## **FUTURE SCREEN PARTNERS 2005 NO.3 LLP**

### **REPORT OF THE MEMBERS FOR THE YEAR ENDED 5 APRIL 2008**

---

The members present their report with the financial statements of the LLP for the year ended 5 April 2008

#### **PRINCIPAL ACTIVITY**

The principal activity of the LLP in the year under review was that of acquiring and leasing films for exploitation. The LLP is currently leasing the films 'Hard Corps', 'Shadowman' and 'Second In Command'

#### **DESIGNATED MEMBERS**

The designated members during the year under review were

Future Films (Management Services) Limited  
Future Films (Partnership Services) Limited

Each Designated Member has contributed £50, but neither are entitled to share in the profits of the LLP

#### **RESULTS FOR THE YEAR AND ALLOCATION TO MEMBERS**

The profit for the year before members' remuneration and profit shares was £753,218 (2007 - £652,844 profit)

#### **MEMBERS' INTERESTS**

During the period the members received additional profit distributions. The level and timing of the additional profit distributions is decided by taking into account the partnership's cash requirements for operating and investment activities. The profit distributions represent payments on account of current year profits and are reclaimable from members until profits have been allocated. Any over-distribution of profits during the period is also recoverable from members.

As such, prior to allocation of profits and their division between members, on-account profit distributions are shown as debtors. Unallocated profits are shown in "Members' other interests"

The capital requirements of the partnership are determined by the Partnership Agreement. Each member is required to subscribe a proportion of this capital. The amount of capital subscribed by each member is usually linked to the earnings allocated to that member. No interest is paid on capital. On leaving the partnership, a member's capital is repayable as set out in the Partnership Agreement.

During the period up to 5 April 2008 no members' interests were transferred from capital to debt.

#### **STATEMENT OF MEMBERS' RESPONSIBILITIES**

The members are responsible for preparing the financial statements in accordance with applicable law and regulations.

Legislation applicable to limited liability partnerships requires the members to prepare financial statements for each financial year. Under that law the members have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the LLP and of the profit or loss of the LLP for that period. In preparing these financial statements, the members are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the LLP will continue in business.

The members are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the LLP and to enable them to ensure that the financial statements comply with the Companies Act 1985 as modified by the Limited Liability Partnerships Regulations 2001. They are also responsible for safeguarding the assets of the LLP and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

It also includes an assessment of the significant estimates and judgements made by the members in the preparation of the financial statements, and of whether the accounting policies are appropriate to the LLP's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 5 APRIL 2008**

---

**1 ACCOUNTING POLICIES**

**Accounting convention**

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2007) and the requirements of the Statement of Recommended Practice, Accounting by Limited Liability Partnerships

**Turnover**

Turnover represents income received by way of finance lease charges excluding value added tax

**Recognition of capital**

The financial statements have been prepared in accordance with the requirements of FRS 25 as applied to limited liability partnerships by the applicable SORP. Since the profits of the limited liability partnership are automatically distributed, FRS 25 requires members' capital to be disclosed as a liability, rather than equity. It is for this reason only that the members' capital has been presented as a liability. Under the terms of the Partnership Deed, there is no entitlement for members to draw out, or receive back at any time while they are members of the limited liability partnership, the amounts contributed by them as capital.

**Amounts recoverable on contracts**

Once a film has been leased to the producer, the value attributable to the lease is included in the balance sheet as an amount recoverable on contract. The amount of that attributable value is the net present value of the minimum lease payments under the contract. Each year the net present value is recomputed and the reduction in value of the lease is set off against the rental income and treated as a recovery of the leasing debt. This computation is carried out on a consistent basis year on year.

**Taxation**

The taxation payable on partnership profits is the personal liability of the members during the period and consequently neither taxation nor related deferred taxation are accounted for in the financial statements. Amounts retained for tax are treated in the same way as other profits of the partnership and are so included in "Members' interests" or in "Loans and other debts due to Members" depending on whether or not division of profit has occurred.

**Capital contributions**

Where capital contributions by partners are unpaid at the balance sheet date, but a binding commitment to contribute that capital has been given by the partner, the capital contribution is recognised as such, and the amount unpaid is shown as a debtor.

**2 EMPLOYEE INFORMATION**

There were no employees of the LLP during the period under review.

The Designated Members received no remuneration during the period in respect of their services to the LLP.
