Taylor Wessing Limited Liability Partnership

Members' report

The Board is pleased to present its report to the members of Taylor Wessing Limited Liability Partnership ("Taylor Wessing LLP", "the LLP") and the audited financial statements for the LLP for the year ended 30 April 2016.

Group structure

These financial statements consolidate the financial statements of Taylor Wessing LLP and its subsidiary undertakings, joint ventures and associates (together "the Group") drawn up to 30 April 2016.

Taylor Wessing LLP is a limited liability partnership registered in England and Wales.

A list of members' names is available for inspection at 5 New Street Square, London EC4A 3TW which is also Taylor Wessing LLP's principal place of business and registered office.

More information about Taylor Wessing LLP is available on the Group's website, www.taylorwessing.com.

Principal activity and business review

The Group's principal activity is the provision of legal services in the United Kingdom. The results for the year and the financial position at the year end were considered satisfactory by the members.

Details regarding the adoption of the going concern basis can be found in note 1 to the accounts.

Designated members

The designated members, who served throughout the year and to the date of this report, were as follows:

T G Eyles
J F Robertson
N Shanmuganathan
K P Barnett

Members' drawings and the subscription and repayment of members' capital

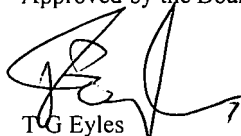

The members' policy on drawings is dependent upon the working capital requirements of the Group. A conservative level of monthly drawings is set at the start of the year and further distributions are made once the results for the year and allocation of profit have been finalised.

The level of members' capital is determined by the members from time to time. Capital is repaid to members six months after the year end following cessation of membership of the LLP.

Auditor

Deloitte LLP have indicated their willingness to be reappointed for another term and appropriate arrangements have been put in place for them to be deemed reappointed as auditor in accordance with the LLP agreement.

Approved by the Board and signed on its behalf by:

T G Eyles
Managing Partner and Designated Member

21 December 2016

Taylor Wessing Limited Liability Partnership

Members' responsibilities statement

The members are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

The Limited Liability Partnerships (Accounts & Audit) (Application of Companies Act 2006) Regulations 2008 require the members to prepare financial statements for each financial year. Under that law the members have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland". Under company law as applied to Limited Liability Partnerships, the members must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Group and of the LLP and of the profit or loss of the Group and LLP for that year. In preparing these financial statements, the members are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the LLP will continue in business.

The members are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the LLP and enable them to ensure that the financial statements comply with the Companies Act 2006, as applicable to Limited Liability Partnerships, and in accordance with the requirements of the Statement of Recommended Practice Accounting by Limited Liability Partnerships (issued July 2014). They are also responsible for safeguarding the assets of the LLP and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

These responsibilities are exercised by the Board on behalf of the members.

Independent auditor's report to the members of Taylor Wessing Limited Liability Partnership

We have audited the financial statements of Taylor Wessing LLP for the year ended 30 April 2016 which comprise the consolidated profit and loss account, the consolidated and parent partnership balance sheets, the consolidated and parent partnership statements of changes in members' interest, the consolidated cash flow statement and the related notes 1 to 18. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

This report is made solely to the Limited Liability Partnership's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006 as applied to limited liability partnerships by the Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008. Our audit work has been undertaken so that we might state to the Limited Liability Partnership's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Limited Liability Partnership and the Limited Liability Partnership members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of members and auditor

As explained more fully in the Members' Responsibilities Statement, the members are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the group and the Limited Liability Partnership's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the members; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the Group and Limited Liability Partnership's affairs as at 30 April 2016 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006 as applied to Limited Liability Partnerships.

Independent auditor's report to the members of Taylor Wessing Limited Liability Partnership (continued)

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the limited liability partnership, or returns adequate for our audit have not been received from branches not visited by us; or
- the limited liability partnership's financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Taylor Wessing Limited Liability Partnership

Notes to the financial statements For the year ended 30 April 2016

1. Accounting policies

The principal accounting policies are summarised below. They have all been applied consistently throughout the year and to the preceding year.

General information and basis of accounting

Taylor Wessing Limited Liability Partnership ("the LLP") is incorporated in the United Kingdom under the Limited Liability Partnership Act 2000. The address of the registered office is given on page 1. The nature of the Group's operations and its principal activities are set out in the members' report on page 1.

The financial statements have been prepared under the historical cost convention, modified to include certain items at fair value, and in accordance with Financial Reporting Standard 102 (FRS 102) issued by the Financial Reporting Council and the requirements of the Statement of Recommended Practice Accounting by Limited Liability Partnerships (issued July 2014).

This is the first year that the LLP has presented its financial statements under Financial Reporting Standard 102 (FRS 102) issued by the Financial Reporting Council. The last financial statements under previous UK GAAP were for the year ended 30 April 2015 and the date of transition to FRS 102 was therefore 1 May 2014. As a consequence of adopting FRS 102, there are no changes to accounting policies to comply with that standard. There were no material adjustments and therefore no restatement of the prior year comparative numbers is required on adoption of FRS 102 in the current year.

The LLP meets the definition of a qualifying entity under FRS 102 and has therefore taken advantage of the disclosure exemptions available to it in respect of its separate financial statements, which are presented alongside the consolidated financial statements. Exemptions have been taken in relation to the presentation of a cash flow, financial instruments, intra-group transactions and remuneration of key management personnel.

Basis of consolidation

The LLP financial statements consolidate the accounts of the LLP and its subsidiary undertakings, joint ventures and associates (together "the Group"), drawn up to 30 April 2016.

Going concern

The going concern basis has been adopted in preparing the financial statements. Having considered the Group's forecasts and projections, the members are satisfied that the Group has adequate resources to continue in operational existence for the foreseeable future.

Tangible fixed assets

Tangible fixed assets are stated at cost, net of depreciation and any provision for impairment. Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost, less estimated residual value, of each asset over its expected useful life, as follows:

Leasehold improvements	over the shorter of ten years and the remaining period of the lease
Furniture	four to ten years on a straight-line basis
Computer equipment	three to ten years on a straight-line basis
Office equipment	three to five years on a straight-line basis

Residual value represents the estimated amount which would currently be obtained from disposal of an asset, after deducting estimated costs of disposal, if the asset were already of the age and in the condition expected at the end of its useful life.

Financial liabilities and equity

Members are required under the terms of the Members' Agreement to provide capital in proportion to the profit sharing points allocated to them. Capital is repayable to members six months after cessation of membership of the LLP and is therefore disclosed as a liability.

Taylor Wessing Limited Liability Partnership

Notes to the financial statements (continued) For the year ended 30 April 2016

1. Accounting policies (continued)

Investments

Investments are measured at cost less impairment.

Impairment of assets

The Group assesses at the end of each reporting period whether there is objective evidence that an asset or group of assets is impaired. A financial asset or group of assets is impaired and impairment losses are incurred only if there is objective evidence of impairment as a result of one or more events that occurred after the initial recognition of the assets (a 'loss event') and that loss event (or events) have an impact on the estimated future cash flows of the asset or group of assets that can be reliably estimated.

Joint ventures

In the consolidated financial statements investments in joint ventures are accounted for using the equity method. Investments in joint ventures are initially recognised at the transaction price (including transaction costs) and are subsequently adjusted to reflect the Group's share of the profit or loss and other comprehensive income of the joint ventures.

Taxation

The tax payable on the profits of the LLP is a personal liability of the members for year and therefore not a charge on the LLP. An amount is retained from each member's profit share within the LLP to cover the member's estimated liability for income tax and social security contributions on their profit share. The consolidated tax charge comprises tax payable in respect of subsidiary undertakings, joint ventures and associates.

Members' interests

Members are required under the terms of the Members' Agreement to provide capital in proportion to the profit sharing points allocated to them. The amount per point is assessed annually, with any changes being effective on 1 May. Capital is repaid to members six months after cessation of membership of the LLP and is shown in amounts due to members.

The members vote to approve the division of profit after the balance sheet date. As a result, the balance of profit available for division among the members as at 30 April 2016 is included in members' other interests.

Drawings by members on account of profits for the year are included in amounts due from members.

In the event of a winding up, members' capital ranks in order of priority, subordinate to any bank or other external provider of finance or capital. Loans and other debts due to members rank equally with unsecured creditors. Members' other interests rank after unsecured creditors.

Turnover

Turnover for services represents the fair value of legal services provided during the year on client assignments. Fair value reflects the amount expected to be recoverable from clients and is based on time spent, expertise and skills provided, and expenses incurred. Turnover is stated net of Value Added Tax.

Legal services provided to clients during the year which, at the balance sheet date, have not been invoiced to clients, have been recognised as turnover in accordance with Section 23 Revenue of Financial Reporting Standard 102. Turnover recognised in this manner is based on an assessment of the fair value of the services provided by the balance sheet date as a proportion of the total value of the engagement.

Unbilled turnover is included within debtors. Unbilled turnover is stated at fair value where the right to consideration has been obtained. Provision is made against unbilled amounts on those engagements where the right to receive payments is contingent on factors outside the control of the Group. Contingent turnover (over and above any agreed minimum fee which is recognised as above) is recognised in the period when the contingent event occurs.

Taylor Wessing Limited Liability Partnership

Notes to the financial statements (continued) For the year ended 30 April 2016

1. Accounting policies (continued)

Employee benefits

The LLP operates a defined contribution pension scheme. The amount charged to the profit and loss account in respect of pension costs and other retirement benefits is the total contributions payable in the year. Differences between contributions payable in the year and contributions actually paid are shown as either accruals or prepayments in the balance sheet.

Foreign currency

Transactions in foreign currencies are recorded at the rate of exchange at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are reported at the rates of exchange prevailing at that date.

Leases

Rentals under operating leases are charged on a straight-line basis over the lease term, even if the payments are not made on such a basis. Benefits received and receivable as an incentive to sign an operating lease are spread on a straight-line basis over the lease term.

Rental income from operating leases is recognised on a straight-line basis over the term of the relevant lease.

2. Critical accounting judgements and key sources of estimation uncertainty

In the application of the Group's accounting policies, which are described in note 1, the members are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Critical judgements in applying the Group's accounting policies

The following are the critical judgements, apart from those involving estimations, that the members have made in the process of applying the Group's accounting policies and that have the most significant effect on the amounts recognised in the financial statements.

Revenue recognition – unbilled turnover

The value of accrued turnover is derived on the basis of estimations and assumptions regarding the fair value of unbilled time at the year end, in accordance with the Group's accounting policy for turnover.

Impairment of debtors

The Group makes an estimate of the recoverable value of debtors, other debtors and unbilled revenue. When assessing impairment of trade receivables, other debtors and unbilled revenue, management considers factors including the current credit rating of the debtor, the ageing profile and historic experience. See note 12 for the net carrying amount of the Group's debtors and associated impairment provision.

3. Turnover

All turnover is derived from the provision of legal services in the United Kingdom and accordingly no separate geographical or business segment information is provided.

Taylor Wessing Limited Liability Partnership

Notes to the financial statements (continued) For the year ended 30 April 2016

4. Finance income (net)

	2016 £'000	2015 £'000
Interest receivable	625	497
Interest payable and similar charges	(70)	(47)
	<u>555</u>	<u>450</u>

5. Profit before taxation and members' remuneration and profit shares

Profit before taxation is stated after charging:

	2016 £'000	2015 £'000
Depreciation of tangible fixed assets (note 10)	2,732	2,648
Impairment of investments (note 11)	10	49
Operating lease costs	7,076	7,072
	<u>9,818</u>	<u>9,769</u>

The impairment of investments in the current and prior years arose as a result of the impairment of the LLP's investment in Taylor Wessing SCRL.

The analysis of the auditor's remuneration is as follows:

	2016 £'000	2015 £'000
Fees payable to the auditor and its associates for the audit of the Limited Liability Partnerships annual accounts	60	59
Fees payable to the auditor and its associates for other services to the Group	3	3
Total audit fees payable	<u>63</u>	<u>62</u>
Other services pursuant to legislation	31	30
Total fees payable	<u>94</u>	<u>92</u>

Taylor Wessing Limited Liability Partnership

Notes to the financial statements (continued) For the year ended 30 April 2016

6. Staff numbers and costs

The average number of employees (excluding members) was:

	2016 Number	2015 Number
Fee-earners	288	269
Non fee earning professionals	14	20
Business services	250	261
	<u>552</u>	<u>550</u>

Their aggregate remuneration comprised:

	2016 £'000	2015 £'000
Wages and salaries	35,688	33,139
Social security costs	3,832	3,723
Other pension costs	1,751	1,788
Other costs	3,046	2,656
	<u>44,317</u>	<u>41,306</u>

7. Members' remuneration and transactions

Profits are shared among the members in accordance with agreed profit sharing arrangements after the financial statements have been approved by the members.

The profit attributable after the year end to the member with the largest entitlement was £1,172,000 (2014: £1,083,000).

The average number of members during the year was 100 (2015: 103).

8. Tax on profit

The tax charge on the profits for the year is split between tax payable by the Group and tax payable by the members personally. The tax charge represents tax payable by the Group.

	2016 £'000	2015 £'000
Tax on profit	<u>395</u>	<u>403</u>

Taylor Wessing Limited Liability Partnership

Notes to the financial statements (continued) For the year ended 30 April 2016

8. Tax on profit (continued)

The difference between the total tax charge and the amount calculated by applying the standard rate of UK corporation tax to the profit before tax is as follows:

	2016 £'000	2015 £'000
Profit before tax	50,471	50,472
Less amounts subject to personal taxation	(48,496)	(48,518)
Profits subject to UK corporation tax	<u>1,975</u>	<u>1,954</u>
Tax on profits subject to taxation at standard UK corporation tax rate of 20% (2015: 20.6%)	<u>395</u>	<u>403</u>

No deferred tax assets or liabilities have been recognised.

In the 2015 Summer Budget, the Chancellor announced reductions in the main rate of corporation tax to 19% (effective from 1 April 2017) and 18% (effective from 1 April 2020) and these were enacted 18 November 2015. This will reduce the Group's future tax charge.

In the Budget in March 2016, the Chancellor announced an additional planned reduction to 17% by 2020. This will further reduce the Group's future tax charge once substantively enacted.

9. Profit of the partnership

The partnership has taken advantage of Section 408 of the Companies Act 2006 as applied by the Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008 and has not included its own profit and loss account in these financial statements. Its own profit for the year available for discretionary division among members was £49,931,000 (2015: £37,907,000).
