NOTES TO THE ABBREVIATED ACCOUNTS
FOR THE YEAR ENDED 28TH FEBRUARY 2012

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The accounts have been prepared on the going concern basis which assumes that the company will continue in operational existence for the foreseeable future. This assumption is based on the intent of the director and shareholders to continue to provide the required working capital for the foreseeable future. If the company was unable to continue in operational existence for the foreseeable future, adjustments would have to be made to reduce the balance sheet values of assets to their recoverable amounts and to provide for further liabilities that might arise. The director believes that it is appropriate for the accounts to be prepared on the going concern basis.

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents net invoiced sales of goods, excluding value added tax.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings	- 20% on reducing balance
Computer equipment	- 33% on reducing balance

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.
