**GILES HOLDINGS LIMITED**

**STRATEGIC REPORT  
FOR THE YEAR ENDED 31 DECEMBER 2018**

The Directors present their Strategic Report for the year ended 31 December 2018,

**REVIEW OF BUSINESS**

The principal activity of the Company in the period under review was that of a holding company. It is expected that there will be no significant change to the nature of the Company's activities in the foreseeable future.

The Company is a wholly owned subsidiary of Arthur J. Gallagher & Co., a company incorporated in the United States of America and is included in the publicly available consolidated financial statements of Arthur J. Gallagher & Co. ("the Group"). The Group's strategic focus continues to be on the organic growth of existing core business and the acquisition of businesses to enhance future turnover and profitability.

The results of the Company for the year ended 31 December 2018, are set out in the financial statements on pages 7 to 14.

For the year ended 31 December 2018 the Company has recorded a profit before tax of £8,135k compared to the profit before tax of £26,821k in 2017. The profit in both years is attributable to dividend income received from investment in subsidiary RA Rossborough Limited of £8,135k (2017: £27,111k).

**PRINCIPAL RISKS AND UNCERTAINTIES**

The Group's international operations and debt profile expose it to a variety of financial and operational risks including the effects of change in foreign currency exchange rates, counterparty credit risks, price risk, liquidity and interest rates. The Group's Board of Directors are responsible for setting the Group's risk appetite and ensuring that it has an appropriate and effective risk management framework and monitors the ongoing process for identifying, evaluating, managing, and reporting significant risks faced. To facilitate this, the Group maintains a risk framework, through which the key risks affecting the Group are identified, assessed and monitored.

The Company has in place a risk management programme and policies in the context of the wider Group risk framework. This risk management programme seeks to manage any adverse impact upon the Company caused by the nature of its principal activity. The approach to the significant risks is noted below:

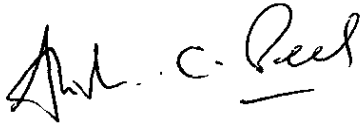

**Borrowing facilities and liquidity risk**

Operations for the Group are financed by a mixture of shareholders' funds, external borrowing facilities, inter-group borrowings and cash reserves. The objective is to ensure a mix of funding methods offering flexibility and cost effectiveness to match the needs of the Company. Forward looking cash flow projections are prepared on a regular basis to assess funding requirements.

**Interest rate risk**

Interest rates on the Company's formal intra-group loans are set in accordance with the wider Group treasury and transfer pricing policies.

Under that law the Directors have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland". Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF GILES HOLDINGS LIMITED**

### **Opinion**

We have audited the financial statements of Giles Holdings Limited for the year ended 31 December 2018 which comprise the Statement of Comprehensive Income, the Statement of Financial Position, the Statement of Changes in Equity and the related notes 1 to 14, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the Company's affairs as at 31 December 2018 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report below. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

### **Other information**

The other information comprises the information included in the Directors' Report and the Strategic Report. The Directors are responsible for the other information.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

We have nothing to report in this regard.

### **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and Directors' Report have been prepared in accordance with applicable legal requirements.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF  
GILES HOLDINGS LIMITED - continued**

**Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report or Directors' Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

**Responsibilities of Directors**

As explained more fully in the Directors' Responsibilities Statement set out on page 3, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

**Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

**Use of our report**

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

## GILES HOLDINGS LIMITED

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2018

#### 1. ACCOUNTING POLICIES

##### **Accounting convention**

These financial statements have been prepared in accordance with applicable United Kingdom Accounting Standards, FRS 102 "The Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland", and with the Companies Act 2006. The financial statements have been prepared on a going concern basis, under the historical cost convention.

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

##### **Basis of preparation**

The Company has taken advantage of Section 401 of the Companies Act 2006 in not preparing consolidated financial statements on the basis that the results of the Company are included within the consolidated financial statements of Arthur J. Gallagher & Co., a company incorporated in the United States of America and for which results are publicly available from the Company's registered office.

The Company has also taken advantage of the exemptions, under FRS 102 paragraph 1.12(b) & (e) respectively, from preparing a Statement of Cash Flows to disclosure of key management compensation, on the basis that it is a qualifying entity and its ultimate parent company, Arthur J. Gallagher & Co., includes such disclosures in its own consolidated financial statements.

##### **Significant judgements and estimates**

The preparation of financial statements in conformity with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements include:

##### **i. Impairment of investments**

Where there are indicators of impairment of individual assets, the Group performs impairment tests based on a value in use calculation. The value in use calculation is based on a net asset or revenue multiple basis. Both methods are derived from the financial statements and do not include restructuring activities that the Group is not yet committed to or significant future investments that will enhance the asset's performance of the cash generating unit being tested. The multiple rate used is in line with recent acquisitions.

##### **Interest receivable/payable**

Interest receivable/payable is recognised in the Statement of Comprehensive Income on an accruals basis based on the terms of the underlying contracts or agreements.

##### **Taxation**

Provision is made at current enacted rates for taxation. Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the Statement of Financial Position date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more, tax in future periods.

##### **Fixed asset investments**

Fixed asset investments in the financial statements are stated at cost less provision for any impairment in value.

##### **Short term debtors and creditors**

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in the Statement of Comprehensive Income in other operating expenses.

## GILES HOLDINGS LIMITED

### NOTES TO THE FINANCIAL STATEMENTS - continued FOR THE YEAR ENDED 31 DECEMBER 2018

#### 1. ACCOUNTING POLICIES - continued

##### Loans to/from group undertakings

Loans to/from other group undertakings are initially recognised at transaction price, less any transactional costs unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future payments discounted at a market rate of interest. In subsequent years the loans are carried at amortised cost, using the effective interest rate method.

Where loans are repayable on demand they are classified as short term debtors/creditors and recognised at the full amount payable. The loans are derecognised when the liability is extinguished, that is when the contractual obligation is discharged or cancelled.

#### 2. DIRECTORS' REMUNERATION

The Directors were remunerated during the year by a fellow subsidiary within the Group and Arthur J. Gallagher & Co., the ultimate holding company. None of the Directors received any emoluments during the year in respect of their services as a Director of the Company (2017: £nil) and it would not be practicable to apportion their emoluments between their services as Directors of the Company and their services as Directors of other Group companies. The Company has not been recharged any amount for the emoluments of the Directors (2017: £nil).

#### 3. OPERATING PROFIT

Auditor's remuneration in the current year of £3k (2017: £2k) has been borne by a fellow group undertaking and has not been recharged to the Company.

#### 4. INVESTMENT INCOME

	2018 £'000	2017 £'000
Dividend income from investment in group undertakings	<u>8,135</u>	<u>27,111</u>

#### 5. INTEREST PAYABLE AND SIMILAR EXPENSES

	2018 £'000	2017 £'000
Interest on loans from group undertakings	<u>-</u>	<u>290</u>

#### 6. TAXATION

##### Analysis of the tax credit

The tax credit on the profit for the year was as follows:

	2018 £'000	2017 £'000
<b>Current tax:</b>		
UK corporation tax	<u>(515)</u>	<u>(1,424)</u>
Tax on profit	<u>(515)</u>	<u>(1,424)</u>

**GILES HOLDINGS LIMITED**

**NOTES TO THE FINANCIAL STATEMENTS - continued  
FOR THE YEAR ENDED 31 DECEMBER 2018**

**6. TAXATION - continued**

The tax credit for the year can be reconciled to the profit per the Statement of Comprehensive Income as follows:

	<b>2018</b>	<b>2017</b>
	<b>£'000</b>	<b>£'000</b>
Profit before tax	<u>8,135</u>	<u>26,821</u>
Profit multiplied by the standard rate of corporation tax in the UK of 19.00% (2017 - 19.25%)	1,546	5,163
<b>Effects of:</b>		
Income not taxable for tax purposes	(1,546)	(5,219)
Transfer pricing adjustments	(515)	(635)
Adjustments from previous period	<u>-</u>	<u>(733)</u>
Total tax credit	<u>(515)</u>	<u>(1,424)</u>

The Company profits are taxable in the UK under the standard rate of corporation tax being 19.00% (2017: 19.25%). The Company is expected to continue to attract the standard rate of UK corporation tax. The UK government legislated to reduce the main rate of corporation tax to 17% to apply from 1 April 2020. These reductions have been reflected in the closing deferred tax asset, as they were enacted at the date of the Statement of Financial Position.

A deferred tax asset of £88k has not been recognised on the basis that there is insufficient evidence that the asset will be recoverable. The asset would be recoverable if the Company had sufficient non-trade income in the future.

**7. FIXED ASSET INVESTMENTS**

	<b>Shares in group undertakings £'000</b>
<b>COST</b>	
At 1 January 2018 and 31 December 2018	<u>84,748</u>
<b>NET BOOK VALUE</b>	
At 31 December 2018	<u>84,748</u>
At 31 December 2017	<u>84,748</u>

#### 11. RESERVES

Called up share capital - represents the nominal value of shares that have been issued.

Share premium - this reserve records the amount above the nominal value received for shares issued, less transaction costs.

Retained earnings - includes all current and prior period retained profits and losses.

#### 12. PARENT COMPANY AND ULTIMATE HOLDING COMPANY

The immediate parent company is Quillco 227 Limited, a company registered in Scotland. Gallagher & Co. a company incorporated in the United States of America, which is the ultimate parent undertaking. The registered address of Arthur J. Gallagher & CO. is 2850 W. Golf Rd., Rolling Meadows, IL 60008. A copy of these consolidated financial statements is available from the registered office of the Company.
