This template illustrates what the Regulator of Community Interest Companies considers to be best practice for completing a simplified community interest company report. All such reports must be delivered in accordance with section 34 of the Companies (Audit, Investigations and Community Enterprise) Act 2004 and contain the information required by Part 7 of the Community Interest Company Regulations 2005. For further guidance see chapter 8 of the Regulator's guidance notes and the alternate example provided for a more complex company with more detailed notes.

PART 1 - GENERAL DESCRIPTION OF THE COMPANY'S ACTIVITIES AND IMPACT

In the space provided below, please insert a general account of the company's activities in the financial year to which the report relates, including a fair and accurate description of how they have benefited the community, or section of the community, which the company is intended to serve.

We worked with five prisons, nine schools and ten community projects. We showed our beneficiaries how to build food producing and wildlife friendly gardens. We also demonstrated how to prepare and cook freshly grown crops to provide cheap and nutritious meals. We believe that our work improves the wellbeing and employability of prisoners, the health of children and reduces social isolation in some of the area's most deprived communities.

The *benefit to the community* was evidenced by:

Prisoners who receive the type of support described above are more able to cope successfully with the transition to independent living on release, and less likely to reoffend. In addition, staff morale has benefitted at prisons where we have worked. Children who are involved in growing food are more likely to want to eat fresh produce and have a healthier diet.

Community Kitchen and Wildlife Gardens create opportunities to improve social cohesion, reduce isolation and promote healthy lifestyles

(If applicable, please just state "A social audit report covering these points is attached").

(Please continue on separate continuation sheet if necessary.)

PART 2 – CONSULTATION WITH STAKEHOLDERS – Please indicate who the company's stakeholders are; how the stakeholders have been consulted and what action, if any, has the company taken in response to feedback from its consultations? If there has been no consultation, this should be made clear.

Our stakeholders include school communities (children, teachers, parents, carers), prison communities (serving prisoners, prison staff, families of prisoners) and wider local communities who benefit from the company's activities. We also do some work in commercial and private gardens settings. All stakeholders are invited to feed in their ideas at the initial planning stage. We adapt what we grow, how we use fresh produce and how we design the gardens to take into account the educational and therapeutic requirements expressed by individuals and the wider community. All of our work is tailored to meet the expressed aspirations of our stakeholders.

PART 3 – DIRECTORS' REMUNERATION – if you have provided full details in your accounts you need not reproduce it here. Please clearly identify the information within the accounts and confirm that, "There were no other transactions or arrangements in connection with the remuneration of directors, or compensation for director's loss of office, which require to be disclosed" (See example with full notes). If no remuneration was received you must state that "no remuneration was received" below.

All remuneration paid to directors has been disclosed in full in the statutory accounts and there were no other transactions or arrangements in connection with the remuneration of directors, or compensation for director's loss of office, which require to be disclosed

PART 4 – TRANSFERS OF ASSETS OTHER THAN FOR FULL CONSIDERATION – Please insert full details of any transfers of assets other than for full consideration e.g. Donations outside bodies. If this does not apply you must state that "no transfer of assets other than for full consideration has been made" below.
