited

Directors' Report for the Year Ended 31 December 2018

The Directors present their report and the audited financial statements for the year ended 31 December 2018.

Directors of the Company

The Directors of the Company who were in office during the year and up to the date of signing the financial statements were as follows:

M R Futyán

R W Marsden

R M McCord

Results and dividends

The results of the Company are set out on page 9. The loss for the financial year ended 31 December 2018 is £4,000 (2017: profit of £6,667,000). Dividends of £50,000,000 (2017: £nil) were paid during the year and the Directors do not recommend the payment of a final dividend (2017: £nil).

Exposure in terms of price risk, credit risk, liquidity risk and cash flow risk

The Directors have established objectives and policies for managing financial risks to enable the Company to achieve its long-term shareholder value growth targets within a prudent risk management framework. These objectives and policies are regularly reviewed. Exposure to counterparty credit risk and liquidity risk arises in the normal course of the Company's business. Cash forecasts identifying the liquidity requirements of the Company are produced frequently and reviewed regularly. Liquidity risk is managed through funding arrangements with Group undertakings. The Company did not take part in hedging of any kind.

Future developments

Future developments are discussed in the Strategic Report on page 1.

Going concern

The financial statements have been prepared on a going concern basis as Centrica plc, the ultimate parent company, currently intends to support the Company to ensure it can meet its obligations as they fall due, provided the Company remains a member of the Group. The Directors have received confirmation that Centrica plc intends to support the Company for at least one year after the financial statements were authorised for issue. The Directors are also reviewing future investment opportunities for the Company.

Events after the reporting period

There were no events after the reporting period that have a material effect on the financial statements.

Directors' and officers' liability

Directors' and officers' liability insurance has been purchased by the ultimate parent company, Centrica plc, and was in place throughout the year. The insurance does not provide cover in the event that the Director is proved to have acted fraudulently.

Disclosure of information to the auditors

Each of the Directors who held office at the date of approval of this Directors' Report confirm that so far as they are aware, there is no relevant audit information of which the Company's auditors are unaware, and they have taken all steps that they ought to have taken as Directors to make themselves aware of any relevant audit information and to establish that the Company's auditors are aware of that information. This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

Centrica (Lincs) Wind Farm Limited

Directors' Report for the Year Ended 31 December 2018 (continued)

Statement of Directors' Responsibilities

The Directors are responsible for preparing the Strategic Report, Directors' Report and the financial statements in accordance with applicable UK law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law, the Directors have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 101 'Reduced Disclosure Framework' ('FRS 101'). Under company law, the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards, including FRS 101 have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Centrica (Lincs) Wind Farm Limited

Directors' Report for the Year Ended 31 December 2018 (continued)

Auditors

In accordance with Section 487 of the Companies Act 2006, the auditors will be deemed to be reappointed and Deloitte LLP will therefore continue in office.

Centrica (Lincs) Wind Farm Limited

Independent Auditors' Report to the Members of Centrica (Lincs) Wind Farm Limited

Report on the audit of the financial statements

Opinion

In our opinion the financial statements of Centrica (Lincs) Wind Farm Limited (the 'Company'):

- give a true and fair view of the state of the Company's affairs as at 31 December 2018 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice including Financial Reporting Standard 101 'Reduced Disclosure Framework'; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements of the Company which comprise:

- the Income Statement;
- the Statement of Financial Position;
- the Statement of Changes in Equity;
- the related notes 1 to 14.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 101 'Reduced Disclosure Framework' (United Kingdom Generally Accepted Accounting Practice).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the Financial Reporting Council's (the 'FRC's') Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We are required by ISAs (UK) to report in respect of the following matters where:

- the Directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

We have nothing to report in respect of these matters.

Centrica (Lincs) Wind Farm Limited

Independent Auditors' Report to the Members of Centrica (Lincs) Wind Farm Limited (continued)

Other information

The Directors are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in respect of these matters.

Responsibilities of Directors

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Report on other legal and regulatory requirements

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and the Directors' Report have been prepared in accordance with applicable legal requirements.

Centrica (Lincs) Wind Farm Limited

Independent Auditors' Report to the Members of Centrica (Lincs) Wind Farm Limited (continued)

In light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified any material misstatements in the Strategic Report or the Directors' Report.

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report in respect of the following matters if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in respect of these matters.

Use of our report

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Centrica (Lincs) Wind Farm Limited

Notes to the Financial Statements for the Year Ended 31 December 2018

1 General information

Centrica (Lincs) Wind Farm Limited (the 'Company') is a private company limited by shares incorporated and domiciled in the United Kingdom and registered in England and Wales.

The registered office and principle place of business is:

Millstream
Maidenhead Road
Maidenhead Road
Windsor
Berkshire
SL4 5GD

The nature of the Company's operations and its principal activities are set out in the Strategic Report on pages 1 to 2.

2 Accounting policies

Basis of preparation

The Company financial statements have been prepared in accordance with Financial Reporting Standard 101: Reduced Disclosure Framework ('FRS 101'). In preparing these financial statements the Company applies the recognition, measurement and disclosure requirements of International Financial Reporting Standards as adopted by the EU ('Adopted IFRSs'), but makes amendments where necessary in order to comply with Companies Act 2006 and has set out below where advantage of the FRS 101 disclosure exemptions has been taken.

From 1 January 2018, the following standards and amendments are effective in the Company's Financial Statements. Their first time adoption did not have a material impact on the financial statements:

- IFRS 9: 'Financial Instruments'
- IFRS 15: 'Revenue from contracts with customers'

The impact of adoption of these standards and the key changes to the accounting policies are disclosed below.

IFRS 9: 'Financial Instruments'

The Company adopted IFRS 9: 'Financial Instruments' from 1 January 2018. In accordance with the transition provisions in the Standard, comparatives have not been restated.

Classification of financial assets

IFRS 9 requires the use of two criteria to determine the classification of financial assets: the entity's business model for the financial assets and the contractual cash flow characteristics of the financial assets. The Standard goes on to identify three categories of financial assets - amortised cost; fair value through profit or loss (FVTPL); and fair value through other comprehensive income (FVOCI).

IFRS 15: 'Revenue from contracts with customers'

The company's main source of income is investment income which is not in the scope of IFRS15.

Centrica (Lincs) Wind Farm Limited

Notes to the Financial Statements for the Year Ended 31 December 2018 (continued)

2 Accounting policies (continued)

In these financial statements, the Company has applied the exemptions available under FRS 101 in respect of the following disclosures:

- the requirements of IAS 7 'Statement of Cash Flows';
- the statement of compliance with Adopted IFRSs;
- the effects of new but not yet effective IFRSs;
- prior year reconciliations for property, plant and equipment and intangible assets;
- the prior year reconciliations in the number of shares outstanding at the beginning and at the end of the year for share capital;
- disclosures in respect of related party transactions with wholly-owned subsidiaries in a group;
- disclosures in respect of the compensation of key management personnel; and
- disclosures in respect of capital management.

As the consolidated financial statements of Centrica plc group (the 'Group'), which are available from its registered office, include the equivalent disclosures, the Company has also taken the exemptions under FRS 101 available in respect of the following disclosures:

- certain disclosures required by IAS 36 'Impairment of Assets' in respect of the impairment of goodwill and indefinite life intangible assets;
- disclosures of the net cash-flows attributable to the operating, investing and financing activities of discontinued operations.

Measurement convention

The financial statements have been prepared on the historical cost basis.

Going concern

The financial statements have been prepared on a going concern basis as Centrica plc, the ultimate parent company, currently intends to support the Company to ensure it can meet its obligations as they fall due, provided the Company remains a member of the Group. The Directors have received confirmation that Centrica plc intends to support the Company for at least one year after the financial statements were authorised for issue.

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Finance income

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying value.

Centrica (Lincs) Wind Farm Limited

Notes to the Financial Statements for the Year Ended 31 December 2018 (continued)

2 Accounting policies (continued)

Financial instruments

Financial assets and financial liabilities are recognised in the Company's Statement of Financial Position when the Company becomes a party to the contractual provisions of the instrument. Financial assets are de-recognised when the Company no longer has the rights to cash flows, the risks and rewards of ownership or control of the asset. Financial liabilities are de-recognised when the obligation under the liability is discharged, cancelled or expires.

Trade and other receivables

Trade receivables are initially recognised at fair value, which is usually the original invoice amount, and are subsequently held at amortised cost using the effective interest method less an allowance for impairment losses. Changes in the Company's impairment policy as a result of the application of IFRS 9 did not result in any material changes. Balances are written off when recoverability is assessed as being remote. If collection is due in one year or less, receivables are classified as current assets. If not they are presented as non-current assets.

Trade and other payables

Trade payables are initially recognised at fair value, which is usually the original invoice amount and are subsequently held at amortised cost using the effective interest method. If payment is due within one year or less, payables are classified as current liabilities. If not, they are presented as non-current liabilities.

Taxation

Current tax, including UK corporation tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the reporting date. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in equity. In this case, the tax is recognised in equity.

Deferred tax is recognised in respect of all temporary differences identified at the reporting date, except to the extent that the deferred tax arises from the initial recognition of goodwill or the initial recognition of an asset or liability in a transaction which is not a business combination and at the time of the transaction affects neither accounting profit nor taxable profit and loss. Temporary differences are differences between the carrying amount of the Company's assets and liabilities and their tax base.

Deferred tax is provided on temporary differences arising on investments in subsidiaries, joint ventures and associates, except where the timing of the reversal of the temporary difference can be controlled and it is probable that the temporary difference will not reverse in the foreseeable future.

Deferred tax assets are recognised only to the extent that it is probable that the deductible temporary differences will reverse in the future and there is sufficient taxable profit available against which the temporary differences can be utilised.

The amount of deferred tax provided is based on the expected manner of realisation or settlement using tax rates that have been enacted or substantively enacted at the reporting date.

Centrica (Lincs) Wind Farm Limited

Notes to the Financial Statements for the Year Ended 31 December 2018 (continued)

2 Accounting policies (continued)

Share capital

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable. Incremental costs directly attributable to the issue of new shares are shown in equity as a deduction from the proceeds received. Own equity instruments that are re-acquired (treasury or own shares) are deducted from equity. No gain or loss is recognised in the Company's Income Statement on the purchase, sale, issue or cancellation of the Company's own equity instruments.

3 Critical accounting judgements and key sources of estimation uncertainty

In the application of the Company's accounting policies the Directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. In the Directors' opinion there were no critical judgements affecting this Company during 2018.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

4 Directors' remuneration

The emoluments of all of the Directors are not paid to them in their capacity as Directors of the Company and are payable for services wholly attributable to other Centrica plc subsidiary undertakings. Accordingly, no details in respect of their emoluments have been included in these financial statements (2017: £nil).

5 Administrative expenses

	2018 £ 000	2017 £ 000
Costs associated with the sale of investments	-	71

Centrica (Lincs) Wind Farm Limited

Notes to the Financial Statements for the Year Ended 31 December 2018 (continued)

7 Auditors' remuneration

Auditors' remuneration was £5,000 (2017: £5,000). Auditors' remuneration relates to fees for the audit of the financial statements of the Company.

The Company has taken advantage of the exemption not to disclose amounts paid for non-audit services as these are disclosed in the Group financial statements of its ultimate parent, Centrica plc.
