Mission
"To rebuild the lives of children affected by serious illness, and their families, through life changing Therapeutic Recreation programmes in a safe, fun and supportive environment."

Barretstown Ireland's therapeutic recreation programme is designed to engage and empower each child, enhance self esteem, confidence, hope, friendship, trust, social skills and independence in an atmosphere of emotional, physical and medical security. These programmes are informed by a number of theoretical frameworks and disciplines, including recreational therapy, occupational therapy, psychology, experiential education and adventure based counselling. DIRECTORS’ REPORT - continued

Objectives and activities - continued

Principal activities
Barretstown Ireland was founded by Paul Newman and opened for its first camp in 1994. Its aim is to provide a structured activity based programme of Therapeutic Recreation to children with serious illness and their families.

Barretstown Ireland provides varied programmes of “Serious Fun” throughout the spring, summer and autumn seasons. The spring and autumn programmes focus mainly on the family, providing both family and bereavement weekends. The 10-day summer programme caters for children aged between 7 – 17 from Ireland, Britain and 20 other European countries. Barretstown Ireland recruits between 19-52 staff, depending on the season and approximately 700 volunteers a year. Barretstown Ireland is committed to providing excellence in all aspects of its programme, and considerable time and resources are dedicated to training and development to ensure this objective is achieved.

The operating costs of Barretstown Ireland have until recently been wholly funded by generous voluntary donations from corporations, foundations and individuals. A number of fundraising events are held by Barretstown each year and Barretstown has been successful in being the beneficiary organisation of numerous outside events. More recently, Barretstown has received some statutory funding (less than 5%) towards its operational costs and would hope to expand this relationship, through its role as a key provider of psychosocial support services to children and their families.

Barretstown is associated with the US-based charity, The Hole in the Wall Gang Fund Inc. The charities have common objectives and activities, and Barretstown Ireland receives annual donations through the US charity organisation and the umbrella body, the Association of Hole in the Wall Camps. The UK-based charity, The Barretstown Gang Camp (UK) Limited was established to enable UK supporters of Barretstown to donate their funding in a tax efficient manner for the programmes throughout the year and during 2004 Barretstown UK became a subsidiary of Barretstown Ireland. Barretstown Espana was established during 2006 for the same purpose as Barretstown UK and will help raise Barretstown Ireland’s profile in Spain.

A total of 441 children and family members attended the programmes from Ireland, UK and Spain in March, April and May. 17 staff were recruited from five countries namely Ireland, UK, Slovakia, Australia and the US to run the Therapeutic Recreation programmes. A total of 151 people volunteered for the spring programme and came from nine countries as follows: Ireland, UK, Germany, Sweden, Australia, Italy, Netherlands, Spain, and the US.

In addition to volunteers donating their time to work with the children and families, Barretstown also has the support of many volunteers who offer their services to improve the facility, raise funds, raise awareness and promote Barretstown generally.

As outlined in previous years, Barretstown is committed to continuous improvement, and the following initiatives/new developments towards this aim took place during the period to December 2010

Staff and volunteers
Again, the Directors would like to thank all staff and volunteers for their huge commitment to Barretstown Ireland and Barretstown UK. Even in tough recessionary times Barretstown had an enormous amount of volunteers willing to give their time and energy to the delivery of the Therapeutic Recreation Programme. It is acknowledged that without the spirit, enthusiasm and hard work of this team that the organisation would not be able to deliver such excellence.

Barretstown Ireland is committed to ongoing staff development and adheres to best practice in relation to human resource policies. Barretstown Ireland annually reviews its training, policies and procedures to ensure that staff are provided with opportunities for development and growth.

Donors
Barretstown Ireland continues to grow its donor base and have new and old friends to help it provide our therapeutic recreation programmes. The Barretstown Ireland and Barretstown UK Directors would like to thank each and every donor for their contribution in making it possible. Whether it be corporations, foundations, individuals or the government your support is essential to our successful provision of services.

This strategy was reviewed in 2010 and the key strategies to be further developed are as follows:

- Reaching children and families through wider access to our range of programmes and extension of the site calendar.
- Further measuring the impact of our programmes to drive programme development and fundraising campaigns.
- To develop partnership with other organisations to benefit programme improvement staff camper development and requirement.
- Further invest in fundraising to develop long-term sustainable income streams.
