## Directors' report

The directors have pleasure in presenting their annual report and audited financial statements for the year ended 31 December 2018.

### Business review

The principal activity of the company is that of residential property development.

### Results and dividends

The profit for the year ended 31 December 2018 is set out in the profit and loss account on page 5. The directors do not recommend the payment of a dividend (2017: £nil).

### Directors

The directors of the company during the year and to the date of this report were as follows:

David Brocklebank  
Martin Leach  
Ian Murdoch  
Julie Jackson  
Darren Jones  
David Bowen  
Michael Brayshaw  
Natalie Flint  
Tracey Forbes-Taylor  
Alykhan Meghani (appointed 8 July 2019)  
Andrew Modle (resigned 8 July 2019)

### Disclosure of information to auditor

The directors who held office at the date of approval of this directors' report confirm that, so far as they are each aware, there is no relevant audit information of which the company's auditor is unaware; and each director has taken all the steps that he/she ought to have taken as a director to make himself/herself aware of any relevant audit information and to establish that the company's auditor is aware of that information.

The directors have taken advantage of the Small Company exemptions provided by Section 414B of the Companies Act 2006 and have not prepared a Strategic report.

### Auditor

Pursuant to Section 487 of the Companies Act 2006, the auditor will be deemed to be reappointed and KPMG LLP will therefore continue in office.

On behalf of the Board

Julie Jackson  
Director  
30 August 2019

## **Statement of directors' responsibilities in respect of the Directors' report and the financial statements**

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with applicable law and Section 1A of FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (UK Generally Accepted Accounting Practice applicable to Smaller Entities).

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- assess the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

## **Independent auditor's report to the members of Miller Wates (Bracklesham) Limited**

### **Opinion**

We have audited the financial statements of Miller Wates (Bracklesham) Limited ("the company") for the year ended 31 December 2018, which comprise the profit and loss account and other comprehensive income, statement of changes in equity, balance sheet and related notes, including the accounting policies in note 1.

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2018 and of its profit for the year then ended;
- have been properly prepared in accordance with UK accounting standards applicable to smaller entities, including Section 1A of FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the company in accordance with, UK ethical requirements including the FRC Ethical Standard. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion.

### **The impact of uncertainties due to the UK exiting the European Union on our audit**

Uncertainties related to the effects of Brexit are relevant to understanding our audit of the financial statements. All audits assess and challenge the reasonableness of estimates made by the directors, such as the valuation of WIP and site margins and related disclosures and the appropriateness of the going concern basis of preparation of the financial statements. All of these depend on assessments of the future economic environment and the company's future prospects and performance.

Brexit is one of the most significant economic events for the UK, and at the date of this report its effects are subject to unprecedented levels of uncertainty of outcomes, with the full range of possible effects unknown. We applied a standardised firm-wide approach in response to that uncertainty when assessing the company's future prospects and performance. However, no audit should be expected to predict the unknowable factors or all possible future implications for a company and this is particularly the case in relation to Brexit.

### **Going concern**

The directors have prepared the financial statements on the going concern basis as they do not intend to liquidate the company or to cease its operations, and as they have concluded that the company's financial position means that this is realistic. They have also concluded that there are no material uncertainties that could have cast significant doubt over its ability to continue as a going concern for at least a year from the date of approval of the financial statements ("the going concern period").

We are required to report to you if we have concluded that the use of the going concern basis of accounting is inappropriate or there is an undisclosed material uncertainty that may cast significant doubt over the use of that basis for a period of at least a year from the date of approval of the financial statements. In our evaluation of the directors' conclusions, we considered the inherent risks to the company's business model, including the impact of Brexit, and analysed how those risks might affect the company's financial resources or ability to continue operations over the going concern period. We have nothing to report in these respects.

However, as we cannot predict all future events or conditions and as subsequent events may result in outcomes that are inconsistent with judgements that were reasonable at the time they were made, the absence of reference to a material uncertainty in this auditor's report is not a guarantee that the company will continue in operation.

### **Directors' report**

The directors are responsible for the Directors' report. Our opinion on the financial statements does not cover that report and we do not express an audit opinion thereon.

## Independent auditor's report to the members of Miller Wates (Bracklesham) Limited

(continued)

Our responsibility is to read the Directors' report and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work:

- we have not identified material misstatements in the directors' report;
- in our opinion the information given in that report for the financial year is consistent with the financial statements; and
- in our opinion that report has been prepared in accordance with the Companies Act 2006.

### Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemption from the requirement to prepare a Strategic report.

We have nothing to report in these respects.

### Directors' responsibilities

As explained more fully in their statement set out on page 2, the directors are responsible for: the preparation of the financial statements and for being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

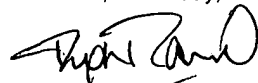

### Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our opinion in an auditor's report. Reasonable assurance is a high level of assurance, but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

A fuller description of our responsibilities is provided on the FRC's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities).

### The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Profit and loss account		460,155	(401,352)
<b>Equity shareholders' surplus / (deficit)</b>		<u>461,155</u>	<u>(400,352)</u>

The financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies regime and in accordance with the provisions of FRS 102 Section 1A – small entities.

The notes on pages 8 to 13 form part of these financial statements.

These financial statements were approved by the board of directors on 30 August 2019 and were signed on its behalf by:

Ian Murdoch  
 Director

David Bowen  
 Director

## Notes

(Forming part of the financial statements)

### 1. Accounting policies

Miller Homes (Bracklesham) Limited (the "company") is a company limited by shares and incorporated and domiciled in the UK.

These financial statements were prepared in accordance with Section 1A Small entities of Financial Reporting Standard 102, *The Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)* as issued in August 2014. The presentation currency of these financial statements is Sterling.

The accounting policies for the year ended 31 December 2018 set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

Under Section 1A Small entities of FRS 102, the company is not required to prepare a cash flow statement.

#### **Measurement convention**

The financial statements are prepared on the historical cost basis.

#### **Going concern**

The financial statements have been prepared under the going concern basis which the directors believe to be appropriate as there is a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future.

#### **Basic financial instruments**

##### *Trade and other debtors / creditors*

Trade and other debtors are recognised initially at transaction price less attributable transaction costs. Trade and other creditors are recognised initially at transaction price plus attributable transaction costs. Subsequent to initial recognition they are measured at amortised cost using the effective interest method, less any impairment losses in the case of trade debtors. If the arrangement constitutes a financing transaction, for example if payment is deferred beyond normal business terms, then it is measured at the present value of future payments discounted at a market rate of instrument for a similar debt instrument.

##### *Interest-bearing borrowings classified as basic financial instruments*

All financial assets and liabilities are initially measured at transaction price. Non-current debt instruments, which meet the conditions set out in paragraph 11.9 of FRS 102, are subsequently measured at amortised cost using the effective interest method.

**Notes** (continued)

**1. Accounting policies** (continued)

*Cash and cash equivalents*

Cash and cash equivalents comprise cash balances and call deposits.

*Stocks and development work in progress*

Stocks are stated at the lower of cost and net realisable value. Net realisable value in relation to land and work in progress is assessed by taking account of estimated selling price less all estimated costs of completion.

Land purchased on deferred payment terms is recorded at fair value. Any difference between fair value and the amount which will ultimately be paid is charged as interest payable in the income statement over the deferral period.

The purchase and subsequent sale of part exchange properties is an activity undertaken in order to achieve the sale of a new property. As such, the activity is regarded as a mechanism for selling. Accordingly, impairments and gains and losses on the sale of part exchange properties are classified as a cost of sale, with the sales proceeds of part exchange properties not being included in turnover.

*Turnover*

Turnover represents the amounts (excluding value added tax) derived from the sale of new houses and is based on the selling price for the unit, net of any cash incentives, and is recognised on legal completion and receipt of cash. Where cash incentives are given the full cash amount is deducted from turnover.

*Interest receivable and Interest payable*

Interest payable and similar charges includes interest payable on bank and shareholder loans.

Other interest receivable and similar income includes interest receivable on funds invested.

Interest income and interest payable are recognised in profit or loss as they accrue, using the effective interest method.

**Notes** (continued)

**1. Accounting policies** (continued)

**Taxation**

Tax on the profit or loss for the period comprises current and deferred tax. Tax is recognised in the profit and loss account except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised directly in equity or other comprehensive income.

Current tax is the expected tax payable or receivable on the taxable income or loss for the period, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in respect of previous periods.

Deferred tax is provided on timing differences which arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in the financial statements. Deferred tax is not recognised on permanent differences arising because certain types of income or expense are non-taxable or are disallowable for tax or because certain tax charges or allowances are greater or smaller than the corresponding income or expense.

Deferred tax is measured at the tax rate that is expected to apply to the reversal of the related difference, using tax rates enacted or substantively enacted at the balance sheet date.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

**2. Expenses and auditor's remuneration**

<i>Included in the profit / (loss) for the period are the following:</i>	<b>2018</b>	2017
	<u>£</u>	<u>£</u>
<i>Auditor's remuneration:</i>		
Audit of these financial statements	<b>3,000</b>	2,500
<i>Amounts receivable by the company's auditors and their associates in respect of:</i>		
Other tax advisory services	<u><b>1,575</b></u>	<u>1,000</u>

The company has no employees (2017: nil). The directors did not receive any remuneration from the company during the period (2017: £nil).

**3. Interest payable and similar charges**

	<b>2018</b>	2017
	<u>£</u>	<u>£</u>
Interest payable on shareholder loans	<b>382,818</b>	259,664
Other	<u><b>32</b></u>	<u>-</u>
	<u><b>382,850</b></u>	<u>259,664</u>

**Notes** (continued)

**4. Taxation**

Analysis of charge for the period	2018	2017
	£	£
<b>UK corporation tax</b>		
Current year tax charge	(183,959)	-
Adjustment in respect of prior period	77,260	-
<b>Tax charge for the period</b>	<b>(106,699)</b>	<b>-</b>

**Factors affecting tax charge for the period**

The current tax charge on the profit (2017: loss) on ordinary activities for the period is lower than (2017: higher than) the standard rate of corporation tax in the UK of 19% (2017: 19.25%).

Tax reconciliation	2018	2017
	£	£
Profit / (loss) for the period before taxation	968,206	(401,352)
Current tax at 19% (2017:19.25%)	(183,959)	77,260
<i>Effect of:</i>		
Surrender of tax losses	-	(77,260)
Adjustments in respect of prior periods	77,260	-
<b>Total tax charge</b>	<b>(106,699)</b>	<b>-</b>

Current tax has been charged at 19% (2017: 19.25%) in the reconciliation above. The corporate tax rate will reduce to 17% from 1 April 2020.

A corporate tax rate of 19% (2017: 19%) is applied to deferred tax, except for temporary differences expected to reverse after the 17% rate becomes effective.

**5. Stocks**

	2018	2017
	£	£
Land	3,893,901	5,369,500
Work in progress	4,573,436	2,162,186
Part exchange properties	256,805	-
	<b>8,724,142</b>	<b>7,531,686</b>

**Notes** (continued)

**6. Debtors: due within one year**

	<b>2018</b>	<b>2017</b>
	<b>£</b>	<b>£</b>
Trade debtors	<b>85,000</b>	-
Other debtors	<b>10,245</b>	14,612
	<b>95,245</b>	14,612

**7. Creditors: amounts falling due within one year**

	<b>2018</b>	<b>2017</b>
	<b>£</b>	<b>£</b>
Amounts owed to related parties (see note 10)	<b>882,889</b>	361,602
Accruals and deferred income	<b>184,066</b>	3,500
Corporation tax payable	<b>178,091</b>	-
	<b>1,245,046</b>	365,102

**8. Creditors: amounts falling due in more than one year**

	<b>2018</b>	<b>2017</b>
	<b>£</b>	<b>£</b>
Shareholder loans (see note 10)	<b>7,234,612</b>	7,581,548

The shareholder loans are subject to interest at 4% and are repayable on completion of the last unit of the development site, which is expected to be greater than one year from the balance sheet date.

**9. Called up share capital**

	<b>2018</b>	<b>2017</b>
	<b>£</b>	<b>£</b>
<i>Allotted, called up, but not fully paid:</i>		
500 ordinary A shares of £1 each	<b>500</b>	500
500 ordinary B shares of £1 each	<b>500</b>	500
	<b>1,000</b>	1,000

The A&B shares have equal voting rights. All shares rank pari-passu as set out in the articles of the company. All other rights are set out in the articles of the company. The holders of ordinary shares are entitled to receive dividends as declared from time to time.

**Notes** (continued)

**10. Related party disclosures**

The company is jointly controlled by Miller Homes Holdings Limited ("MHHL") and Wates Group Limited. The ultimate parent company of MHHL is Miller Homes Group Limited.

	2018 £	2017 £
Amounts owed to MHHL in respect of outstanding loans	3,617,306	3,790,774
Amounts owed to Wates Group Limited in respect of outstanding loans	3,617,306	3,790,774
Amounts owed to Miller Homes Limited in respect of development services provided	882,889	361,602
Transactions between the company and MHHL in respect of interest charges on loans	191,409	120,196
Transactions between the company and Wates Group Limited in respect of interest charges on loans	191,409	120,196
Transactions between the company and Miller Homes Limited in respect of development services provided	6,881,475	1,784,451
Transactions between the company and Miller Homes Limited in respect of management fees	414,564	138,188

Miller Homes Limited is a wholly owned subsidiary of Miller Homes Holdings Limited.

**11. Accounting estimates and judgements**

*Key sources of estimation uncertainty*

*Carrying value of stocks*

Stocks of land and development work in progress are stated at the lower of cost and net realisable value. Due to the nature of development activity and in particular, the length of the development cycle, the company has to allocate site wide development costs such as infrastructure between units being built and/or completed in the current year and those for future years. These estimates are reflected in the margin recognised on developments where unsold plots remain, and in the carrying value of land and work in progress. There is a degree of uncertainty in making such estimates.

The company has established internal controls that are designed to ensure an effective assessment is made of inventory carrying values and the costs to complete developments. The company reviews the carrying value of its inventories on a quarterly basis with these reviews performed on a site by site basis using forecast sales prices and anticipated costs to complete based on a combination of the specific trading conditions of each site in addition to future anticipated general market conditions.

*Critical accounting judgements in applying the company's accounting policy*

The company believes that the major judgement applied is the use of the going concern principle which supports the valuation of assets included in the Balance sheet.
