In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;

Independent auditors' report to the members of Priory Finance Property Holdings No. 2 Limited

Report on the financial statements

Our opinion

In our opinion, Priory Finance Property Holdings No. 2 Limited's financial statements (the "financial statements"):

- give a true and fair view of the state of the company's affairs as at 31 December 2015 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

What we have audited

The financial statements, included within the annual report and financial statements (the "annual report"), comprise:

- the balance sheet as at 31 December 2015;
- the profit and loss account for the year then ended;
- the statement of changes in equity for the year then ended;
- the statement of accounting policies; and
- the notes to the financial statements, which include other explanatory information.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 101 "Reduced Disclosure Framework".

In applying the financial reporting framework, the directors have made a number of subjective judgements, for example in respect of significant accounting estimates. In making such estimates, they have made assumptions and considered future events.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Other matters on which we are required to report by exception

Adequacy of accounting records and information and explanations received

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

Directors' remuneration

Under the Companies Act 2006 we are required to report to you if, in our opinion, certain disclosures of directors' remuneration specified by law are not made. We have no exceptions to report arising from this responsibility.

Responsibilities for the financial statements and the audit

Our responsibilities and those of the directors

As explained more fully in the statement of directors' responsibilities set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK & Ireland) ("ISAs (UK & Ireland)"). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

What an audit of financial statements involves

We conducted our audit in accordance with ISAs (UK & Ireland). An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of:

- whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed;
- the reasonableness of significant accounting estimates made by the directors; and
- the overall presentation of the financial statements.

We primarily focus our work in these areas by assessing the directors' judgements against available evidence, forming our own judgements, and evaluating the disclosures in the financial statements.

We test and examine information, using sampling and other auditing techniques, to the extent we consider necessary to provide a reasonable basis for us to draw conclusions. We obtain audit evidence through testing the effectiveness of controls, substantive procedures, or a combination of both.

In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Statement of accounting policies

The following accounting policies have been applied consistently in the company's financial statements.

Basis of preparation

The company is a private limited company, incorporated and domiciled in the United Kingdom.

The financial statements are presented in sterling. They are prepared on a going concern basis and under the historical cost convention. The principal accounting policies applied in the preparation of these financial statements are set out below, and, unless otherwise stated, these policies have been consistently applied to all the periods presented.

These financial statements have been prepared in accordance with United Kingdom Accounting Standards, in particular, Financial Reporting Standard 101 "Reduced Disclosure Framework (FRS 101) and, the Companies Act 2006 (the Act) as applicable to companies using FRS 101. FRS 101 sets out a reduced disclosure framework for a "qualifying entity" as defined in the standard which addresses the financial reporting requirements and disclosure exemptions in the individual financial statements of qualifying entities that otherwise apply the recognition, measurement and disclosure requirements of EU-adopted IFRS.

The company is a qualifying entity for the purposes of FRS 101. Note 8 gives details of the company's ultimate parent and from where its consolidated financial statements prepared in accordance with IFRS may be obtained.

The principle disclosure exemptions adopted by the company in accordance with FRS 101 are as follows:

- Statement of cash flows;
- IFRS 7 financial instrument disclosures;
- IAS 1 information on management of capital;
- IAS 8 disclosures in respect of new standards and interpretations that have been issued but which are not yet effective;
- IAS 24 disclosure of key management personnel compensation;
- IAS 24 disclosures in respect of related party transactions entered into between fellow group companies (the company has no other related party transactions); and
- Roll-forward reconciliations in respect of share capital (IAS 1).

The preparation of financial statements in conformity with FRS 101 requires the use of estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Although these estimates are based on management's best knowledge of the amount, event or actions, actual results ultimately may differ from those estimates.

The company is exempt by virtue of section 400 of the Companies Act 2006 from the requirement to prepare group financial statements on the grounds that it is included in the consolidated financial statements of a parent undertaking. These financial statements present information about the company as an individual undertaking and not about its group.

Statement of accounting policies (continued)

Investments

Investments in subsidiaries are stated at cost less provision for any impairment in value.

Taxation

The tax expense represents the tax currently payable.

The tax currently payable is based on the taxable profit for the year. Taxable profit can differ from net profit as reported in the profit and loss account because it excludes items of income or expense that are taxable or deductible in other years, or that are never taxable or deductible. The company's liability for current tax is calculated using rates that have been effective during the accounting period.

Group relief

Payment is generally made for group relief at the current tax rate at the time of first estimating the tax provision. To the extent that amendments are subsequently made to the group relief plan, there is generally no payment or receipt in respect of the change.
