Notes to the Abbreviated Accounts

For the year ending 30 November 2009

1 Accounting policies**Basis of preparing the financial statements**

During the year, the Company has been funded by its shareholder(s), who have indicated that they will continue to provide funding whenever required for the foreseeable future. On this basis, the director(s) consider it appropriate to prepare the financial statements on the "Going Concern Basis". The financial statements do not include any adjustments that would result from the withdrawal of funding facility by the Company's Shareholder(s).

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents net invoiced sales of services, excluding value added tax.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.
