Private Medicine Intermediaries Limited

DIRECTORS' REPORT

The directors submit their report and the audited financial statements of Private Medicine Intermediaries Limited for the year ended 30 June 2010

PRINCIPAL ACTIVITIES

The principal activities of the company are

- Broking, consultancy and risk management for employee health insurance
- Supplying absence management software

The company has continued to develop all of these services throughout the year in order to be able to meet the changing needs of its clients

The company is regulated by the Financial Services Authority and has met all of its regulatory requirements throughout the year

REVIEW OF THE BUSINESS

The company reported a 1.6% decrease in turnover and a 0.9% increase in costs during the year. Market conditions proved to be challenging as some clients reduced their numbers of employees and, as a consequence, some schemes reduced in size. Lower rates caused interest earned to fall by £53,702 and, overall, profit before tax fell by £101,313.

The directors are satisfied with the company's performance.

RISKS AND UNCERTAINTIES

The board and management of the company manage the risks and uncertainties facing the company on a continuous basis. We consider the principal risks and uncertainties to be areas effecting FSA regulations and political changes which may have an effect on the products and services we provide.

Future risks faced by the company are price fluctuations in the market, supplier availability in respect of insurance companies and retention of certain key staff.

We believe that we have sufficient controls and procedures in place to monitor, control, and react accordingly to the risks and challenges that we face, and monitor these risks at board meetings and in the group's risk register.

FINANCIAL INSTRUMENTS

The board use management accounts and various financial reports to ensure that the following are reviewed and we are aware of any risk arising in any of the following areas:

Price - The board continually monitor the prices we set against those of our competitors. This ensures that we continue to be competitive in the market.

Credit - We have robust credit control procedures in place to ensure that all amounts due are paid promptly. We have a dedicated team who use the systems and procedures in place to diligently chase all outstanding monies and ensure that no significant bad debts occur.

Private Medicine Intermediaries Limited

DIRECTORS' REPORT

Liquidity – Due to the nature of the business in which we operate, and also prudent history of management we have minimal risk with regards to liquidity, supported by our stringent credit control procedures that we employ and also the tight management of the company cashflow. We take the appropriate action to minimise this risk.

FUTURE DEVELOPMENTS

The company will continue to offer the wide range of services we currently provide to our clients. We will also look to further develop our current product range so that we may evolve along with our customer needs and offer full solutions for their employee healthcare matters.

DIVIDENDS

The directors recommend a final dividend on the ordinary shares of £nil (2009 £1,250,000). Interim dividends of £nil (2009 £750,000) have been paid during the year.

DIRECTORS

The directors who held office during the year were as follows:

CP Baldwin
M Baldwin (appointed 30 September 2009)
RDH Munro
MI Davis
SJ Langan
RE Floyd
PM Forster
MP Blake
IC Green

POLITICAL AND CHARITABLE DONATIONS

The company has made donations of £43,820 (2009 £28,149) during the year to various registered UK charities. These donations included £23,212 (2009 £22,212) to the Duke of Edinburgh Award Scheme, £8,623 to children's charities, £5,000 to the Red Cross, £1,500 (2009 £1,400) to Barnardo's and £5,485 (2009 £4,537) to a number of other charities.

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

The directors who were in office on the date of approval of these financial statements have confirmed, as far as they are aware, that there is no relevant audit information of which the auditors are unaware. Each of the directors have confirmed that they have taken all the steps that they ought to have taken as directors in order to make themselves aware of any relevant audit information and to establish that it has been communicated to the auditor.

Private Medicine Intermediaries Limited

DIRECTORS' REPORT

AUDITORS

Baker Tilly UK Audit LLP, Chartered Accountants, were appointed auditors by the company Pursuant to section 487 of the Companies Act 2006, the auditors will be deemed to be reappointed and therefore Baker Tilly UK Audit LLP will continue in office

By order of the board

RDH Munro
Director

9 March 2011

Private Medicine Intermediaries Limited

DIRECTORS' RESPONSIBILITIES IN THE PREPARATION OF FINANCIAL STATEMENTS

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law)

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing those financial statements, the directors are required to

- a select suitable accounting policies and then apply them consistently,
- b make judgements and accounting estimates that are reasonable and prudent,
- c prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business,

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF PRIVATE MEDICINE INTERMEDIARIES LIMITED

We have audited the financial statements on pages 7 to 19. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As more fully explained in the Directors' Responsibilities Statement set out on page 5, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit

A description of the scope of an audit of financial statements is provided on the APB's website at www.frc.org.uk/apb/scope/UKNP.

Opinion on the financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 30 June 2010 and of its profit for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit.

Private Medicine Intermediaries Limited

ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements

BASIS OF ACCOUNTING

The financial statements have been prepared under the historical cost convention and in accordance with applicable accounting standards

The company is exempt from the requirement of Financial Reporting Standard (FRS) 1 to prepare a cash flow statement as it is a wholly owned subsidiary undertaking of PMI Health Group Limited and its cash flows are included within the consolidated cash flow statement of that company

GOING CONCERN

The company's business activities, together with the factors likely to affect its future development, performance and position are set out in the directors' report. The directors consider that the financial position of the company is positive with cash at the bank and a strong balance sheet. As a consequence, the directors believe that the company is well placed to manage its business risks successfully despite the current uncertain economic outlook

The directors believe that the company has adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements

RELATED PARTY TRANSACTIONS

The company has, in accordance with FRS 8, taken advantage of the exemption from reporting the transactions between the company and certain of its related parties, since all of the voting rights are controlled by the group and the consolidated financial statements in which the company are consolidated are publicly available

TANGIBLE FIXED ASSETS

Fixed assets are stated at historical cost. Depreciation is provided on all tangible fixed assets at rates calculated to write each asset down to its estimated residual value evenly over its expected useful life, as follows

Computer equipment	- 25% straight line
Motor vehicles	- 20% straight line
Fixtures, fittings and equipment	- 25% straight line

DEFERRED TAXATION

Deferred tax is recognised in respect of timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the company's taxable profits and its results as stated in the financial statements

Deferred tax assets are recognised if the directors consider the asset can be recovered with reasonable certainty

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantially enacted by the Balance Sheet date. Deferred tax is measured on a non-discounted basis

LEASED ASSETS AND OBLIGATIONS

All leases are "operating leases" and the annual rentals are charged to profit and loss on a straight line basis over the lease term

Private Medicine Intermediaries Limited

ACCOUNTING POLICIES

RETIREMENT BENEFITS

For defined contribution schemes the amount charged to the profit and loss account in respect of pension costs and other post retirement benefits is the contributions payable in the year. Differences between contributions payable in the year and contributions actually paid are shown as either accruals or prepayments in the balance sheet.

INSURANCE CREDITORS AND CASH

The company acts as agent in broking the insurable risks of clients and normally is not liable as a principal for premiums due to underwriters or for claims payable to clients. Notwithstanding the legal relationship with clients and underwriters, the company has followed generally accepted accounting practice for insurance brokers by showing creditors and cash balances relating to its insurance business as assets and liabilities of the company itself unless net settlement can be secured beyond doubt. This complies with the reporting requirements under FRS 5, where assets and liabilities may not be offset unless net settlement is enforceable.

TURNOVER

Turnover represents commissions and fees earned via insurance premium contracts. Commission and fee income is recognised at the date the policy commences. Any subsequent adjustments to policy income are recognised when confirmed.

Turnover and pre-tax profits are derived entirely from operating within the United Kingdom.
