Basis of preparation

The accounts have been prepared under the historical cost convention as modified by the revaluation of certain fixed assets.

Going concern

The directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. The Company therefore adopts the going concern basis in preparing its financial statements.

Presentation currency

The accounts are presented in £ sterling.

Judgements and estimates

In the application of the company's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

Any estimates and underlying assumptions are reviewed on an ongoing basis. Any revisions to accounting estimates are recognised in the period in which the estimate is revised.

Turnover

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

Pension costs

The company operates a defined contribution scheme for the benefit of its employees. Contributions payable are recognised in the profit and loss account when due.

Leased assets

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged against profit on a straight line basis over the lease term.

Assets held under finance leases and hire purchase contracts are capitalised and depreciated over their useful lives. The corresponding lease or hire purchase obligation is treated in the balance sheet as a liability. The interest element of rental obligations is charged to the profit and loss account over the period of the lease at a constant proportion of the outstanding balance of capital repayments.

PART 1 - GENERAL DESCRIPTION OF THE COMPANY'S ACTIVITIES AND IMPACT

In the space provided below, please insert a general account of the company's activities in the financial year to which the report relates, including a description of how they have benefited the community.

IVAORG CIC is a Community Interest Company whose purpose is to assist individuals throughout the United Kingdom who are struggling with the problems associated with overburdening debt.

During the year to 31 December 2018 we have provided the following services to the community :-

Free financial counselling – We have helped many individuals establish the most practical method for them to deal with their financial problems.

Freephone helpline – We have provided free advice to any individual seeking guidance on any general debt problems.

Free insolvency support – We have provided free & ethical advice to individuals already engaged in a formal debt solution and, to those that aren't, offer the advice necessary to help them determine whether entering into a formal debt solution is in their best interests.

Our primary purpose is to maximise the amount of social good we create, balanced against financial requirements and goals.

We are currently providing advice and support to some of the UK's most financial challenged individuals, assisting them to better understand the different debt solutions they have at their disposal.

Through our counsel, individuals become empowered and, subsequently, better able make their own informed decision on how best they can tackle their debt problem.

(If applicable, please just state "A social audit report covering these points is attached").

(Please continue on separate continuation sheet if necessary.)

PART 2 – CONSULTATION WITH STAKEHOLDERS – Please indicate who the company's stakeholders are; how the stakeholders have been consulted and what action, if any, has the company taken in response to feedback from its consultations? If there has been no consultation, this should be made clear.

We continuously consult with all stakeholders including regulators, directors, funders, consumers & their creditors along with the wider community to ensure that the operations of the business are run professionally, efficiently and in line with its objects.

During the year our consultations identified a clear requirement for a new approach to be adopted within the debt sector and as at the 31 December 2018 the company was in the process of transitioning from a debt advisory intermediary to a fully functioning Insolvency Practice.

The transition will enable us to fully meet the complete needs of the community, by providing them with the help and support they require on a much fairer and more ethical basis, as opposed to simply signposting our clients to external commercial organisations, as before.

(If applicable, please just state "A social audit report covering these points is attached").

PART 3 – DIRECTORS' REMUNERATION – if you have provided full details in your accounts you need not reproduce it here. Please clearly identify the information within the accounts and confirm that, "There were no other transactions or arrangements in connection with the remuneration of directors, or compensation for director's loss of office, which require to be disclosed" (See example with full notes). If no remuneration was received you must state that "no remuneration was received" below.
