Statement of Directors' Responsibilities

The directors acknowledge their responsibilities for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006 and in accordance with Financial Reporting Standard 102 Section 1A for small entities. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Independent Chartered Accountants' Review Report to the Board of Directors on the
Preparation of the Unaudited Statutory Accounts of
Tiberio Limited
for the Year Ended 5 April 2019**

We have reviewed the financial statements of Tiberio Limited for the year ended 5 April 2019, which comprise the Profit and Loss Account, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies, as set out on pages 5 to 8. The financial reporting framework that has been applied to their preparation is applicable law and the United Kingdom Generally Accepted Accounting Practice including Financial Reporting Standard FRS 102 Section 1A for smaller entities.

Directors' Responsibility for the Financial Statements

As explained more fully in the Directors' Responsibilities Statement set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Accountants' Responsibility

Our responsibility is to express a conclusion based on our review of the financial statements. We conducted our review in accordance with technical guidance; International Standard on Review Engagements (ISRE) 2400 (Revised) *Engagements to review historical financial statements* and ICAEW Technical Release TECH 09/13AAF (Revised) *Assurance review engagements on historical financial statements*. ISRE 2400 (Revised) requires us to conclude whether anything has come to our attention that causes us to believe that the financial statements, taken as a whole, are not prepared, in all material respects, in accordance with FRS 102 Section 1A. ISRE 2400 (Revised) also requires us to comply with the ICAEW Code of Ethics.

As a practising member firm of the Institute of Chartered Accountants in England and Wales (ICAEW), we are subject to its ethical and other professional requirements which are detailed at <http://www.icaew.com/en/members/regulations-standards-and-guidance/>.

Scope of the Assurance Review

A review of financial statements in accordance with ISRE 2400 (Revised) is a limited assurance engagement. We have performed procedures, primarily consisting of making enquiries of management and others within the entity, as appropriate, applying analytical procedures and evaluating the evidence obtained. The procedures performed in a review are substantially less than those performed in an audit conducted in accordance with International Standards of Auditing (UK and Ireland). Accordingly, we do not express an audit opinion on these financial statements.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the financial statements have not been prepared:

- so as to give a true and fair view of the state of the company's affairs at 5th April 2019, and of its profit or loss for the year ended;
- in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard FRS 102 Section 1A for smaller entities; and
- in accordance with the requirements of the Companies Act 2006.

Use of our report

This report is made solely to the Board of Directors of Tiberio Limited, as a body, in accordance with the terms of our engagement letter dated 18 July 2014. Our review has been undertaken so that we may state to the directors of Tiberio Limited those matters we have agreed with them in a reviewer's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Tiberio Limited and its Board of Directors as a body, for our review work, for this report, or for the opinions we have formed.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

These financial statements have been prepared in accordance with Financial Reporting Standard 102 Section 1A - 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006.

Basis of preparation

These financial statements have been prepared using the historical cost convention except that as disclosed in the accounting policies certain items are shown at fair value.

These financial statements are for an individual company entity.

The presentational currency is £ Sterling.

Going concern

The financial statements have been prepared on a going concern basis.

Critical accounting judgements and key sources of estimation uncertainty

In the application of the company's accounting policies, management is required to make judgements, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The key sources of judgements, estimates and assumptions about the carrying values of assets and liabilities that have a significant effect on the amounts recognised in the financial statements are detailed in the accounting policies below and relate to

- Income recognition

- Foreign currency translation

Revenue recognition

The turnover shown in the profit and loss account represents amounts invoiced during the year and income accrued relating to the year, exclusive of Value Added Tax.

Tiberio Limited

Notes to the Financial Statements for the Year Ended 5 April 2019

Foreign currency transactions and balances

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences on balance sheet items are included in a balance sheet provision.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Provisions

Provisions are recognised when the company has an obligation at the reporting date as a result of a past event, it is probable that the company will be required to settle that obligation and a reliable estimate can be made of the amount of the obligation.

Share capital

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable, net of the direct costs of issuing the equity instruments. If payment is deferred and the time value of money is material, the initial measurement is on a present value basis.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities. Where shares are issued, any component that creates a financial liability of the company is presented as a liability in the balance sheet. The corresponding dividends relating to the liability component are charged as interest expense in the profit and loss account.
