Notes

(forming part of the financial statements)

1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules.

Cash flow statement

Under Financial Reporting Standard 1, the company is exempt from the requirements of preparing a cash flow statement on the grounds that it qualifies as a small company.

Work in Progress

Work in progress comprises the cost relating to the work done on the conferences, net of funding generated. Where the funding generated exceeds the cost of work done, the difference is included in creditors as payments on account.

Foreign currencies

Monetary assets and liabilities expressed in foreign currencies are translated into sterling at exchange rates prevailing at the end of the financial year.
