Archdiocesan Property Services Limited

Report of the Trustees
for the year ended 31 December 2018

The Trustees present their report together with the audited financial statements for the year ended 31 December 2018.

Structure, governance and management

Constitution

The Company is incorporated as a Company limited by guarantee (having no share capital), Company number 03142451, and is a registered Charity, Charity number 1055049. The Company is governed by the provisions of its Memorandum and Articles of Association incorporated 29 December 1995 as amended by special resolutions dated 7 February 1996 and 26 April 1996.

Organisational structure and decision making

The affairs of the Company are governed by the Trustees. The Trustees are ultimately responsible for the administration and assets of the Charity and are all Trustees of Liverpool Roman Catholic Archdiocesan Trust, which is the parent entity.

The strategic decision-making process is undertaken through the organisational structure of the Archdiocese. In formulating the strategy of the Company, the Trustees implement the specific strategy of the Archdiocese in respect of building maintenance and repair, and financial decisions are made after consultation with the Financial Advisory Committee of the Archdiocese. Detailed decisions in respect of property and building matters are taken in consultation with the Building Projects Committee of the Archdiocese. The findings of both committees are recommended to the Trustees of the Archdiocese.

Corporate governance

The Board welcomed the introduction of the Charity Governance Code in 2017 and continues to review best practice as it aims to improve. The Board has made several steps forward in improving its governance and effectiveness as follows:

Organisational purpose – the directors regularly review the charities’ purposes and considers how it delivers public benefit. The company undertakes or facilitates the building, maintenance, repair and development of archdiocesan church, school and other buildings which in turn supports the advancement of the Roman Catholic Religion, the advancement of education and the relief of poverty.

The board are satisfied that the charitable purposes of the company have been achieved and the outcomes are reported through the archdiocesan committees that support the Liverpool Roman Catholic Archdiocesan Trust. The convocation of a Synod for the Archdiocese of Liverpool was decreed by the Archbishop of Liverpool in February 2019. This is known as Synod 2020, and the outcomes for the goals, structures, styles and methods of evangelisation in the Archdiocesan community will be incorporated into the company’s review of its charitable purposes.

Leadership – during the year the parent of the company appointed a Chief Operating Officer and a review of priorities, governance, structures and processes has been undertaken. The company and its parent are in transition to new governance arrangements which includes clarity of oversight of committees and subsidiary undertakings. The new governance arrangements include the regular review of the purposes of committees and subsidiaries, constructive challenge to the Chief Operating Officer and archdiocesan officers and the conditions in which officers are confident and enabled to provide information, advice and feedback to the board of trustees. The ethos and culture of the company supports its activities.
Corporate governance (continued)

Integrity – The transition to new governance arrangements includes the implementation of policies and procedures which support key outcomes in maintaining the reputation of the company, its parent charity, and how it is perceived by other people, partnerships and the public. Key themes in the implementation of policies and procedures include the expected standards of probity and behaviour, the requirements to operate responsibly and ethically in line with the mission of the company and its parent charity, and compliance with relevant guidance, whether mandatory or non-mandatory.

The requirement for the declaration of actual or potential conflicts of interest is included within the new governance arrangements.

Decision making, risk and control – the organisation reviews the arrangements for matters reserved to the board and those that are delegated to archdiocesan officers, individual trustees and committees. Progress has been made towards the implementation of a revised scheme of delegation with clear boundaries. Compliance will be monitored and reported regularly to an archdiocesan audit committee.

The revised governance arrangements include the regular review of committee terms of reference. The monitoring of organisational performance is a key component of the new governance arrangements and the implementation of key strategies with associated budgets is in progress. The development of reporting includes the monitoring and management of financial and non-financial risks including departmental, subsidiary and archdiocesan risks.

There is an effective process in place for the appointment and review of auditors.

Board effectiveness – The arrangements for the cycle of board meetings has been reviewed as part of the new governance arrangements together with the information needed for directors and trustees to fulfil their duties. The mix of skills, knowledge and experience is kept under review and a recruitment process has commenced for the committees supporting the new governance arrangements.

Diversity – The board understands its responsibilities about diversity and sees diversity as a part of regular board reviews, valuing the benefits of a diverse board and considering how to remove obstacles in attracting a diverse pool of candidates.

Openness and accountability – The company and its parent charity are currently working towards the development of a transparent, well-publicised, effective and timely process for making and handling a complaint, with the aim of ensuring that internal and external complaints are handled constructively, impartially and effectively. The review of a strategy for regular and effective communication with key stakeholders is a priority for the organisation and includes consideration of how best to communicate with these stakeholders.

Directors and Trustees

The Trustees who are also Directors of the Company in the year were: -

Rev Canon A O’Brien
Rt. Rev Provost P Cookson
Rev S Kirwin

The appointment of new or additional Trustees is made in consultation with the Trustees of the Archdiocese. The induction process for any newly appointed Trustee is tailored to the requirements of the individual. The new Trustee receives copies of Charity Commission guidance, and the minutes of the most recent Trustees’ meetings, and a copy of the most recent statutory accounts, ongoing training is provided for all Trustees.

Risk management

The Trustees have assessed the major risks to which the Charity is exposed and are satisfied that systems are in place to mitigate exposure to the major risks.
Principal risks and uncertainties

The Charity is particularly dependent on income from archdiocesan school building projects. Funds for such projects are formulated at government level and the overall amount of funding available for school capital and repair projects has continued to fall in recent years. The use of previously generated reserves, budgetary control and the use of income generated from investments enables the Charity to focus on non-school projects in years of lesser activity in schools.

The Charity is also exposed to the variable levels of technical complexity in projects identified by the Archdiocese of Liverpool. An identified programme of boiler replacements will bring greater economies of scale and contribute to a higher margin than individually tailored building projects.

Objectives, activities and public benefit

The Company’s charitable objective is to promote the charitable purposes of Liverpool Roman Catholic Archdiocesan Trust (registered Charity number 232709) by undertaking or facilitating the building, maintenance, repair and development of Archdiocesan church, school and other buildings.

As many parish communities are faced with limited resources, the activities of the Charity in facilitating the construction of new church buildings and the management of maintenance and repair programmes for existing church buildings ensure that the public are able to worship in buildings that are compliant with relevant legislation.

By managing school building projects on behalf of the Archdiocese, the Charity is aiding in the provision of high-quality school buildings for the benefit of school children in Archdiocesan schools.

Due consideration to Charity Commission published guidance on operation of public benefit requirement has been given.

Achievements and Performance

Effective control of both parish and school building projects has ensured that expenditure budgets set by the Archdiocese have been adhered to with the impact of managed costs being evident in the accounts of the School Projects Fund and parishes within the Archdiocese.

Financial review

The accounts for the year under review show net income of £70,071 (2017 – net loss of £62,775). After taking into account an unrealised loss on investments held of £76,264 (2017 – gain of £59,615) the funds carried forward at 31 December 2018 have decreased to a surplus of £13,175 (2017 - £19,368)

Income from surveying activities has risen by £644,627 from 2017 and the annual objective of the Company is to generate savings on professional fees in respect of building projects rather than merely the generation of funds.

Investments

The Company’s investments are held in the Liverpool Archdiocese unitised portfolio of listed investments managed by an external investment manager and details of the investment policy are given in the Archdiocesan accounts. The unrealised loss on investments of £76,264 (2017 – gain of £59,615) is in line with the expectations of the Investment Panel of the Archdiocese in the current economic climate.

Reserves

It is the policy of the Company to maintain unrestricted funds at a level sufficient to generate return on investments and cash management to cover annual expenditure in the medium to long term.

Reserves are maintained at a level to ensure that adequate working capital is kept within the Charity.
Reserves (continued)

The trustees are working towards maintaining free reserves in unrestricted (excluding fixed asset) funds at a level which equates to approximately 3 months of unrestricted charitable expenditure. The trustees consider this level will provide sufficient funds to ensure that expenditure and governance costs are covered. Should reserves fall above or below this threshold an explanation will be provided for Trustees and appropriate plans will be presented to bring reserves back within the threshold.

Financial key performance indicators

Whilst the gross profit margin fell from 2017 to 2018, the value of surpluses of income over external surveying costs increased from £320k to £412k.

Other key performance indicators

The Trustees do not believe there are any further relevant financial or non-financial key performance indicators requiring disclosure other than those discussed above.

Going concern

After making enquiries, the Trustees have formed a judgement, at the time of approving the financial statements, that there is a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. For this reason, the trustees continue to adopt the going concern basis in preparing the financial statements.

Post balance sheet events

There have been no significant events affecting the Charity since the year end.

Trustees’ responsibilities statement

The Trustees are responsible for preparing the Trustees’ report and the financial statements in accordance with applicable law and regulations.

Company Law requires the Trustees to prepare financial statements for each financial year in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period.

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity’s transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
Auditor

So far as each of the Trustees is aware at the time the report is approved:

- There is no relevant audit information of which the charitable Company’s auditor is unaware, and
- The Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

A resolution for the reappointment of BDO LLP as auditor will be proposed.

Small Companies Regime

These accounts have been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small entities.

On behalf of the Board

J P McMahon
Secretary

Date: 30/09/19
Opinion

We have audited the financial statements of Archdiocesan Property Services Limited ("the Charitable Company") for the year ended 31 December 2018 which comprise the Statement of Financial Activities, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Charitable Company’s affairs as at 31 December 2018 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor’s responsibilities for the audit of the financial statements section of our report. We are independent of the Charitable Company in accordance with the ethical requirements relevant to our audit of the financial statements in the UK, including the FRC’s Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions related to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Trustees’ use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Charitable Company’s ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The other information comprises the information included in the Annual Report, other than the financial statements and our auditor’s report thereon. The other information comprises the Annual Report. The Trustees are responsible for the other information.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.
Archdiocesan Property Services Limited

Independent auditor’s report to the members of Archdiocesan Property Services Limited (continued)

Other information (continued)

If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees’ Report, which includes the Directors’ Report prepared for the purposes of Company Law, for the financial year for which the financial statements are prepared is consistent with the financial statements; and

- the Directors’ Report, which are included in the Trustees’ Report, has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Charitable Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic report or the Trustee’s report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion;

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or

- the financial statements are not in agreement with the accounting records and returns; or

- certain disclosures of Directors’ remuneration specified by law are not made; or

- we have not received all the information and explanations we require for our audit; or

- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies’ exemptions in preparing the directors’ report and from the requirement to prepare a strategic report.

Responsibilities of Trustees

As explained more fully in the Trustees’ responsibilities statement, the Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Charitable Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Charitable Company or to cease operations, or have no realistic alternative but to do so.
Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located at the Financial Reporting Council’s ("FRC’s") website at: https://www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the Charitable Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Charitable Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charitable Company and the Charitable Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Hamid Ghafoor (Senior Statutory Auditor)
For and on behalf of BDO LLP, statutory auditor
Liverpool, United Kingdom

Archdiocesan Property Services Limited

Notes forming part of the financial statements for the year ended 31 December 2018

1 General information

Archdiocesan Property Services Limited is a Company, limited by guarantee, incorporated in England and Wales under the Companies Act 2006 and Charities Act 2011. The address of the registered office is provided in Reference and administrative details. Details of the Charity’s operations are provided in the Report of the Trustees.

2 Accounting policies

Basis of preparation of financial statements

The financial statements have been prepared according to the principles contained in the Statement of Recommended Practice "Accounting and Reporting by Charities" (SORP 2015) and in accordance with the Companies Act 2006, Charities Act 2011 and applicable accounting standards (Financial Reporting Standard 102).

The financial statements comply with current statutory requirements, with any further requirements of the Charity’s governing document and with the SORP 2015.

The financial statements are prepared under the historical cost convention, modified by the revaluation of investments to market value.

The preparation of financial statements in accordance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the Charity’s accounting policies (see note 3).

Going Concern Policy

The Charity’s activities, together with factors likely to affect its future development, performance and position are set out in the Report of the Trustees on pages 1 to 4.

The financial statements have been prepared on a going concern basis, which principally assumes that the Company will continue to receive income at a sustainable level.

The Trustees and management have reviewed future business plans and cash flow projections which demonstrate ongoing positive cash flows. The Trustees and management continue to see and recognise the impact that the general economic climate and the government’s spending review has had on the level of funding and are fully aware of the continued impact on funding directly and indirectly available to the Company. The Trustees and management continue to consider the various scenarios that reduced income levels could give rise to. After undertaking such a review, the Trustees and management have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future.

The following principal accounting policies have been applied:
2 Accounting policies (continued)

Financial reporting standard 102 – reduced disclosure exemptions

The Company has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by the FRS 102 “The Financial Reporting Standard applicable in the UK and Republic of Ireland”:

- the requirements of Section 4 Statement of Financial Position paragraph 4.12(a)(iv);
- the requirements of Section 7 Statement of Cash Flows;
- the requirements of Section 3 Financial Statement Presentation paragraph 3.17(d);
- the requirements of Section 11 Financial Instruments paragraphs 11.39 to 11.48A;
- the requirements of Section 12 Other Financial Instruments paragraphs 12.26 to 12.29;
- the requirements of Section 33 Related Party Disclosures paragraph 33.7.

This information is included in the consolidated financial statements of Liverpool Roman Catholic Archdiocesan Trust as at 31 December 2018 and these financial statements may be obtained from Archdiocese of Liverpool, The Centre of Evangelisation, Croxteth Drive, Liverpool, Merseyside, L17 1AA.

Income

Income is included in the Statement of Financial Activities on the basis of amounts receivable for the year in respect of work done and services provided or dividends received, excluding value added tax.

Expenditure

Expenditure is included in the Statement of Financial Activities on the accruals basis. These are based on the amounts payable for work done or services provided in the year.

Raising funds

Expenditure on raising funds comprise all costs relating to attracting voluntary income.

Charitable activities

Charitable activities expenditure includes the costs identified as wholly or mainly attributable to achieving the charitable objectives of the Charity, including direct staff costs, other direct costs, and where appropriate, apportioned support costs.

Governance costs

Governance costs are those costs related to the governance of the Charity, to allow it to operate, and to generate information for public accountability. Direct costs will include audit and accountancy, legal advice to Trustees and costs of Trustees meetings.
2 Accounting policies (continued)

Depreciation

Depreciation is provided on all tangible fixed assets at rates calculated to write-off the cost, less estimated residual value, of each asset over its expected useful life, as follows:-

Equipment (including IT) - 25% per annum of cost

Investments and investment gains and losses

Investments are a form of basic financial instrument. They are initially recognised at their transaction value and subsequently valued at their fair value at the balance sheet date using the mid quoted market price.

Realised and unrealised investment gains and losses are included in the Statement of Financial Activities. Realised gains and losses are computed by comparing the proceeds received with the closing quoted market price brought forward and unrealised gains and losses represent the movement in mid quoted market price in the period.

Financial instruments

The Charity only enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities like trade and other accounts receivable and payable, loans from banks and other third parties, loans to related parties and investments in non-puttable ordinary shares.

Debt instruments (other than those wholly repayable or receivable within one year), including loans and other accounts receivable and payable, are initially measured at present value of the future cash flows and subsequently at amortised cost using the effective interest method. Debt instruments that are payable or receivable within one year, typically trade payables or receivables, are measured, initially and subsequently, at the undiscounted amount of the cash or other consideration, expected to be paid or received.

Financial assets that are measured at cost and amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the Statement of Financial Activities.

For financial assets measured at amortised cost, the impairment loss is measured as the difference between an asset's carrying amount and the present value of estimated cash flows discounted at the asset's original effective interest rate. If a financial asset has a variable interest rate, the discount rate for measuring any impairment loss is the current effective interest rate determined under the contract.

For financial assets measured at cost less impairment, the impairment loss is measured as the difference between an asset's carrying amount and best estimate, which is an approximation of the amount that the Charity would receive for the asset if it were to be sold at the reporting date.

Financial assets and liabilities are offset and the net amount reported in the Balance Sheet when there is an enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Liabilities

Liabilities are recognised as soon as there is a legal or constructive obligation committing the entity to pay out resources.

Taxation

The Charity is exempt from tax on income and gains falling within section 505 of the Taxes Act 1988 or section 252 of the Taxation of Chargeable Gains Act 1992 to the extent that these are applied to its charitable objects.
2 Accounting policies (continued)

Pension costs

The Company and eligible employees make defined contributions to a group personal pension scheme, with the employer matching employee contributions up to 6% of pensionable remuneration. Contributions payable are included in resources expended in the Statement of Financial Activities.

Funds

All funds are classed as unrestricted for general use by the Charity in line with their objectives. The board has set no funds aside for a specific purpose.

3 Judgements in applying accounting policies and key sources of estimation uncertainty

In preparing these financial statements, the Directors have had to make the following judgements:

- Determine whether there are indicators of impairment of the tangible assets. Factors taken into consideration in reaching such a decision include the economic viability and expected future financial performance of the asset and where it is a component of a larger cash-generating unit, the viability and expected future performance of that unit.

- The most critical estimates, assumptions and judgements relate to the determination of carrying value of investments at fair value through the Statement of Financial Activities. The Charity follows the International Private Equity and Venture Capital Valuation Guidelines, applying the overriding concept that fair value is the amount for which an asset can be exchanged between knowledgeable willing parties in an arm's length transaction. The nature, facts and circumstances of the investment drives the valuation methodology.

Other key sources of estimation uncertainty:

Tangible fixed assets (see note 8)

Tangible fixed assets, other than investments properties, are depreciated over their useful lives taking into account residual values, where appropriate. The actual lives of the assets and residual values are assessed annually and may vary depending on the number of factors. In re-assessing asset lives, factors such as technological innovation, product life cycles and maintenance programmes are taken into account. Residual value assessments consider issues such as future market conditions, the remaining life of the asset and projected disposal values.
Archdiocesan Property Services Limited
