**Notes to the Abbreviated Accounts for the period ended 31 March 2013****1 Accounting Policies****Basis of measurement and preparation of accounts**

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities effective April 2008.

**Turnover policy**

Turnover represents the total invoice value, excluding value added tax, of sales made during the year.

**Tangible assets depreciation policy**

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Fixtures, fittings and equipment - 25% Straight Line

Motor vehicles - 20% Straight Line

**Other accounting policies**

Leasing

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

Deferred taxation

Deferred tax balances are recognised in respect of all timing differences that have originated but not reversed by the balance sheet date, except that the recognition of deferred tax assets is limited to the extent that the company anticipates making sufficient taxable profits in the future to absorb the reversal of the underlying timing differences. Deferred tax balances are not discounted.

Going concern

The directors consider that in preparing the financial statements they have taken account of all information that could reasonably be expected and that as a result of confirming their support and not requiring the company to repay the loans to themselves and also reviewing the cashflows for the company for a period of at least 12 months it is appropriate to prepare the accounts on a going concern basis.
