Notes to the Abbreviated Accounts for the period ended 31 March 2014**1 Accounting Policies****Basis of measurement and preparation of accounts**

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities effective April 2008.

Turnover policy

Turnover represents the value, net of value added tax and discounts, of goods supplied to customers and work carried out in respect of direct response and mail order services provided to customers during the year.

Tangible assets depreciation policy

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Leasehold property improvements Over term of the lease
Office and IT equipment 25% straight line

Other accounting policies**Group accounts**

The financial statements contain information about Churchcastle Limited as an individual company and do not contain consolidated financial information as the parent of a group. The group which the company heads is a small group and the company is not therefore required to prepare consolidated financial statements under the Companies Act 2006.

Fixed asset investments

Investments in subsidiary undertakings are included in the accounts at cost, and where material are revalued to the balance sheet value of the subsidiary at the balance sheet date.

Stocks

Stock is valued at the lower of cost and net realisable value.

Deferred taxation

Full provision is made for deferred taxation resulting from timing differences between the recognition of gains and losses in the accounts and their recognition for tax purposes. Deferred taxation is calculated on an un-discounted basis at the tax rates which are expected to apply in the periods when the timing differences will reverse.

Foreign currencies

Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the balance sheet date. All differences are taken to the profit and loss account.

Leasing commitments

Rentals paid under operating leases are charged to income on a straight line basis over the lease term.
