## **Strategic report**

The Directors present their strategic report on the affairs of Finstop Limited (“the Company”) for the year ended 31 December 2017.

### **Overview of Group**

The Company is a direct subsidiary of FCC Environment (UK) Limited (“FCC E UK”) and its ultimate parent is Fomento de Construcciones y Contratas, S.A. (“FCC”). FCC is a significant multi-national business listed on the Madrid stock exchange with operations in Europe, America, Africa and the Middle East. FCC’s principal activities cover Environmental Services (including water and waste management), Construction, Cement and Infrastructure.

FCC’s financial capacity and depth of experience in the European waste infrastructure sector is backed by over 100 years of experience in operating municipal services contracts. This complements both the position of the Company and its 43 subsidiaries (together the “Group” or “FCC E UK”) as a leading waste management, recycling and renewable energy business, and the Group’s ambition to maintain its position as a significant player in establishing the next generation of waste treatment infrastructure in the UK. The core services provided by the Group are fully aligned with FCC’s strategic growth plans and it is ideally placed to take advantage of local opportunities to provide the services and infrastructure required by the UK to meet existing legislative framework and emerging proposals to create a circular economy by recognising the true value of the materials we handle. The Board continues to look forward to the opportunities that are presented to the Group and its employees by virtue of FCC’s plans to expand and embed its operations in the UK.

The Board’s strategy is to “Own the Waste” where possible and to maximise the value of resource, produce renewable energy and to provide 360 degree solutions to its customers. The Board sees the development of major waste infrastructure to support sustainable waste management and strategic long term partnerships as key to the Group’s future business growth. It anticipates continuous activity and deployment of Group resources into recycling facilities, renewable energy projects, the development of innovative waste treatment solutions and the provision of regional waste management services and facilities. The Board remains of the view that Energy from Waste (“EfW”) will be a key component of the UK’s waste and resource strategy and, in combination with other treatment, recycling and recovery operations, backed up by landfill disposal for residues, is a strategy that represents a long term sustainable solution for meeting the Group’s clients’ diversion targets and to reduce our carbon footprint.

### **Principal activities**

The principal activity of the Company during the year ended 31 December 2017 was that of an investment holding company. The only transactions in the year related to a debt to equity conversion process undertaken by the Company in relation to certain intercompany balances.

### **Results, dividends and key performance indicators**

The results for the year ended 31 December 2017 are set out on page 11. The result for the financial year ended 31 December 2017 amounted to £nil (2016: £nil). The Company did not pay an interim dividend during the year (2016: £nil) and furthermore, the Directors do not recommend the payment of a final dividend (2016: £nil). The results for the financial years ended 31 December 2017 and 31 December 2016 caused no movement in reserves, resulting in no movement in total equity in both years.

FCC E UK manages its operations on a divisional basis and information regarding key performance indicators is included within the FCC E UK annual report. For this reason, the Company’s Directors believe that the disclosure of further financial and non-financial key performance indicators for the Company is not appropriate for an understanding of the development, performance or position of the business. Copies of the FCC E UK annual report can be obtained from the address in note 12.

# Finstop Limited

## Strategic report

### Future developments

The waste industry continues to be under a rapidly changing and complex environment, due to the prevailing budgetary conditions of the municipal sector and the need to satisfy growing demand for more sophisticated services. The Directors continue to focus the Group's strategy on leveraging value from its existing assets and ensuring that it offers best value, quality services through sustainable waste management for both the municipal and commercial sectors whilst continuing to reduce costs.

The Group will also continue to pursue its stated strategy of owning the waste, maximising the value of resource and the investment in alternative waste treatment infrastructure and energy recovery technology as set out in the Overview of Group.

### Principal risks and uncertainties

Operating in the UK's highly regulated waste management market presents numerous risks and uncertainties to the Group. The Directors regard the following to be the principal risks and uncertainties affecting the Group and their approach to managing these risks and uncertainties is considered below:

- **Environmental risks:** The Group's environmental risks are tightly controlled under environmental legislation enforced principally by the Environment Agency ("EA"), Scottish Environment Protection Agency ("SEPA") and Natural Resources Wales ("NRW"). Compliance with all environmental legislation pertinent to the Group's activities is a minimum requirement. A dedicated in-house team prepare regular reports on environmental compliance at the Group's sites for the Director's review. Environmental objectives are reviewed annually and highlighted within the Group's Safety Health Environment and Quality (SHEQ) Policy Statement. In addition to this there are detailed environmental procedures to enable compliance with environmental legislation.
- **Health and safety:** Health and safety is a key issue for the Group due to the nature of its operations, including the use of heavy plant equipment and difficult working conditions. The Group is continually improving in this area as a result of ongoing consultation with the relevant authorities and the monitoring of best practice initiatives. Whenever an area is highlighted for improvement, the Group seeks to implement such improvement expeditiously; through bulletins, on-line training courses and tool-box briefings. The Group's Incident Review Panel meets quarterly, at which senior management review significant health and safety incidents that have occurred at Group sites to identify improvements and lessons for the business. All employees undertake a rigorous health and safety training programme, which is underpinned by the latest UK legislation, detailed policies and procedures. The Group's executive management receive regular, detailed reports on health and safety performance affecting the Group's operations and it employs a dedicated team, led by the Group Safety, Health, Environment and Quality Manager, to monitor and promote high standards. All employees are expected to recognise their role in achieving acceptable standards of health and safety and to exhibit such understanding through their approach and attitude to work.
- **Business continuity:** The Group, as part of its risk management programme, has developed business continuity planning for its operations. As part of this planning the Group has developed a bespoke emergency plan for each operational facility (including the diversion of waste from single or multiple sites in the event of major disruption or disaster affecting a site or region). The Group's IT systems are outsourced to a specialist IT services company and are covered by an IT disaster recovery plan, to ensure business continuity.
- **Legislation:** The Group monitors forthcoming and current legislation to ensure full compliance and to anticipate and assess the impact upon its operations, including the significant opportunities it can present. The waste management industry is subject to extensive government regulation which has a substantial impact on the Group's business, FCC E UK therefore actively lobbies for its interests at European, national and regional levels through trade associations and federations.
- **Economic:** The Group has exposure to reduced economic activity, and in the current year has seen waste volumes reduce where lower economic output has been a factor. The Group's strategy is focused on growing through recycling and EfW where margins are generally higher than traditional landfill.

# **Finstop Limited**

## **Strategic report**

### **Principal risks and uncertainties (continued)**

- **Litigation:** The Group is subject to litigation from time to time. The outcome of legal action is always uncertain and there is a risk that it may prove more costly and time consuming than expected. There is also a risk that litigation could be instigated in the future that could materially impact the Group. In some liability cases legal expenses are covered by the Group's liability insurance. This risk is mitigated through continued monitoring and employing an experienced and dedicated in-house legal team.
- **Competitive risk:** The Group operates in highly competitive markets in which competitors' service offerings may react faster to legislative and market dynamics than those of the Group. To mitigate this risk the Group ensures that its asset, cost and capital base is regularly reviewed and flexed to meet changes in customers' demands and to maximise cash generation.
- **Employees:** The loss of key employees or the inability to hire experienced management personnel could have a materially adverse effect on the business. To manage this risk, succession planning for senior positions within the Group is undertaken. In addition, the Group has the benefit of being able to draw on wider resources from within the FCC Group.
- **Technology:** The Group relies on a variety of information technology platforms for the efficient delivery of its services and has therefore employed a structured IT support team, using internal and external resources. In addition, as there are a wide variety of technologies available to the waste management industry, there is a risk that the technologies employed by the Group might fail to deliver expected performance levels or end products for its customers and so the Group has made a significant investment into establishing a dedicated technical and development team. This team review and assess the available technologies before any are adopted to ensure they will meet the needs of the business and those of its customers.

### **Financial risk management**

The Company is exposed to financial risk through its financial assets and liabilities. The most important components of financial risk are interest rate risk, credit risk and liquidity risk. Due to the nature of the Company's activities and the assets contained within the Company's balance sheet, the only financial risks the Directors consider relevant to the Company are credit and liquidity risk.

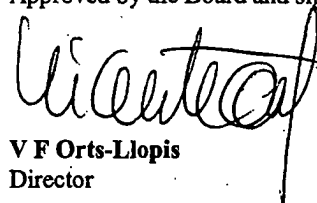

#### **Credit and liquidity risk**

The Company's exposure to credit and liquidity risk is reduced as it is a wholly owned subsidiary of FCC E UK and participates in a cash-pooling agreement with the other members of the Group. Credit risk arises from the risk of having credit exposures to customers, including outstanding receivables. The Company's only debtor balances are with other members of the Group, so credit risk is low. Liquidity risk is the risk that the Company does not have sufficient cash resources to meet its commitments. The Company prepares and reviews cash flow forecasts frequently to ensure that it has sufficient resources to meet its cash flow commitments.

#### **Going concern**

The Directors, having assessed the responses of their enquiries to the direct parent company FCC E UK, have reviewed projected cash flows and continue to adopt the going concern basis in preparing the annual report and financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies in the financial statements.

Approved by the Board and signed on its behalf by:

V F Orts-Llopis  
Director

21-September 2018

# **Finstop Limited**

## **Directors' report**

The Directors present their annual report and the audited financial statements of the Company for the year ended 31 December 2017. Information on the Company's going concern status, financial risk management policies and dividends are disclosed in the strategic report.

### **Directors**

The following individuals served as Directors of the Company during the year ended 31 December 2017 and up to the date of this report:

P Taylor  
V F Orts-Llopis  
A Serrano Minchan

### **Directors' indemnities**

During the financial year, qualifying third party indemnity provisions for the benefit of all Directors of the Company were in force and continue to be in force at the date of this report. Such provisions were made by FCC.

### **Future developments**

The future developments of the Company are considered in detail in the Strategic report on page 2.

### **Employees**

The professionalism and commitment shown by the Group's employees over the last year continues to be a major contribution to its operations. The Board would like to thank all employees for their hard work, dedication and loyalty during the year.

FCC E UK is committed to ensuring that its policies and practices reflect human resource best practice. The Group's policy of equal opportunity gives all employees the same chance to succeed, irrespective of age, race, nationality, ethnic origin, disability, membership of a trade union, sex or marital status. The Group has a structured training and development programme and is fully committed to ensuring that all employees have the necessary skills and knowledge to do their jobs effectively. Subject to the nature of its businesses in the waste management industry, the policy of the Group is to ensure that there are fair opportunities for the employment, career development and training of disabled persons.

The Directors recognise the importance of communication with employees and members of the executive management team regularly visit sites and discuss matters of current interest and concern to the business with staff. In addition, the executive management regularly report on the Group's successes and performance to the entire Group via a monthly brief delivered by local management and announcements on the Group Intranet. An in-house magazine is also published on a regular basis.

In 2017 the Company undertook a major workplace wellbeing programme which will continue indefinitely. This included taking part in specific national health campaign weeks, in-house campaigns and monthly workplace wellbeing bulletins.

The Board is dedicated to maintaining the highest standards of honesty, openness and accountability and recognise that employees have an important part to play in achieving this goal. All employees are encouraged to report any concerns they may have over wrongdoing at work via the Group's internal reporting system. In addition, FCC E UK has engaged an independent confidential reporting (whistleblowing) service that employees can access should they feel uncomfortable in approaching management.

Training continues to be a high priority for the Group and it recognises that it is vital that its employees have the relevant skills to take up the new and exciting roles that are being created as the industry, and therefore the business, evolves.

# **Finstop Limited**

## **Directors' report**

### **Directors' responsibilities statement**

The Directors are responsible for preparing the Annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including FRS 101 "Reduced Disclosure Framework".

Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### **Auditor**

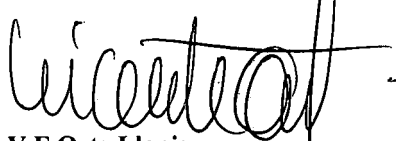

Each of the persons who is a director at the date of approval of this report confirms that:

- so far as the Directors are aware, there is no relevant audit information of which the Company's auditor is unaware; and
- the Directors have taken all the steps that they ought to have taken as directors in order to make themselves aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

Pursuant to section 487 of the Act, the auditor will be deemed to be reappointed annually by the Company and Deloitte LLP will therefore continue in office until further notice.

Approved by the Board and signed on its behalf by:

**V F Orts-Llopis**  
Director

21-September 2018

# **Finstop Limited**

## **Independent auditor's report to the members of Finstop Limited**

### **Report on the audit of the financial statements**

#### **Opinion**

In our opinion the financial statements of Finstop Limited (the 'company'):

- give a true and fair view of the state of the company's affairs as at 31 December 2017 and of its result for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 101 "Reduced Disclosure Framework"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements of the company which comprise:

- the balance sheet;
- the statement of changes in equity;
- the related notes 1 to 12.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 101 "Reduced Disclosure Framework" (United Kingdom Generally Accepted Accounting Practice).

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs(UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the Financial Reporting Council's (the 'FRC's') Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Conclusions relating to going concern**

We are required by ISAs (UK) to report in respect of the following matters where:

- the directors' use of the going concern basis of accounting in preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

We have nothing to report in respect of these matters.

# **Finstop Limited**

## **Independent auditor's report to the members of Finstop Limited**

### **Other information**

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in respect of these matters.

### **Responsibilities of directors**

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

### **Use of our report**

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

# **Finstop Limited**

## **Independent auditor's report to the members of Finstop Limited**

### **Report on other legal and regulatory requirements**

#### **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the strategic report or the directors' report.

#### **Matters on which we are required to report by exception**

Under the Companies Act 2006 we are required to report in respect of the following matters if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in respect of these matters.

Makhani Chahal (Senior statutory auditor)  
For and on behalf of Deloitte LLP  
Statutory Auditor  
London, United Kingdom

# Finstop Limited

## Notes to the financial statements For the year ended 31 December 2017

### 1. Corporate information

Finstop Limited is a private company limited by shares incorporated in the United Kingdom under the Companies Act 2006, registered in England and Wales. The address of the registered office is given on page 1. The nature of the Company's operations and its principal activities are set out in the Strategic report.

### 2. Accounting policies

The principal accounting policies are summarised below. They have all been applied consistently throughout the year and to the preceding year.

#### General information and basis of accounting

The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework (FRS 101) issued by the Financial Reporting Council.

The functional and presentational currency of Finstop Limited is considered to be pounds sterling because that is the currency of the primary economic environment in which the Company operates.

#### Exemptions for qualifying entities under FRS 101

The Company has taken advantage of the following disclosure exemptions under FRS 101:

- (a) The requirements of paragraphs 45(b) and 46 to 52 of IFRS 2 *Share-based Payment*
- (b) The requirements of paragraphs 62, B64(d), B64(e), B64(g), B64(h), B64(j) to B64(m), B64(n)(ii), B64(o)(ii), B64(p), B64(q)(ii), B66 and B67 of IFRS 3 *Business Combinations*
- (c) The requirements of IFRS 7 *Financial Instruments: Disclosures*
- (d) The requirements of paragraphs 91 to 99 of IFRS 13 *Fair Value Measurement*
- (e) The requirement in paragraph 38 of IAS 1 *Presentation of Financial Statements* to present comparative information in respect of:
  - i. paragraph 79(a)(iv) of IAS 1;
  - ii. paragraph 73(e) of IAS 16 *Property, Plant and Equipment*;
  - iii. paragraph 118(e) of IAS 38 *Intangible Assets*;
- (f) The requirements of paragraphs 10(d), 10(f), 16, 38A, 38B, 38C, 38D, 40A, 40B, 40C, 40D, 111 and 134 to 136 of IAS 1 *Presentation of Financial Statements*
- (g) The requirements of IAS 7 *Statement of Cash Flows*
- (h) The requirements of paragraphs 30 and 31 of IAS 8 *Accounting Policies, Changes in Accounting Estimates and Errors*
- (i) The requirements of paragraph 17 of IAS 24 *Related Party Disclosures*
- (j) The requirements in IAS 24 *Related Party Disclosures* to disclose related party transactions entered into between two or more members of a group, provided that any subsidiary which is a party to the transaction is wholly owned by such a member
- (k) The requirements of paragraphs 134(d) to 134(f) and 135(c) to 135(e) of IAS 36 *Impairment of Assets*

Where relevant, equivalent disclosures have been given in the consolidated FCC E UK group accounts, copies of which are available from Ground Floor West, 900 Pavilion Drive, Northampton Business Park, Northampton, NN4 7RG.

# **Finstop Limited**

## **Notes to the financial statements For the year ended 31 December 2017**

### **2. Accounting policies (continued)**

#### **Amendments to IFRSs that are mandatorily effective for the current year**

In the current year, the Group has applied a number of amendments to IFRSs issued by the International Accounting Standards Board (IASB) that are mandatorily effective for an accounting period that begins on or after 1 January 2017. Their adoption has not had any material impact on the disclosures or on the amounts reported in these financial statements.

- Amendments to IAS 7 (January 2016) – Disclosure initiative
- Amendments to IAS 12 (January 2016) – Recognition of deferred tax for unrealised losses
- Annual Improvements to IFRSs 2014 - 2016 Cycle (December 2016) (IFRS 12 Amendments)

#### **New international accounting standards and interpretations not yet adopted**

At the date of authorisation of these financial statements, the following new or amended IFRS accounting standards and interpretations, which have not yet been adopted by the Group, were in issue but not yet effective (and in some cases had not yet been adopted by the EU):

- IFRS 9 – Financial Instruments
- IFRS 15 – Revenue from Contracts with Customers
- IFRS 16 – Leases
- IFRIC 22 – Foreign Currency Transactions and Advance Consideration
- IFRIC 23 – Uncertainty Over Income Tax Treatments
- Annual Improvements to IFRSs 2014 - 2016 Cycle (December 2016) (IFRS 1 and IAS 28 Amendments)
- Annual Improvements to IFRSs 2015-2017 Cycle (December 2017)
- Amendments to IFRS 10 and IAS 28 (September 2014) – Sale or contribution of assets between an investor and its associate or joint venture
- Amendments to IAS 28 (October 2017) – Long term interests in associates and joint ventures
- Amendments to IAS 19 (February 2018) – Plan amendment, curtailment and settlement

The Directors do not expect that the adoption of the aforementioned standards and interpretations will have a material impact on the financial statements of the Company in future periods.

#### **Going concern**

The financial statements have been prepared on a going concern basis. The Directors believe the going concern basis to be appropriate because the Company's balance sheet contains only investments in subsidiary undertakings and intercompany balances. Further, all of the Company's liabilities are classified as non-current. The Company has had no transactions in the year and the Directors neither expect it to trade nor for there to be any cash flows in the foreseeable future.

#### **Consolidation**

The Company has claimed exemption from the preparation of consolidated financial statements under section 400 of the Companies Act 2006 as it is a subsidiary of a group which has prepared consolidated financial statements. Accordingly, these financial statements present information about the Company and not the group.

#### **Investments**

In the Company balance sheet, investments including investments in associates are measured at cost less impairment.

# **Finstop Limited**

## **Notes to the financial statements For the year ended 31 December 2017**

### **3. Critical accounting judgements and key sources of estimation uncertainty**

In the application of the Company's accounting policies, which are described in note 2, the Directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

- Fixed asset investments – Fixed asset investments are tested for impairment on a value in use basis using business valuations of the subsidiaries, where available, or the Directors' current estimate of the medium-term forecasts. The value in use calculations require the entity to estimate the future cash flows expected to arise from the investments and suitable discount rates in order to calculate present values. Actual future cash flows could vary from those estimated. Factors such as closure of facilities and declining volumes could result in lower expected future cash flows or impairment. Management review and update the discount rates used annually. The discount rates used may also have an impact on the estimation of future cash flows.

### **4. Profit and loss account**

No profit and loss account is presented with these financial statements because the Company has not received income, incurred expenditure or recognised any gains or losses during either the year ended 31 December 2017 or the previous financial year.

### **5. Information regarding Directors and employees**

None of the Directors received any remuneration or other benefits through the Company during the year ended 31 December 2017 or the previous financial year.

They are all remunerated as directors or employees of FCC E UK for services to the Group as a whole and as such it is not possible to directly attribute any element of their remuneration to services as a director of this Company. The Directors received total remuneration of £637,000 for services to the Group as a whole in the year ended 31 December 2017 (2016: £578,000). Certain Directors were remunerated by fellow subsidiary companies of FCC without recharge to the Group.

The company had no employees during the current or previous financial year.

#### *Profit and loss account*

Profit and loss account comprises cumulative profits or losses, including unrealised profits or losses recognised in the statement of comprehensive income and expense.

### 10. Contingent liabilities

- (a) The Company is a member of a group VAT registration and as such has contingent liabilities for VAT in respect of other members of the Group.
- (b) On 22 January 2014, the Company was a party to the refinancing of Azincourt Investment S.L. ("Azincourt") and its subsidiary companies. Azincourt was the company used by Fomento de Construcciones y Contratas, S.A. for the acquisition of the Group and its subsidiary undertakings including the Company. Under the re-financing, the Group has granted legal mortgages (or the relevant Scottish equivalent) over specified real property, fixed charges over certain assets, fixed charges or share pledges over investments in addition to assigning certain of its insurance policies and interests in hedging arrangements. The Group has granted floating charges over all present and future undertakings not already charged pursuant to any of the above. Additionally, the Group has granted fixed and floating charges over certain assets as security under an Asset Backed Lending Facility.

### 11. Related party transactions

The cost of the annual return fee was borne by FCC Recycling (UK) Limited, a fellow subsidiary undertaking of FCC E UK.

The Directors regard all subsidiaries of FCC as related parties. In the ordinary course of business, the Company has traded with fellow subsidiaries of FCC.

Under FRS 101, the company is exempt from disclosing related party transactions with other wholly owned subsidiaries of FCC.

### 12. Controlling party

The immediate parent of the Company is FCC Environment (UK) Limited, a company registered in England and Wales.

The Directors regard Fomento de Construcciones y Contratas, S.A., a company registered in Spain, as the ultimate parent company and controlling party.

Fomento de Construcciones y Contratas, S.A. is the parent company of the largest group of which the Company is a member and for which group financial statements are drawn up. FCC Environment (UK) Limited is the parent company of the smallest group of which the Company is a member and for which group financial statements are drawn up. Copies of the financial statements of both FCC Environment (UK) Limited and Fomento de Construcciones y Contratas, S.A. are available from the Company Secretary, Ground Floor West, 900 Pavilion Drive, Northampton Business Park, Northampton, NN4 7RG.
