Bullshirt Ltd ("the Company") Creditors' Voluntary Liquidation ("CVL")
Registered number: 06804650
Joint Liquidators' Progress Report for the period from 20 July 2017 to 19 July 2018

Helen Whitehouse and I, of McAlister & Co Insolvency Practitioners Limited, are the Joint Liquidators of the Company and this is our first progress report concerning the liquidation of the Company.

Key highlights of this report

A summary of the key information contained within this report is as follows:

- Assets realised total £2,413 (excluding VAT recovered in the liquidation).
- Liquidators' remuneration was approved by creditors on a fixed fee basis of £10,000 at the virtual meeting which took place on 20 July 2017. No fees have been drawn to date.
- It is not expected that there will be a distribution to creditors in this matter.

Appendices

The following appendices are attached which should be read in conjunction with this report:

Appendix 1	Statutory Information
Appendix 2	Receipts and Payment Account (Receipts and Payments are shown net of VAT)
Appendix 3	SIP 9 report of Liquidator's Time Costs
Appendix 4	Summary of Joint Liquidators Activities
Appendix 5	Category 1 and 2 Disbursements

Progress and asset realisations during the period

During the liquidation, we have realised the following Company assets:

Cash at Bank

A claim has been submitted by the bank in respect of an overdrawn bank balance and as such there were no sums to claim for the estate.

Machinery & Business Assets

Gavels Auctioneers were instructed to uplift the assets for sale at public auction. The sum of £2,413 was received for the sale of the items.

Book Debts

The statement of affairs stated book debts of £5,000. Further information has been sought from the director to assist in pursuing a recovery however the director has failed to respond and as such we have been unable to pursue these sums.

Landlord Bond

The landlord held a bond in respect of the lease which was disclaimed on 24 July 2017. A claim has been submitted by the landlord in the liquidation however it is unclear whether this is after having taken into account the bond held. Further enquiries are being made with the landlords agents to confirm the position.

Bank Interest

The liquidation funds are being held in an interest bearing account. To date interest of 2p has been received.

Investigations

A Liquidator is required to carry out work which complies with the requirements of the Company Directors Disqualification Act 1986. Whilst this work may not necessarily bring about any financial benefit to the creditors (unless potential recoveries are identified) we must carry it out.

In accordance with Statement of Insolvency Practice 2 - Investigations by Officeholders in Administration and Insolvent Liquidations, we have conducted an initial review of the Company's records and completed the online questionnaire regarding the conduct of the Directors to the Department for Business, Energy and Industrial Strategy (DBEIS), as provided by them. The submission and the outcome thereof is confidential and cannot be disclosed to you in this report.

Our investigations did not reveal any potential recoveries for the benefit of the creditors.

Liquidation Costs

The basis of the Joint Liquidators remuneration was considered and approved on a fixed fee basis of £10,000 by creditors' on 20 July 2017.

Pre Appointment Costs

This firm's fee in relation to assistance provided with the preparation of the director's Statement of Affairs, and placing the Company in liquidation, was fixed at £5,000.00 plus VAT and disbursements.

This fee has been part paid, as detailed within the receipts and payments account.

The balance shall be drawn as and when realisations allow

Statement re 3rd Parties

I can confirm that no payment was made to another party for their assistance in preparing the Statement of Affairs, or in regard to the liquidation generally.

Liquidators' Remuneration

Numerous activities have been undertaken by ourselves and our staff in dealing with the liquidation. A number of tasks are generic to every liquidation and a summarised list of these activities is attached in the Appendices for your information.

Details of our remuneration are set out below. You may also find it useful to read "A guide to Liquidators' fees" which can be downloaded from The R3 website at <https://www.r3.org.uk/what-we-do/publications/professional/statements-of-insolvency-practice/e-and-w/sip-9-list>. Kindly ensure that you download the correct version for the date of appointment.

Alternatively please contact our office and we will arrange for a hard copy to be sent to you if you would prefer.

Time costs accrued to date total £3,867.25, which is calculated as 15.60 hours with an average hourly rate of £247.90 per hour.

I can confirm that due to insufficient realisations, no post appointment fee has been drawn to date.

Future Remuneration

It is anticipated that further time costs shall accrue during the course of the liquidation in relation to the following:

- Continuing to maintain records for the company and reporting to creditors
- Filing of tax returns and reports to Companies House etc
- Confirming whether any recovery may be made in respect of the landlord bond
- Closing the case

Disbursements

A detailed explanation of category 1 and category 2 disbursements, together with the approved rates for category 2 disbursements, is set out in the Appendices.

Category 1 disbursements are those that are directly attributable to a third party invoice.

Category 2 disbursements are those that are based upon an estimate or an internally set rate in accordance with the schedule previously provided. The category disbursements incurred and paid are set out in the Appendices.

Professional Advisors

The following advisors have been engaged by us during the course of the liquidation to provide the appropriate assistance.

Firm	Description of assignment	Fee basis
Gavel Auctioneers	Uplift and disposal of assets	Percentage

The use of professional advisors was necessary as either the task required a specialised skill set or it was economical to engage a third party. Advisors were chosen based upon their experience and abilities suitable for nature of the assignment.

Creditors

Secured creditors

There are no charges against the company registered at Companies House.

Preferential creditors

Claims for arrears of pay and holiday pay have been made with the Redundancy Service. They have subsequently submitted a preferential claim for £2,674.97 in the liquidation (and a further claim of £10,150.69 as an unsecured creditor).

It is not anticipated that there shall be sufficient realisations to enable a distribution to the preferential creditors in this matter.

Prescribed part for the unsecured creditors s176A Insolvency Act 1986

Section 176A of the 1986 Insolvency Act provides that where the Company has created a floating charge on or after 15 September 2003 the Liquidator must calculate and make a 'prescribed part' of the Company's net property available for the unsecured creditors ahead of any distribution to the floating charge holder.

To the best of our knowledge and belief there are no unsatisfied floating charges created on or after 15 September 2003; so the provisions of s176A do not apply.

Unsecured creditors

The Statement of Affairs estimated unsecured creditor claims of £117,827.46. To date claims totalling £95,352.56 have been received.

It is not anticipated that there shall be sufficient realisations to enable a distribution to the unsecured creditors in this matter.

Unproved creditors

Creditors that have not yet claimed are encouraged to do so.

Small claim scheme

From April 2016, I have had the discretion to admit claims from creditors under £1,000 without receiving a proof of debt.

I can confirm that no claims have been admitted under the small claims provisions.

Distribution prospects

According to the respective Insolvency Rules I can confirm that as a consequence of the monies available in the Company's estate, there shall be no distribution to creditors in this matter.

Creditors' further information

If you require any further information with regard to any aspect of this report or our fees and expenses, please do not hesitate to contact this office and we shall do our best to assist you.

Any request must be made in writing within 21 days of receipt of the report (or 7 business days where the report has been prepared for the purposes of a meeting to receive my resignation).

I must provide this information within 14 days of the request, unless it is considered that:

- the time and cost involved in preparing the information would be excessive;
- disclosure would be prejudicial to the conduct of the liquidation or might be expected to lead to violence against any person; or
- I am subject to an obligation of confidentiality in relation to the information requested, in which case I must give the reasons for not providing the information.

If you are not satisfied with my response, you have the right to request further information by either:

- an application granting permission by the court; or
- by any secured creditor, or by any unsecured creditor provided at least 10% in value of unsecured creditors agree, (or they have the permission of the court).

Any such application to court must be made within 8 weeks of the applicant receiving the progress report in which the charging of the remuneration or incurring of the expenses in question is first reported.

If the court does not dismiss the application (which it may if it considers that insufficient cause is shown) the applicant must give me a copy of the application and supporting evidence at least 14 days before the hearing.

Conclusion

The case is not yet in a position to be closed for the reasons detailed.

Should you require any further information regarding the liquidation, please contact this office and we will be happy to assist as appropriate.

Category 1 and 2 Disbursements

Disbursements are categorised as either Category 1 or Category 2.

Category 1

Category 1 disbursements are clearly identifiable third party costs that are directly attributable to the case. Occasionally these disbursements are paid by McAlister & Co Insolvency Practitioners Limited and then recharged to the case, usually when there are insufficient funds within the case to pay the disbursement at the time it falls due. Specific approval from creditors is not required for Category 1 disbursements.

Typical examples of Category 1 disbursements are:

- Postage
- Advertising
- Insurance
- Travel costs
- External room hire
- Document storage

The current levels of Category 1 disbursements incurred and recovered by McAlister & Co Insolvency Practitioners Limited are as follows:

	Cost Incurred	Cost Recovered
	£	£
Postage	9.88	9.88
Searches	5.50	3.00
Statutory Advertising	0.00	0.00
Bonding	80.00	80.00
Total	95.30	92.80

Category 2

Category 2 disbursements are estimated or shared costs which may include some internal recharges from McAlister & Co Insolvency Practitioners Limited. It is likely that it is not possible, or too costly, to calculate the exact cost and an estimate is therefore used. These disbursements can be paid from the case if the basis of the charge has been approved by creditors.

Typical examples of Category 2 disbursements are:

- Photocopying
- Internal room hire
- Stationery

The current levels of Category 2 disbursements incurred and recovered by McAlister & Co Insolvency Practitioners Limited are as follows:

	Cost Incurred	Cost Recovered
	£	£
Photocopying	31.20	31.20
