Directors' report

The directors present their report and financial statements for the year ended 10 January 2004.

Principal activity

The principal activity of the company is that of a mechanical and electrical engineering contractor.

Business review

The results for the year are set out on page 5 of the financial statements. During the year, the company made a profit before taxation of £1,068,000 (2002: loss of £3,885,000).

Dividend

The directors do not recommend the payment of a dividend (2002: £Nil).

Directors and directors' interests

The directors of the company during the year were:

J Rose (resigned 14 November 2003)
YR Rankin
PKC Carpenter
C Telford
PD Neild

None of the directors who held office at the end of the financial year had any disclosable interest in the shares of the company.

According to the register of directors' interests, no rights to subscribe for shares in or debentures of the company were granted to any of the directors or their immediate families, or exercised by them, during the financial year.

Subsequent events

No significant events have occurred since the conclusion of the financial period.

Employees

Employees are provided with business specific communication and these are supported by two corporate publications: *Agenda* magazine, targeted at managers, and *Scene*, the staff magazine. All managers are kept informed about the Co-operative Group's performance through annual, interim and social accountability reports, management bulletins and Newline, the electronic weekly news service.

The company's policy is to recruit disabled workers for those vacancies that they are able to fill. All necessary assistance with initial training courses is given. Once employed, a career plan is developed so as to ensure suitable opportunities for each disabled person. Arrangements are made, where possible, for retraining employees who become disabled, to enable them to perform work identified as appropriate to their aptitudes and abilities.

Creditor payment terms

The Co-operative Group Code on Business Conduct sets out the Society's and its subsidiaries' relationship with its suppliers and its undertaking to pay its suppliers on time and according to agreed terms of trade.

Directors' report

Elective regime

The company has passed *Elective Resolutions* in accordance with the *Companies Act 1985* (as amended by the *Companies Act 1989*). These have the effect of dispensing with the holding of Annual General Meetings; the laying of accounts at such meetings; and the annual reappointment of auditors.

Statement of directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and any other irregularities.

Report of the independent auditors to the members of Syncro Limited

We have audited the financial statements on pages 5 to 15.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

The directors are responsible for preparing the directors' report and, as described on page 3, the financial statements in accordance with applicable United Kingdom law and accounting standards. Our responsibilities, as independent auditors, are established in the United Kingdom by statute, the Auditing Practices Board and by our profession's ethical guidance.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act. We also report to you if, in our opinion, the directors' report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

Basis of audit opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 10 January 2004 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

Notes

(forming part of the financial statements)

1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules.

Cash flow statement

The company is exempt from the requirement of Financial Reporting Standard ("FRS") No 1 to prepare a cash flow statement as it is a wholly owned subsidiary undertaking of the Co-operative Group (CWS) Limited and that the parent undertaking includes the company in its own published consolidated financial statements.

Related party transactions

As the company is a wholly owned subsidiary of the Co-operative Group (CWS) Limited the company has taken advantage of the exemption contained in FRS 8 and has therefore not disclosed details transactions or balances with other group undertakings. The results of the company have been consolidated in the group financial statements which are publicly available.

Fixed assets and depreciation

Depreciation is provided by the company to write off the cost less the estimated residual value of tangible fixed assets by equal instalments over their estimated useful economic lives as follows:

Freehold buildings	-	2.5% per annum
Plant and machinery	-	10-33% per annum

No depreciation is provided on freehold land.

Pensions and other post-retirement benefits

The company contributes to the Co-operative Group (CWS) Limited pension scheme which provides benefits based on final pensionable pay. The assets of the scheme are held separately from those of the company. Contributions to the scheme are charged to the profit and loss account so as to spread the cost of pensions over the expected service lives of employees.

Stocks

Stocks and work in progress are stated at the lower of cost, including attributable overheads, and net realisable value.

Notes (continued)

1 Accounting policies (continued)

Long term contracts

The amount of profit attributable to the stage of completion of a long term contract is recognised when the outcome of the contract can be foreseen with reasonable certainty. Turnover for such contracts is stated at cost appropriate to their stage of completion plus attributable profits, less amounts recognised in previous years. Provision is made for any losses which are foreseen.

Contract work in progress is stated at costs incurred, less those transferred to the profit and loss account, after deducting foreseeable losses and payments on account not matched with turnover.

Amounts recoverable on contracts are included in debtors and represent turnover recognised in excess of payments on account.

Taxation

Provision for corporation and deferred taxation is not made because the ultimate parent organisation has indicated that it will meet any taxation liabilities.

Turnover

Turnover represents the amounts (excluding value added tax) derived from the provision of goods and services including construction contracts to customers during the period.

All turnover is derived from the company's principal activity of mechanical and electrical engineering contracting in the United Kingdom.

Leases

Operating lease rentals are charged to the profit and loss account on a straight line basis over the period of the lease.

2 Accounting Date

The financial statements of the company are made up for the 52 weeks to 10 January 2004. Since the financial year is virtually co-terminous with the calendar year 2003, this financial year's figures are headed 2003 and the corresponding figures for the previous year (which covered 52 weeks) are headed 2002.

Notes (continued)

16 Pension scheme

The company is a wholly owned subsidiary of Co-operative Group (CWS) Limited which operates a number of defined benefit pensions schemes, the assets of which are held in separate trustee administered funds. In the principal scheme to which the company contributes the pension costs are assessed in accordance with actuarial advice using the attained age method.

The most recent valuation of the principal scheme was carried out as at April 2001 by a qualified actuary employed by the Co-operative Insurance Society Limited ('CIS'), a wholly owned subsidiary of the Co-operative Group (CWS) Limited. For the purposes of the valuation the following assumptions were made:

average investment return	-	6.50% per annum
average wage increase	-	4.50% per annum
average present and future pension increase	-	2.50% per annum
average equity dividend increase	-	3.25% per annum
market value of assets	-	£2,088.5m
percentage of funding	-	122%

Because the company is unable to identify its share of the scheme assets and liabilities on a consistent and reasonable basis, as permitted by Financial Reporting Standard 17 'Retirement benefits', the scheme will be accounted for by the company, when the accounting standard is fully adopted by the company, as if the scheme was a defined contribution scheme.

The latest full actuarial valuation was updated for FRS 17 purposes to 11 January 2004 by a qualified actuary employed by CIS. Based upon the actuarial valuation a deficit of £281.5m exists in the scheme.

During the year, the company made contributions to the scheme totalling £1,397,000 (2002: £886,000). Company contributions to the scheme are paid to the level to achieve the required MFR funding level in accordance with current pension legislation.

For the full FRS 17 transitional disclosures in relation to the CWS Pension Scheme, see the Co-operative Group (CWS) Limited financial statements.

17 Ultimate parent undertaking

The company is a wholly owned subsidiary undertaking of the Co-operative Group (CWS) Limited, an Industrial and Provident Society registered in England and Wales. A copy of the Group accounts can be obtained from the Corporate Affairs Department, Co-operative Group (CWS) Limited, PO Box 53, New Century House, Manchester, M60 4ES.
