Directors' responsibilities

The following statement, which should be read in conjunction with the auditors' statement of their responsibilities, is made with a view to describing the responsibilities of the directors in relation to the financial statements.

The directors are required by the Companies Act 1985 to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company as at the end of the financial year and of the profit or loss for the financial year.

After making enquiries, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements set out on pages 5 to 12. The directors consider that in preparing the financial statements the company has used appropriate accounting policies, consistently applied and supported by reasonable and prudent judgements and estimates, and that all accounting standards which they consider to be applicable have been followed (subject to any explanations and any material departures disclosed in the notes to the financial statements).

The directors have responsibility for ensuring that the company keeps accounting records which disclose with reasonable accuracy the financial position of the company and which enable them to ensure that the financial statements comply with the Companies Act 1985.

The directors have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

**AUDITORS' REPORT TO THE SHAREHOLDERS OF
D. G. FINANCE LIMITED**

We have audited the financial statements on pages 5 to 12 which have been prepared following the accounting policies set out on page 7.

Respective responsibilities of directors and auditors

As described on page 3 the company's directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31st December 1998 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

D.G. FINANCE LIMITED

Notes to the financial statements for the year ended 31st December 1998

1. Accounting policies

The company is a wholly owned subsidiary of Dawsongroup plc which has prepared group financial statements in accordance with applicable accounting standards and which has published a consolidated cash flow statement in accordance with the requirements of FRS 1 (Revised). The company has therefore taken advantage of the exemption not to publish its own cash flow statement.

The financial statements have been prepared under the historical cost convention in accordance with applicable accounting standards using the following principal accounting policies:

Depreciation

Depreciation is provided to write down the cost of motor vehicles to their estimated residual values over a period of four years.

Finance receivables

Income from fixed rate instalment finance business, after making a deduction for certain initial expenses, is credited to the profit and loss account in proportion to the reducing balance outstanding. These balances are stated in the balance sheet after deduction of unearned charges and interest.

Rental income from operating leases is recognised on a straight line basis over the period of the lease.

Deferred tax

Deferred tax is provided, using the liability method, at the appropriate rates of tax on all timing differences to the extent that it is probable that an asset or liability will crystallise in the foreseeable future.

Turnover

Turnover is the amount receivable in the ordinary course of business for services provided during the year, excluding value added tax.

D.G. FINANCE LIMITED
