DIRECTORS' RESPONSIBILITIES STATEMENT

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable United Kingdom Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF HCA UK INVESTMENTS LIMITED

We have audited the financial statements of HCA UK Investments Limited for the year ended 31 December 2012 which comprise the Profit and Loss Account, the Statement of Total Recognised Gains and Losses, the Balance Sheet and the related notes 1 to 15. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibilities Statement set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Directors' Report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 December 2012 and of its profit for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit

NOTES TO THE ACCOUNTS

at 31 December 2012

1. ACCOUNTING POLICIES

The principal accounting policies adopted by the company are set out below and are consistent with the previous year

Basis of preparation

The accounts have been prepared under the historical cost convention and in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law)

Going concern

No material uncertainties that cast significant doubt about the ability of the company to continue as a going concern have been identified by the directors. On the basis of their assessment of the company's financial position, the company's directors have a reasonable expectation that the company will be able to continue in operational existence for the foreseeable future. Therefore, they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

Tangible fixed assets

Tangible fixed assets are stated at cost less provision for impairment.

Depreciation is provided on all tangible fixed assets, other than freehold land, at rates calculated to write off the cost less estimated residual value of each asset evenly over its expected useful life, as follows:

Freehold buildings – over 40 years

The carrying values of tangible fixed assets are reviewed for impairment in periods if events or changes in circumstances indicate the carrying value may not be recoverable.

Taxation

Current tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantially enacted by the balance sheet date.

The charge for taxation is based on the profit for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more or a right to pay less tax in the future have occurred at the balance sheet date.

Deferred tax assets are recognised only to the extent that the Directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying time difference can be deducted.

Deferred tax is measured on a non-discounted basis at the tax rates that are expected to apply in the periods in which the timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

Cash flow statement

In accordance with FRS 1 (Revised) these accounts do not include a cash flow statement, as the company is a wholly owned subsidiary of a parent undertaking whose accounts include a consolidated cash flow statement and are publicly available.

2. TURNOVER

Turnover, which is stated net of value added tax, represents the amount derived from the provision of services which fall within the company's principal activity within the United Kingdom. Turnover is recognised on the provision of services.

3. OPERATING PROFIT

This is stated after charging the following

	<i>2012</i>	<i>2011</i>
	<i>£000</i>	<i>£000</i>
Depreciation of tangible fixed assets	<u>62</u>	<u>62</u>

The auditors of the company are also the auditors of HCA International Limited and are remunerated in respect of their services to the company by HCA International Limited. The audit fee for the company was £1,000 (2011 £1,000). There were no non-audit services provided during the year (2011 £nil).

4. DIRECTORS' REMUNERATION

The directors of the company are also directors of the holding company and fellow subsidiaries. The directors received total remuneration for the year of £3,411,000 (2011 £3,864,000), all of which was paid by the holding company. The directors do not believe that it is practicable to apportion this amount between their services as directors of the company and their services as directors of the holding and fellow subsidiary companies.

7. TAX ON PROFIT ON ORDINARY ACTIVITIES

(a) Analysis of tax charge in the year

	2012 £000	2011 £000
UK current tax:		
UK corporation tax	29	24
Total current tax	<u>29</u>	<u>24</u>
UK deferred tax:		
Origination and reversal of timing differences	-	-
Total deferred tax	<u>-</u>	<u>-</u>
Tax charge on profit on ordinary activities	<u>29</u>	<u>24</u>

(b) Factors affecting current tax charge:

The tax assessed on the profit on ordinary activities for the year differs from the standard rate of corporation tax in the UK. The differences are reconciled below.

	2012 £000	2011 £000
Profit on ordinary activities before tax	56	27
Profit on ordinary activities multiplied by standard rate of corporation tax in the UK, 24.5% (2011: 26.5%)	14	7
Effect of		
Depreciation in excess of capital allowances	15	17
Total current tax for the period	<u>29</u>	<u>24</u>

(c) Factors that may affect future tax charges:

The main rate of corporation tax will reduce from 24% to 23% effective from 1 April 2013. This change was enacted on 17 July 2012. As a result the disclosure of deferred tax has been adjusted to reflect the enactment.

In the Autumn statement of 5 December 2012 it was announced that the main rate of corporation tax will be 21% effective from 1 April 2014 instead of 22% as previously announced. The UK budget of 20 March 2013 announced a further reduction to 20% effective 1 April 2015. As this legislation was not enacted or substantively enacted by the balance sheet date it has not been reflected within these financial statements. However it is expected that the changes would not have a significant impact on the value of the company's deferred tax balances at the balance sheet date.
