DIRECTORS' REPORT
for the year ended 31 December 2010

The directors present their report and the financial statements for the year ended 31 December 2010

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

PRINCIPAL ACTIVITIES

The principal activity of the company during the year continued to be the provision of assistance to fellow group companies in relationships and contacts with European suppliers, and with other general commercial advice as required. The activity is expected to continue for the foreseeable future.

The performance of the business in the year is in line with the directors' plans.

DIRECTORS

The directors who served during the year were

P Kalberer

GOING CONCERN

Accounting standards require the directors to consider the appropriateness of the going concern basis when preparing the financial statements. The directors have taken notice of the Financial Reporting Council guidance 'Going Concern and Liquidity Risk: Guidance for Directors of UK Companies 2009' which requires the reasons for this decision to be explained. The directors believe that the Company has sufficient resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements.
