Responsibilities of Directors

As explained more fully in the Directors' responsibilities statement, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located at the Financial Reporting Council's website at:

HAMMERSON (CRICKLEWOOD) LIMITED

NOTES TO THE ACCOUNTS Year ended 31 December 2017

1. ACCOUNTING POLICIES

The following principal accounting policies have been applied consistently throughout the current and preceding year.

(a) Basis of accounting

Basis of preparation

Hammerson (Cricklewood) Limited is a private company limited by shares and incorporated in the United Kingdom under the Companies Act 2006. The nature of the Company's operations and its principal activities are set out on page 1. The address of the registered office is Kings Place, 90 York Way, London, N1 9GE.

These financial statements were prepared in accordance with Financial Reporting Standard 101 *Reduced Disclosure Framework* ("FRS 101") as issued by the Financial Reporting Council and have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime.

The presentation currency used is sterling and amounts have been presented in round thousands ("£000s"). The financial statements have been prepared on a historical cost basis, except for the revaluation of investment properties. Historical cost is generally based on the fair value of the consideration given in exchange for the goods and services.

The preparation of financial instruments in conformity with FRS 101 requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed in note 1(i).

Disclosure exemptions adopted

The following exemptions from the requirements of IFRS have been applied in the preparation of these financial statements, in accordance with FRS 101:

- IFRS 7, 'Financial Instruments; Disclosures';
- Paragraphs 91 to 99 of IFRS 13 'Fair value measurement' disclosure of valuation techniques and inputs used for fair value measurement of assets and liabilities';
- Paragraph 38 of IAS1, 'Presentation of financial statements' – comparative information in respect of:
 - paragraph 79(a)(iv) of IAS 1;
 - paragraph 73(e) of IAS 16, 'Property, plant and equipment'; and
 - paragraph 118(e) of IAS 38, 'Intangible assets' (reconciliations between the carrying amount at the beginning and end of the period);
- The following paragraphs of IAS 1, 'Presentation of financial statements':
 - 10(d) (statement of cash flows);
 - 16 (statement of compliance with all IFRS);
 - 38A (requirements for minimum of two primary statements, including cash flow statements);
 - 38B-D (additional comparative information);

HAMMERSON (CRICKLEWOOD) LIMITED

NOTES TO THE ACCOUNTS Year ended 31 December 2017

1. ACCOUNTING POLICIES (continued)

(a) Basis of accounting (continued)

- 111 (cash flow statement information); and
- 134 – 136 (capital management disclosures);
- IAS 7, 'Statement of cash flows';
- Paragraphs 30 and 31 of IAS 8 'Accounting policies, changes in accounting estimates and errors' (requirement for the disclosure of information when an entity has not applied a new IFRS what has been issued but is not yet effective);
- Paragraph 17 of IAS 24, 'Related party disclosures' (key management compensation); and
- The requirements in IAS 24, 'Related party disclosures', to disclose related party transactions entered into between two or more members of a group.

The above disclosure exemptions have been adopted because equivalent disclosures are included in the consolidated financial statements of Hammerson plc into which the Company is consolidated. The financial statements of Hammerson plc can be obtained as described in note 16.

(b) Going concern

The financial position of the Company is as set out in the Balance Sheet. The Company has net current liabilities as at 31 December 2017 and is reliant on the support of its ultimate parent company, Hammerson plc, to be able to meet its liabilities as they fall due. The Directors consider that the Company is an integral part of Hammerson plc's structure and strategy and this is evidenced by a letter of support from Hammerson plc, which states its intent to provide the necessary financial support to ensure that the Company is a going concern for at least twelve months from the date of signing of these financial statements.

After making enquiries and taking account of the factors noted above, the Directors have a reasonable expectation that the Company will have access to adequate resources to continue in existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the financial statements.

HAMMERSON (CRICKLEWOOD) LIMITED

NOTES TO THE ACCOUNTS Year ended 31 December 2017

1. ACCOUNTING POLICIES (continued)

(c) Net rental income

Rental income from investment property leased out under an operating lease is recognised in the statement of comprehensive income on a straight-line basis over the lease term. Contingent rents, such as turnover rents, rent reviews and indexation are recorded as income in the periods in which they are earned. Rent reviews are recognised when such reviews have been agreed with tenants.

Lease incentives and costs associated with entering into tenant leases are added to the costs of property and are amortised over the lease term or, if the probability that the break option will be exercised is considered high, over the period to the first break option.

Property operating expenses are expensed as incurred and any property operating expenditure not recovered from tenants through service charges is charged to the statement of comprehensive income.

(d) Investment properties

The Company applies the fair value accounting model to investment properties, being market value determined by professionally qualified external valuers. Changes in fair value are recognised in profit or loss. All costs directly associated with the purchase and construction of a property are capitalised.

(e) Net finance costs

Net finance costs include interest payable on borrowings, net of interest capitalised and interest receivable on funds invested.

(f) Loans receivable

Loans receivable are financial assets which are initially measured at fair value, plus acquisition costs and are subsequently measured at amortised cost, using the effective interest method, less any impairment.

(g) Borrowings

Borrowings are recognised initially at fair value, after taking account of any discount on issue and attributable transaction costs. Subsequently, borrowings are held at amortised cost, such that discounts and costs are charged to the statement of comprehensive income over the term of the borrowing at a constant return on the carrying value of the liability.

HAMMERSON (CRICKLEWOOD) LIMITED

NOTES TO THE ACCOUNTS Year ended 31 December 2017

1. ACCOUNTING POLICIES (continued)

(h) Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are initially measured at transaction price (including transaction costs). Financial assets and liabilities are subsequently carried at amortised cost using the effective interest method. Financial assets and liabilities are only offset in the balance sheet when, and only when there exists a legally enforceable right to set off the recognised amounts and the Company intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously. Financial assets are derecognised when and only when a) the contractual rights to the cash flows from the financial asset expire or are settled, b) the Company transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the Company, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party. Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.

(i) Critical accounting policies and estimation uncertainties

In the application of the Company's accounting policies, the Directors are required to make judgements, estimates and assumptions about the carrying value of assets and liabilities. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from those estimates. Estimates and the underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both the current and future periods.

The Company's critical judgement and area of estimation uncertainty is in respect of property valuations. The Company's investment property, which is carried in the balance sheet at fair value, is valued six-monthly by professionally qualified external valuers and the Directors must ensure that they are satisfied that the valuation of the Company's property is appropriate for the accounts. Investment properties, excluding properties held for development, are valued by adopting the 'investment method' of valuation. This approach involves applying market-derived capitalisation yields to current and market-derived future income streams with appropriate adjustments for income voids arising from vacancies or rent-free periods. These capitalisation yields and future income streams are derived from comparable property and leasing transactions and are considered to be key inputs in the valuation. Other factors that are taken into account in the valuations include the tenure of the property, tenancy details and ground and structural conditions.

HAMMERSON (CRICKLEWOOD) LIMITED

NOTES TO THE ACCOUNTS Year ended 31 December 2017

1. ACCOUNTING POLICIES (continued)

(i) Critical accounting policies and estimation uncertainties (continued)

In the case of on-site developments, the approach applied is the 'residual method' of valuation, which is the investment method of valuation as described above with a deduction for all costs necessary to complete the development, together with a further allowance for remaining risk, developers' profit and purchasers' costs. Properties held for future development are generally valued by adopting the higher of the residual method of valuation allowing for all associated risks, or the investment method of valuation for the existing assets.

2. ADMINISTRATION EXPENSES

	2017 £'000	2016 £'000
Management fee payable to fellow group company	<u>130</u>	<u>110</u>

The average number of employees during the year, excluding Directors, was nil (2016: nil).

The Directors did not receive any remuneration for their services from the Company in the year (2016: £nil), having been paid by other group undertakings. It is deemed impractical to allocate their remuneration between group undertakings for the purpose of disclosure.

Another group company has paid the auditor's fees for the audit of the Company's annual financial statements in both the current and preceding financial year. Fees for the audit of the Company were £2,945 (2016: £2,850).

3. NET FINANCE COSTS

	2017 £'000	2016 £'000
Interest payable to ultimate parent company	<u>158</u>	<u>183</u>

HAMMERSON (CRICKLEWOOD) LIMITED

NOTES TO THE ACCOUNTS Year ended 31 December 2017

4. TAXATION

The Company's ultimate parent company, Hammerson plc is taxed as a UK Real Estate Investment Trust ("UK REIT"), and as a consequence, group companies are exempted from UK corporation tax on the profits of a UK property rental business and on the gains on UK investment properties.

Group companies remain subject to UK corporation tax on items other than UK property rental profits and gains on UK investment properties, but, as the Group has surplus tax losses, the Group's policy is for these taxable profits and losses to be fully offset by group relief surrendered without payment, so that individual subsidiaries do not bear tax.

The Company therefore had no tax charge for the year, and this is expected to continue for the foreseeable future. The profits covered by group relief for the year ended 31 December 2017 are £nil (2016: £nil).

5. INVESTMENT PROPERTIES

(b) Property is stated at fair value as at 31 December 2017, valued by professionally qualified external valuers, Cushman & Wakefield Debenham Tie Leung, Chartered Surveyors. The valuations have been prepared in accordance with the RICS Valuation – Professional Standards 2014 based on certain assumptions as set out in note 1(i).

(c) The historical cost of investment property at 31 December 2017 was £23,536,000 (2016: £23,538,000).
