Finance for the Future LLP
Member's Report
For the Year Ended 31 March 2020

The members present their report and the financial statements for the year ended 31 March 2020.

Statement of Member's Responsibilities

The members are responsible for preparing the financial statements in accordance with applicable law and regulations. Company law as applied to limited liability partnerships by the Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008 requires the members to prepare financial statements for each financial year. Under that law the members have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law as applied to Limited Liability Partnerships the members must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the LLP and of the profit or loss for that period. In preparing the financial statements the members are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the LLP will continue in business.

The members are responsible for keeping adequate accounting records that are sufficient to show and explain the LLP's transactions and disclose with reasonable accuracy at any time the financial position of the LLP and enable them to ensure that the financial statements comply with the Companies Act 2006 as modified by the Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008. They are also responsible for safeguarding the assets of the LLP and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Principal Activity

The LLP's principal activity continues to be the promotion of activities related to the Green New Deal within the United Kingdom.

Review of Business

The LLP commenced activities during 2011 when it received two charitable grants that permitted it to promote The Green New Deal and the use of local authority bonds as a mechanism for funding green energy in towns and cities in the UK.

The partnership has had no fee or other income or expenditure after March 2012 until the current year when a grant application to support work on the Green New Deal was made to the Polden-Puckham Charitable Foundation. That grant application was successful. The LLP paid Colin Hines to undertake the work required to meet the conditions of this grant.

Fair Tax Policy

A Limited Liability Partnership is not taxable in its own right. The members of the LLP have undertaken no tax arrangements that make use tax havens or might require disclosure to HM Revenue & Customs as a tax avoidance arrangement or that might fall foul of the UK's General Anti-Abuse Rule.

Future Developments

The LLP has secured two further grants to support work on the Green New Deal since the year end date.
