Directors' report

The directors present their report and financial statements for the year ended 31 December 2012

Results and dividends

The profit for the year after taxation amounted to £92 781 (2011 – profit of £875,333) The directors do not recommend a final dividend (2011 – £nil)

Principal activities, review of the business and future developments

The principal activities of the company continued to be that of the manufacture and supply of seabed survey equipment

Business review

The year ended 31 December 2012 was a good year in terms of income by historical standards (second highest historically), but was around 10% below plan The year started well, had a pronounced slowdown in the summer months and then a resurgence in the final quarter This cycle, also noticeable in 2011 may reflect increasing consolidation of the market and customer base, with a trend towards a more unified or global annual purchasing cycle

One reason for the lower profitability figures is increased overheads After the successful results of 2011 staffing levels were increased by 10% to bring our numbers up to around 40 This was seen as necessary to increase production capacity to increase customer support capability as the customer base expands and also to increase engineering resources on critical projects, as part of a long term growth strategy OPEX costs were again well controlled in 2012 for example overtime was significantly reduced over the year Another positive sign is the year on year increase in new digital sonar product sales, however this growth has been at a lower rate than initially hoped

The market over the long term is seen as good Oil prices remain on the high side and investment in oil and gas exploration, particularly in Brazil is at a high level There is reasonable certainty that the global market will grow in the next five years, but with inter-annual and regional variability To take advantage of the long term increase, a global growth strategy is being pursued by Kongsberg In Kongsberg GeoAcoustics, we cautiously took the path of organic growth, and the board of directors anticipated some reduction in EBITDA margin as we invested through 2012 However there has been pronounced slowdown in the US and EU markets particularly in the government sectors and this has had some impact In general we see benefits from integration with the global Kongsberg sales network, with around 50% of sales now going through regional offices

Order levels looking forward are good with the trend of higher levels but over longer horizons continuing There have also been good sales during 2012 into Eastern Europe, with several "first sales into new countries and we see this continuing in 2013 One significant positive change in summer 2012 was the acceptance of an order for a 3-D GeoChirp system to China, with delivery mid-2013 Part of the recruitment drive was to appoint a dedicated product manager/engineer for the first (and future) sales of this system

Going concern

On the basis of the directors' assessment of the financial position of the company they have a reasonable expectation that the company will be able to continue in operational existence for the foreseeable future and will be able to meet its obligations as they fall due Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements

Directors' report (continued)

Directors

The directors who served the company during the year were as follows

A Olsen
K H Pedersen
B Jalving (appointed 21 February 2012)
S Tetlie (appointed 21 February 2012)
R A Klepaker (resigned 21 February 2012)
N Riahi (resigned 21 February 2012)

Directors' liabilities

The company has taken out insurance to indemnify, against third party proceedings, the directors of the company whilst serving on the board of the company and of any subsidiary. This cover, together with that taken out by certain subsidiaries, where relevant, indemnifies all employees of the group who serve on the boards of all subsidiaries. These indemnity policies subsisted throughout the year and remain in place at the date of this report.

Disclosure of information to the auditors

So far as each person who was a director at the date of approving this report is aware, there is no relevant audit information, being information needed by the auditor in connection with preparing its report, of which the auditor is unaware. Having made enquiries of fellow directors and the company's auditor, each director has taken all the steps that they are obliged to take as a director in order to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

Auditors

A resolution to reappoint Ernst & Young LLP as auditors will be put to the members at the Annual General Meeting.

By order of the Board

B Jalving
Director

Date 4 SEPTEMBER 2013

Statement of directors' responsibilities

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent auditors' report

to the members of Kongsberg GeoAcoustics Limited

We have audited the financial statements of Kongsberg GeoAcoustics Limited for the year ended 31 December 2012 which comprise the Profit and Loss Account, the Statement of Total Recognised Gains and Losses, the Balance Sheet and the related notes 1 to 23. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Statement of Directors' Responsibilities set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Directors' Report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on the financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 December 2012 and of its profit for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

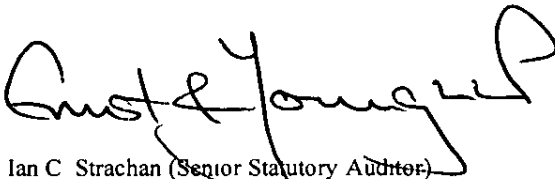

Independent auditors' report (continued)

to the members of Kongsberg GeoAcoustics Limited

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit

Ian C Strachan (Senior Statutory Auditor)
For and on behalf of Ernst & Young LLP (Statutory Auditor)

Director

Date 4 SEPTEMBER 2013

Notes to the financial statements

at 31 December 2012

1. Accounting policies

Basis of preparation

The financial statements are prepared under the historical cost convention, subject to the revaluation of freehold and leasehold properties and in accordance with applicable accounting standards

Group financial statements

The company is itself a subsidiary company and is exempt from the requirement to prepare group financial statements by virtue of section 400 of the Companies Act 2006. These financial statements therefore present information about the company as an individual undertaking and not about its group

Statement of cash flows

The company, being a subsidiary undertaking where 90% or more of the voting rights are controlled within the group whose group financial statements are publicly available, is exempt from the requirement to draw up a statement of cash flows in accordance with FRS 1

Turnover

Turnover comprises revenue recognised by the company in respect of goods and services supplied, exclusive of Value Added Tax

Revenue is recognised when the significant risks and rewards of ownership have passed to the buyer, usually on dispatch of the goods

Research and development

Development costs are capitalised within intangible assets where they can be identified with a specific product or project anticipated to produce future benefits, and are amortised on the straight line basis over the anticipated life of the benefits arising from the completed product or project

Deferred research and development costs are reviewed annually, and where future benefits are deemed to have ceased or to be in doubt the balance of any related research and development is written off to the profit and loss account

Tangible fixed assets

Tangible fixed assets are stated at cost or valuation less depreciation. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following bases

| | | |
|-----------------------------------|---|----------|
| Freehold buildings | – | 50 years |
| Plant and machinery | – | 5 years |
| Motor vehicles | – | 4 years |
| Furniture, fixtures and equipment | – | 5 years |

The carrying values of tangible fixed assets are reviewed for impairment when events or changes in circumstances indicate the carrying value may not be recoverable

Revaluation of tangible fixed assets

Individual freehold and leasehold properties are carried at current year value at the balance sheet date. A full valuation is obtained from a qualified valuer for each property every five years, with an interim valuation three years after the previous full valuation, and in any year where it is likely that there has been a material change in value

Revaluation gains and losses are recognised in the statement of total recognised gains and losses unless losses exceed the previously recognised gains or reflect a clear consumption of economic benefits, in which case the losses are recognised in the profit and loss account

Notes to the financial statements

at 31 December 2012

1. Accounting policies (continued)

Investments

Investments held as fixed assets are shown at cost less provision for impairment

Stocks

Stocks and work in progress are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

Deferred taxation

Deferred taxation is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or right to pay less or to receive more tax with the following exceptions:

- Provision is made for tax on gains arising from the revaluation (and similar fair value adjustments) of fixed assets, or gains on disposal of fixed assets that have been rolled over into replacement assets, only to the extent that at the balance sheet date there is a binding agreement to dispose of the assets concerned. However no provision is made where, on the basis of all available evidence at the balance sheet date, it is more likely than not that the taxable gain will be rolled over into replacement assets and charged to tax only where the replacement assets are sold.
- Provision is made for deferred taxation that would arise on remittance of the retained earnings of subsidiaries, associates and joint ventures only to the extent that, at the balance sheet date, dividends have been accrued as receivable.
- Deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at rates of exchange ruling at the balance sheet date.

Transactions in foreign currencies are translated into sterling at the rate ruling on the date of the transaction.

Exchange gains and losses are recognised in the profit and loss account.

Notes to the financial statements

at 31 December 2012

1. Accounting policies (continued)

Leasing and hire purchase commitments

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible fixed assets. Assets acquired by finance lease are depreciated over the shorter of the lease term and their useful lives. Assets acquired by hire purchase are depreciated over their useful lives. Finance leases are those where substantially all of the benefits and risks of ownership are assumed by the company. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce a constant periodic rate of charge on the net obligation outstanding in each period.

Rentals under operating leases are charged to the profit and loss account on a straight-line basis over the lease term.

Benefits received and receivable as an incentive to sign an operating lease are recognised on a straight-line basis over the period until the date the rent is expected to be adjusted to the prevailing market rate.

Pensions

The company operates a defined contribution pension scheme and the pension charge represents the amounts payable by the company to the fund in respect of the year.

2. Turnover

An analysis of turnover by geographical market is given below

| | 2012 | 2011 |
|------------------|------------------|------------------|
| | £ | £ |
| United Kingdom | 1,378,189 | 1,616,275 |
| Rest of Europe | 813,632 | 1,167,564 |
| USA and Canada | 902,581 | 656,679 |
| Middle East | 154,834 | 266,400 |
| Asia | 1,224,798 | 1,373,574 |
| Africa and India | 309,844 | 114,469 |
| Rest of world | 122,975 | 270,925 |
| | <u>4,906,853</u> | <u>5,465,886</u> |

3. Other operating income

| | 2012 | 2011 |
|------------------------|--------------|--------------|
| | £ | £ |
| Net rents receivable | 7,326 | 7,107 |
| Other operating income | 350 | 5 |
| | <u>7,676</u> | <u>7,112</u> |

Notes to the financial statements

at 31 December 2012

4. Operating (loss)/profit

This is stated after charging/(crediting)

| | 2012 | 2011 |
|---|-----------------|----------------|
| | £ | £ |
| Amortisation of intellectual property | 131,065 | 101,682 |
| Depreciation of tangible fixed assets – owned by the company | <u>137,904</u> | <u>103,644</u> |
| Operating lease rentals – other operating leases | <u>22,282</u> | <u>17,232</u> |
| Difference on foreign exchange | 22,383 | 28,595 |
| Amortisation of deferred research and development expenditure | 166,060 | 176,057 |
| Research and development expenditure | 455,601 | 392,503 |
| (Profit)/loss on disposal of fixed assets | <u>(17,932)</u> | <u>15,822</u> |

During the year no director received any remuneration from the company (2011 – £nil). Other group companies paid remuneration amounting to £8,000 (2011 - £8,000) to the directors of the company in respect of qualifying services.

5. Auditors' remuneration

| | 2012 | 2011 |
|--|---------------|---------------|
| | £ | £ |
| Fees payable to the company's auditor for the audit of the company's annual financial statements | <u>13,562</u> | <u>12,375</u> |

6. Staff costs

| | 2012 | 2011 |
|-----------------------|------------------|------------------|
| | £ | £ |
| Wages and salaries | 1,348,119 | 1,307,385 |
| Social security costs | 125,575 | 122,304 |
| Other pension costs | 42,771 | 39,108 |
| | <u>1,516,465</u> | <u>1,468,797</u> |

The average monthly number of employees during the year was made up as follows

| | No | No |
|-------------------------------|-----------|-----------|
| Production | 13 | 12 |
| Engineering | 12 | 11 |
| Marketing and sales | 6 | 4 |
| Management and administration | 6 | 7 |
| | <u>37</u> | <u>34</u> |

Notes to the financial statements

at 31 December 2012

7. Interest payable

| | 2012 | 2011 |
|----------------------------------|--------------|--------------|
| | £ | £ |
| On bank loans and overdrafts | 891 | 2,312 |
| On loans from group undertakings | 54 | 4,883 |
| Other interest payable | 525 | - |
| | <u>1,470</u> | <u>7,195</u> |

8. Tax on profit on ordinary activities

(a) The tax (credit)/charge is made up as follows

| | 2012 | 2011 |
|--|-----------------|----------------|
| | £ | £ |
| Current tax. | | |
| UK corporation tax on the profit for the year | 11,000 | 29,000 |
| Adjustments in respect of prior years | 304 | (32,901) |
| | <u>11,304</u> | <u>(3,901)</u> |
| Foreign tax on income for the year | - | (671) |
| Total current tax (note 8(b)) | <u>11,304</u> | <u>(4,572)</u> |
| Deferred tax | | |
| Origination and reversal of timing differences | (61,532) | (63,134) |
| Tax losses utilised | 19,668 | 218,035 |
| Total deferred tax (note 8(c)) | <u>(41,864)</u> | <u>154,901</u> |
| Tax on profit on ordinary activities | <u>(30,560)</u> | <u>150,329</u> |

Notes to the financial statements

at 31 December 2012

8. Tax (continued)

(b) Factors affecting current tax (credit)/charge for the year

The tax assessed for the year differs from the standard rate of corporation tax in the UK of 24.5% (2011 – 26.5%). The differences are explained below

| | 2012 | 2011 |
|--|---------------|------------------|
| | £ | £ |
| Profit on ordinary activities before tax | <u>62,221</u> | <u>1,025,662</u> |
| Profit on ordinary activities multiplied by standard rate of corporation tax in the UK of 24.5% (2011 – 26.5%) | 15,244 | 271,801 |
| <i>Effects of</i> | | |
| Expenses not deductible for tax purposes, other than goodwill amortisation and impairment | 3,675 | 3,975 |
| Depreciation in excess of capital allowances | 9,977 | 12,245 |
| Foreign tax payable | - | (671) |
| Adjustments to tax charge in respect of prior periods | 304 | (32,901) |
| UK tax on overseas subsidiary profits | 11,000 | 29,000 |
| Uplift of allowance for research and development | 38,285 | 29,458 |
| Tax losses utilised | (36,853) | (173,798) |
| Dividend from subsidiary | (30,892) | (148,338) |
| Short term timing differences | 564 | 4,657 |
| Current tax for the year (note 8(a)) | <u>11,304</u> | <u>(4,572)</u> |

(c) Deferred tax

| | <i>Deferred tax</i> |
|--------------------------------|---------------------|
| | £ |
| At 1 January 2012 | 61,456 |
| Profit and loss account credit | (41,864) |
| At 31 December 2012 | <u>19,592</u> |

The deferred tax liability is made up as follows

| | 2012 | 2011 |
|--------------------------------|---------------|---------------|
| | £ | £ |
| Accelerated capital allowances | 213,230 | 274,839 |
| Tax losses carried forward | (167,290) | (186,958) |
| Short term timing differences | (26,348) | (26,425) |
| | <u>19,592</u> | <u>61,456</u> |

There are no unprovided deferred tax liabilities/assets at the year end or the previous year end

Notes to the financial statements

at 31 December 2012

8 Tax (continued)

(d) Factors that may affect future tax charges

The main rate of UK corporation tax was reduced from 26% to 24% from 1 April 2012. The Finance Act 2012, enacted in July 2012, reduced further the UK main rate of corporation tax to 23% from 1 April 2013. Deferred tax has been restated accordingly in these financial statements.

Additional changes to the main rate of UK Corporation Tax announced in the 20 March 2013 budget will reduce the main rate to 20% by 1 April 2015. These changes had not been substantively enacted at the balance sheet date and consequently their effects are not included in these financial statements. The effect of these announced reductions would be to reduce the deferred tax liability by £2,555.

The above changes to the rate of corporation tax will impact the amount of future cash tax payments to be made by the company.

9. Intangible fixed assets

| | <i>Patents and trademarks</i> | <i>Research and development</i> | <i>Intellectual property</i> | <i>Total</i> |
|---------------------|-----------------------------------|-------------------------------------|----------------------------------|--------------|
| | £ | £ | £ | £ |
