Notes to the Abbreviated Accounts for the period ended 30 April 2015

1 Accounting Policies

Basis of measurement and preparation of accounts
The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities effective January 2015.

Turnover policy
Turnover represents the total value, excluding value added tax, of sales made during the year and derives from the provision of goods falling within the company's ordinary activities.

Tangible assets depreciation policy
Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:
- Land and buildings - Straight line over 50 years (buildings only)
- Plant and machinery - 25% reducing balance
- Fixtures, fittings and equipment - 25% reducing balance
- Motor vehicles - 25% reducing balance
- Computer equipment - 33% straight line

Other accounting policies
Leasing
Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

Investments
Fixed asset investments are stated at cost less provision for permanent diminution in value.

Stock
Stock is valued at the lower of cost and net realisable value.

Pensions
The pension costs charged in the financial statements represent the contribution payable by the company during the year.

Deferred taxation
Full provision is made for deferred taxation to take account of timing differences between the incidence of income and expenditure for taxation and accounting purposes. Deferred tax assets and liabilities are not discounted.

Group accounts
The company is entitled to the exemption under Section 398 of the Companies Act 2006 from the obligation to prepare group accounts.
