Our ref      LVN/KRB/Midland Sheetmetal/012901

Dear Sirs

**Midland Sheetmetal Limited– in administration (“the Company”)**

I refer to my last report dated 22 August 2007 and I am pleased to now provide you with my final progress report on the administration of the above Company. My intention is to exit the administration by placing the Company into creditors' voluntary liquidation.

**Statutory and Financial Information**

I enclose the following for your information:

- Appendix A      Statutory information on the administration
- Appendix B      Administrators' receipts and payments account to 29 January 2008
- Appendix C      Time cost analysis for the period from 6 February 2007 to 15 January 2008

**Assets and Creditors' Claims**

The purpose of the administration detailed in the administrators' proposals, which were approved by creditors, was to achieve a better result for the Company's creditors as a whole than would be likely if the Company were wound up (without first being in administration). I believe that this objective has been achieved.

On appointment, the administrators made the decision to continue to trade the business whilst efforts were made to secure a sale of the business as a going concern. On 20 February 2007, a going concern sale was completed and the purchaser continues to trade the business as Central Metal Manufacturing Limited.

The total consideration for the business and assets was £1,065,000 which was received on the date of sale. The purchaser also agreed to pay deferred consideration to cover any shortfall in sales compared to an agreed budget during the administration trading period and take on certain assets and leasehold property liabilities. The total deferred consideration of £32,000 has now been received.

Book debts were excluded from the sale of business. On appointment the sales ledger stood at £1.85m, to date £1.66m has been collected which has enabled Bank of Scotland Cashflow Finance ("BOSCF") to be repaid in full. The book debt surplus was subject to the Bank of Scotland's ("Bank") fixed charge in respect of its other debts.

To date £1,057,000 has been distributed to the Bank under its fixed and floating charges.

As mentioned in my previous report the Company had a subrogated claim against Dalby Holdings Limited and its other subsidiaries ("the Group") in respect of the indirect Bank debt it has paid on the Group's behalf.

On 2 October 2007, a deed of settlement was completed. The settlement agreement included the following:

1. The Group will pay the Company settlement consideration in respect of their claim totalling £125,000, plus the greater of either £25,000 or 25% of the Group's profit above budget after tax, for the year ending 31 March 2008.

To date £77,500 has been received, the remainder will be paid as follows:

	£
By 1 February 2008	17,500
By 1 March 2008	15,000
By 1 April 2008	15,000
By 30 April 2008	25,000
By 15 May 2008	Any remaining balance

2. The Group have waived their entitlement to receive payment of any dividend in the liquidation.
3. The Group will pay the Company 25% of the tax value of the tax losses utilised by the Group Companies. Monies will not be received for this element until the surrender is agreed by HM Revenue & Customs. We anticipate a realisation of £88,000 based on current calculations.

## **Administrators' Fees**

I attach as Appendix C an analysis of the administrators' time costs which total £322,309 for the period from 6 February 2007 to 15 January 2007. Against these costs the administrators have drawn fees totalling £219,000 in accordance with the authority provided at the meeting of creditors and the secured creditor.

## **Exit from the Administration**

As I have fulfilled the purpose of the administration, in accordance with Paragraph 83(1) of Schedule B1 of the Insolvency Act 1986, the administration will end upon the registration of Form 2.34B and this final progress report by the Registrar of Companies.

My colleague, Matthew Hammond and I will contact you in our capacity as joint liquidators in the near future to ensure the claims process is dealt with as quickly as possible.

Should you have any queries, please do not hesitate to contact my colleague Lucy Norfolk on  
0113 289 4841

Yours faithfully  
For and on behalf of the Company

S D Maddison  
Joint Administrator

Enclosure    Statutory information
