The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the Charity's Articles of Association, the Companies Act 2006, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2015).

Structure, governance and management

The Publishing Qualifications Board is a company limited by guarantee. It is a Registered Charity whose objects are the promotion and furtherance of commercial education in the field of book publishing, writing and the information industries.

The Publishing Training Centre Foundation, a company limited by guarantee (Company No. 1253854) and also a Registered Charity (Registered Charity No. 1083081), is the sole member of the Publishing Qualifications Board.

The Trustees, who are also the Directors for the purpose of company law, and who served during the year, were:

None of the Trustees have any beneficial interest in the company.

The members undertake to contribute a maximum of £1 in the event of a winding up.

The day-to-day management is delegated to the Chief Executive, who on a monthly basis provides detailed financial and operational information to the Trustees.

New Trustees are briefed by the Chief Executive and are given full information on the history of the Charity, Articles of Association, the business plan and recent financial performance of the Charity.

Under the Articles of Association of the Board, the Publishing Training Centre Foundation, which is also a Registered Charity (Charity no: 1083081), is the sole member of the Charity. Membership of the Charity is not transferable

The number of Trustees shall be no less than five and no more than twelve. The board normally meets quarterly.

Trustees are elected by the members or co-opted by the Trustees. When considering co-opting Trustees, the Board has regard to the requirement for any specialist skills needed.

Publishing Qualifications Board

Trustees' Report (Continued) For the year ended 31 December 2018

The powers of the Trustees to invest monies of the Board are clearly laid out in the Articles of Association.

The Trustees, under the guidance of the Chief Executive, consistently review the principal risks and uncertainties that the group faces and implements agreed procedures to minimise or manage any potential impact on the group should those risks materialise.

There were no connected Charities other than The Publishing Training Centre Foundation.

Objectives and Activities

The Publishing Qualifications Board (PQB) was established to further the education of persons employed in or wishing to pursue a career in the publishing, writing and information industries, and related fields of activity, by the establishment, administration and award of national vocational, European, international and other qualifications in respect of competence.

PQB is responsible for the development, delivery and assessment of self-study courses. These are designed to improve knowledge and performance in a range of publishing-related disciplines to the widest possible group of delegates.

These courses are recognised by the publishing community as indicators of professional competence. The courses facilitate entry to a variety of publishing careers, especially within the freelance proofreading and editing community.

All PQB courses have at their core detailed and carefully moderated performance evaluation and reporting, so that delegates and employers can assess levels of excellence and knowledge. Qualifications are awarded at a level of pass, merit or distinction.

Achievements and Performance

The Publishing Qualifications Board's accredited courses contribute 44% to the wide offering of training by the Group. Our course portfolio now comprises five programmes: Basic Proofreading, Essential Copy-Editing, Creative Copywriting, Successful Editorial Freelancing and Grammar at Work. 551 delegates embarked on the Distance Learning programmes in 2018 compared to 537 in 2017.

The Prisoners' Education Trust (which provides educational opportunities for men and women prisoners to make a positive change in their lives) supports people in prison to study our Distance Learning courses.

Spread the Word, a charity based in London, offers aspiring publishing professionals from a background underrepresented in publishing training, placement and support. The Foundation provides Distance Learning programmes to these students.

Publishing Qualifications Board

Trustees' Report (Continued) For the year ended 31 December 2017

Financial Review

Revenue decreased by 2% to £197k (2017: £202k)

The charitable activities represent 82% of the total resources expended for the year.

The cost of governance of the Group equates to 7% of the total resources expended for the year.

During 2018, a total number of 551(2017: 537) delegates enrolled on the five Distance Learning programmes.

Reserves

As at 31 December 2018, the Unrestricted Reserves were £25,190. The Unrestricted Reserves are held as a cushion of finance during economic downturn and are also available for future plans approved by the Board.

It is the policy of the PQB that we aim for Unrestricted Funds that have not been designated for new projects to be at a level equivalent to between three and six months' expenditure on revenue items and charitable assets combined. The Trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the Charity's current activities while consideration is given to ways in which additional funds may be raised.

Public Benefit

The Publishing Qualifications Board has referred to the Charity Commission's general guidance on public benefit when reviewing its aims and objectives and in planning future activities. In particular the Trustees consider how planned activities will contribute to the aims and objectives they have set.

Plans

There are four key themes which underline PQB new strategy:

- Setting standards and curriculum that will be the gold standard for the publishing industry.
- Provision of assessment and certification leading to a recognised qualification.
- Delivery modes of content will be flexible.
- Courses will be relevant to today's market.

Risks and uncertainties

The principal risks and uncertainties facing the Charity are:

- The pressures on training expenditure in the wider economy. This creates a long-term risk to the PQB self-funding training programmes.
- Having the appropriate structure to deliver qualifications worldwide.
- Managing a complex and rapidly changing learning and training environment.

Publishing Qualifications Board

Statement of Trustees' Responsibilities

The Trustees, who are also the Directors of the Publishing Qualifications Board for the purpose of company law, are responsible for preparing the Trustees' report and the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (Financial Reporting standard 102 and applicable law).

Company law requires the Trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources, including the income and expenditure, of the Charitable Company for that year.

In preparing these accounts, the Trustees are required to:

- Select suitable accounting policies and then apply them consistently.
- Observe the methods and principles in the Charities SORP.
- Make judgments and estimates that are reasonable and prudent.
- State whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- Prepare the accounts on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Disclosure of Information to Auditors

Each of the Trustees has confirmed that there is no information of which they are aware which is relevant to the audit, but of which the Auditor is unaware. They have further confirmed that they have taken appropriate steps to identify such relevant information and to establish that the Auditors are aware of such information.

Auditors

Clarke Huttun have signified their willingness to continue in office.

Publishing Qualifications Board

Independent Auditors' Report To the Members of Publishing Qualifications Board

We have audited the financial statements of the Publishing Qualifications Board for the year ended 31 December 2018 on pages 7 to 15. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS102 "The Financial Reporting standard applicable in the UK and Republic of Ireland".

This report is made solely to the Charitable Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Charitable Company's members those matters we are required to state to them in an Auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charitable Company and the Charitable Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective Responsibilities of Trustees and Auditors

As explained more fully in the statement of Trustees' responsibilities, the Trustees, who are also the Directors of the Publishing Qualifications Board for the purposes of company law, are responsible for the preparation of the accounts and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the accounts in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the Audit of the Accounts

An audit involves obtaining evidence about the amounts and disclosures in the accounts sufficient to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the Charity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Trustees; and the overall presentation of the accounts. In addition, we read all the financial and non-financial information in the Trustees' Annual Report to identify material inconsistencies with the audited accounts and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Publishing Qualifications Board

Independent Auditors' Report (Continued) To the Members of Publishing Qualifications Board

Opinion on accounts

In our opinion the accounts:

- give a true and fair view of the state of the Charity's affairs at 31 December 2018 and of its incoming resources and application of resources, including its income and expenditure account, for the year then ended.
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice.
- have been prepared in accordance with the requirements of the Companies Act 2006

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Trustees' Annual Report for the financial year for which the accounts are prepared is consistent with the accounts.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the accounts are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Publishing Qualifications Board

Notes to the Financial Statements For the year ended 31 December 2018

1. Accounting Policies

1.1 Accounting basis and standards

The financial statements have been prepared under the historical cost convention.

The financial statements are prepared in UK £ Sterling which is the functional currency of the Charity.

The financial statements have been prepared in accordance with applicable accounting standards, the Statement of Recommended Practice, "Accounting and Reporting by Charities", issued in March 2005 and the Companies Act 2006.

The statement of financial activities (SOFA) and balance sheet consolidate the financial statements of the Publishing Qualifications Board.

The Charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), (effective 1 January 2015), (Charities SORP (FRS102)), the Financial Reporting standard applicable in the UK & Republic of Ireland (FRS102) and the Companies Act 2006.

The significant accounting policies applied in the preparation of these financial statements are set out on pages 10–15. These policies have been consistently applied to all years presented unless otherwise stated.

1.2 Preparation of the accounts on a going concern basis

The reported deficit is £4.6 k. The trustees consider there are no material uncertainties about the Charity's ability to continue as a going concern. The review of our financial position, reserves levels and future plans gives Trustees confidence the Charity remains a going concern for the foreseeable future.

1.3 Income

Income is recognised when the Charity have entitlement to the funds any performance conditions attached to the item(s) have been met, it is probable that the income will be received and the amount can be measured reliably. For the Distance Learning courses, entitlement to the fees is taken when the student enrolls but subject to a thirty-day cooling off period.

Publishing Qualifications Board

Notes to the Financial Statements For the year ended 31 December 2018

1.4 Expenditure

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably. It is categorised under the following headings:

- Costs of publicity and promotion
- Expenditure on charitable activities includes support and governance costs

Support costs are those functions that assist the work of the Charity but do not directly undertake charitable activities. Support costs include back office costs, personnel, payroll and governance costs which support the activities of the Board. Governance costs are those incurred in connection with administration of the Charity and compliance of constitutional and statutory requirements.

The Board identifies the costs of its support functions. It then identifies those costs which relate to the governance function. Having identified its governance costs, the remaining support costs together with governance costs are allocated to the one key charitable activity undertaken in the year.

1.5 Value Added Tax

The Publishing Qualifications Board is part of a VAT group. It is normally able to reclaim from HM Revenue & Customs (HMRC) all VAT it pays on goods and services it buys. However, to do so, it has to remain within a partial exemption limit. If, in any financial year, the limit is exceeded the group would be unable to recover that part of the VAT it incurred in providing exempt supplies.

A limit of £7,250 is set by HMRC as the total of VAT incurred, which relates to exempt supplies. Exempt supplies as defined are those that the group provides where the charge made is exempt from VAT. The main supplies that fall under this heading are the provision of Distance Learning courses.

However, the turnover for the Distance Learning supply has placed the ability to remain under the limit in jeopardy. £2,187 of irrecoverable VAT has been provided for in the accounts to meet this liability.

1.6 Fund accounting

The Charity's Unrestricted General Funds consist of funds which can be used in accordance with the charitable objects at the discretion of the Trustees.

Publishing Qualifications Board

Notes to the Financial Statements For the year ended 31 December 2018

1.7 Critical accounting judgements and key sources of estimation uncertainty

In the application of the Charity's accounting policies, which are described in note 1, the Trustees are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The Trustees do not consider there are any critical judgements or sources of estimation uncertainty requiring disclosure.

2. Legal status of the Board

The Board is a company limited by guarantee and has no share capital. In the event of the Charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the Charity.
