FOR THE YEAR ENDED 30 APRIL 2015

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

The financial statements have been drawn up on a going concern basis, which assumes that continued support will be provided by the members. The members have indicated continuing support, and are assisting the company during this period of concern. Should this support be withdrawn and the company be unable to continue trading, adjustments would have to be made to reduce the value of the assets to their recoverable amount, to provide for any further liabilities which may arise and to reclassify fixed assets and long term liabilities as current assets and liabilities.

1.2 Compliance with accounting standards

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated).

1.3 Turnover

Subscription fees represents the charges paid by the members of the company.

1.4 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:
