### **Statement of directors' responsibilities in respect of the Directors' Report and the financial statements**

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2014

---

### 1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the financial statements.

#### 1.1 Basis of preparation

The financial statements are prepared in accordance with applicable accounting standards (UK GAAP) and under the historical cost convention.

As a General Partner of the LDC (Thurso Street) Limited Partnership the company is deemed to control (along with its joint General Partner, LDC (Thurso Street) GP1 Limited), the Limited Partnership which is therefore a subsidiary of the company. The company is exempt by virtue of s400 of the Companies Act 2006 from the requirement to prepare group financial statements. These financial statements present information about the company as an individual and not about its group.

The company has taken advantage of the exemption in Financial Reporting Standard No 1 (Revised 1996) from the requirement to produce a cash flow statement on the grounds that it is a subsidiary undertaking where 90 percent or more of the voting rights are controlled within the group.

#### 1.2 Going concern

After making enquiries, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the financial statements.

#### 1.3 Deferred taxation

The charge for taxation is based on the result for the year and takes account of taxation deferred because of timing differences between the treatment of certain items for taxation and treatment under the company's accounting policies.

Deferred tax assets and liabilities arise from timing differences between the recognition of gains and losses in the financial statements and their recognition in a tax computation.

In accordance with FRS19, deferred tax is provided in respect of all timing differences that have originated but not reversed at the balance sheet date that may give rise to an obligation to pay more or less tax in the future except as otherwise provided by FRS19. Deferred tax is measured on a non-discounted basis.

#### 1.4 Investment income

Investment income from the Limited Partnership is recognised in respect of management services carried out during the year, in accordance with the partnership agreement.

### 2 Operating result

Auditor's remuneration of £415 (2013: £405) was borne by another group company.

Fees paid to the company's auditor, KPMG Audit Plc and its associates for services other than statutory audit of the company are not disclosed in the company's accounts since the consolidated accounts of the company's parent, The Unite Group plc are required to disclose non audit fees on a consolidated basis.

Directors' remuneration was borne by another group company in respect of both years.
