Statement of Trustees' responsibilities

The trustees are responsible for preparing the report of the trustees and the financial statements in accordance with applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under that law the trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for the period.

In preparing those financial statements, the trustees are required to:-

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the charity SORP
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees have overall responsibility for ensuring that the charity has an appropriate system of controls, financial and otherwise. They are also responsible for keeping proper accounting records, which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Structure, Governance and Management

Governing Document

Rochdale Gateway Leisure Ltd is a company limited by guarantee governed by its Memorandum and Articles of Association dated 24th of November 1992 and amended to allow for current governance arrangement on 29th June 1995. The Memorandum of Association was amended on the 20 July 2015 to expand the opportunities from the Rochdale borough, to the North West of England. It is registered as a Charity with the Charity Commission. Anyone over the age of 18 can become a member of the company and there are currently 5 members. Each member guarantees to pay £1 on the winding up of the company.

Appointment of Trustees

The Directors, who are the trustees, are appointed by the members in the general meeting and are collectively known as the Board. At each AGM, one third of the Directors retire by rotation, the longest in office are eligible for re-election. Other than a retiring trustee, the only people eligible for election as trustees are those either nominated by the Board or member giving not less than 5 and not more than 21 days written notice of a nomination. The Board has the power to co-opt trustees, but such people only hold office until the AGM, do not count in determining those retiring by rotation, but are eligible for election if nominated in accordance with the normal rules.

The trustees who served during the year, together with any changes up to the date of approving this report are listed on page 1.

Trustee Induction and Training

New trustees undergo an orientation day to brief them on their legal obligations under charity and company law, the content of the Memorandum and Articles of Association, the committee and decision making processes, the business plan and recent financial performance of the charity. During the induction day they meet key employees and other trustees. Trustees are encouraged to attend appropriate external training events where these will facilitate the undertaking of their role.

Organisation structure and decision making

The Management Committee are in overall control of the Company and the individual activities are monitored by various sub committees. All the committees meet on a regular basis between 4 and 8 weeks. The day to day management is undertaken by paid employees who report to the various committees (steering groups) in which trustees are involved. Lead members of staff report back to the trustees.

Ensuring our work delivers our aims

We review our aims, objectives and activities each year. This review looks at what we achieved and the outcomes of our work in the previous 12 months. The review looks at the success of each key activity and the benefits they have brought to those groups of people we are set up to help. The review also helps us ensure our aim, objectives and activities remained focused on our stated purposes. We have referred to the guidance contained in the Charity Commissioner's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

Activities - Main programmes, projects and services (continued)

DAY SERVICES include-

The ALPS Group also provides service users and members of the public with a light stimulation activity, a pottery activity, a music activity and a soft relaxation area.

EDI Group - Successfully run small day service, established in 1995, for adults who have profound and multiple disabilities. This service provides individuals with activities and trips out.

Muskaan Group - This service provides day time activities for a group of predominantly, but not exclusively, South Asian Ladies. The success of this project has been recognised and will increase from 3 to 5 days per week for some of the young women, giving them opportunities for new experiences. Work is steered towards the needs identified of the individuals in the group. Excellent liaison with carers; strong foundation based on trust and understanding.

OTHER SERVICES include-

INCLUSION SERVICE - Supported people with learning disabilities and their carers from the South Asian Community. **Unfortunately this service was decommissioned in August 2015.** The organisation was however successful in tendering for a community opportunities service, in collaboration with Creative Support. The service was called Rochdale Solutions and absorbed the staff previously employed in the Inclusion Service.

ROCHDALE SOLUTIONS- This service commenced on the 3rd August 2015, which in effect replaced the Inclusion Service, for Rochdale borough residents aged eighteen or over. Advice, information and support being around health & wellbeing, physical health, personal safety, daily living skills, finances, social inclusion, housing quality & stability, communication, emotional wellbeing, employment support and meaningful advice. A time bank was also set up.

SATURDAY SCHEME - The Saturday Scheme offers a wide range of activities and promotes independence for all Service Users.

HARRY SMITH SOCIAL CLUB - A safe and enjoyable environment for people with learning disabilities to socialise. Funding re-invested into activities and equipment for the Club. Regular attendance of 120 people.

MILLGATE RESPITE SERVICE - A short break, female single-sex respite provision for adults with learning disabilities. The service has increased from 4 beds to 8 by bringing into service the second floor of Millgate House. Both male and female service users are provided respite on the second floor.

RAINBOWS CAFÉ - Provides a café service and is the 'social hub' of the Gateway Centre. Supports volunteers and workers who have learning disabilities. Rainbows Café receives no funding and is completely self financing.

GENERAL ACTIVITIES - Some activities have been running since we opened in 1992. Activities range from social, fitness, educational and vocational. Fully accessible building, ensures activities open to all.

Social or programme related investments

Each project works within its budget but allows opportunities for development of individuals through activities and individualised schemes.

Contribution of Volunteers.

Volunteers contribute by providing invaluable support to various projects. These include the Harry Smith Social Club, Rainbows Café, Art classes and Day services.

Achievements and Performance

On the 17th of October the organisation completed 24 years of successful operation.

Training

The organisation again ran a successful training week in November at which along-side the essential training offered around epilepsy training, living well health interventions training, a re-branding workshop, Care Act training, and discussion of a three year business plan. Safeguarding training also took place which covered both adults and children. The staff had the opportunity to participate in a team building session at Hollingworth Lake which was good for morale. Other training throughout the year included Food Hygiene, First Aid, Medication and NVQ's 2 and 3. The achievements of the various projects and the activities that individuals have had the opportunity to be involved in are as below. Apprentices were also taken on by the charity.

Review of Activities & Achievements of projects

EDI- the service is presently working to capacity.

The group has developed sports, walking and Rebound. With training it now offers these activities to other service users from different services with parts of the projects meeting the Personalisation Agenda. In February 2012 EDI relocated to Lincoln Street in order to absorb an increase in service users following a request from RMBC to take on more individuals at a reduced rate and continues to be based there. A new light stimulation room has been opened at the Lincoln Street base, which is open to both internal and external service users.

ALPS – the service continues to involve parents and carers. A light stimulation room is still situated at ALPS, the service is continuing with projects and activities such as pottery. A soft area has been introduced for the benefit of service users.

Inclusion Service- the service was decommissioned by RMBC in August 2015, to be in effect replaced by Rochdale Solutions – a social opportunities service formed by a collaboration between Rochdale Gateway Leisure and Creative Support.

Rochdale Solutions- This service commenced on the 3rd August 2015, which in effect replaced the Inclusion Service, for Rochdale borough residents aged eighteen or over. Advice, information and support being around health & wellbeing, physical health, personal safety, daily living skills, finances, social inclusion, housing quality & stability, communication, emotional wellbeing, employment support and meaningful advice. A time bank was also set up.

A weekly timetable of activities delivered around the borough of Rochdale was created, and circulated through-out the borough on a monthly basis. Successful working partnerships were developed between Rochdale Solutions and other organisations such as; Recovery Republic, RBUF, Deepish Community Centre, Khubsurat House, Wardleworth, Carers Resource Centre, Women's Welfare Association, Demense Centre, Back O'th Moss Community Centre, Bangladesh Association, Burnside Centre, Meadowfields Community Centre, and Kashmir Youth Project.

(Continued)

Achievements and Performance (continued)

Aashiyana Asian Carers Group - 2 Carers Support Workers continue in employment, who are themselves carers. The average attendance at monthly meetings is 30 carers. Activities to impact on carers' health and personal development include a walking group, Reiki sessions and keep fit. Awareness sessions around health, social care, benefits and home improvements continue to be done at the meetings. Health funding was secured to help facilitate fitness & pampering sessions.

Muskaan - Day service provision for predominantly Asian Women. Several ladies have done work experience for various companies. The ladies have participated in fund raising for their own projects and other charitable causes. They are also involved in various activities based on their interest and needs. The Muskaan service relocated back to the Gateway Centre in February 2012 in order that EDI could accommodate more service users. In December 2014 a lease for Independence, 43 Oldham Road, Rochdale and the Muskaan Service moved into the building in January 2015. This building provided much greater space to provide a base and activities for the ladies.

Saturday Respite Scheme currently has approximately 60 people from the age of 8 onwards. Activities are needs based, and once again excellent feedback has been received from carers. The scheme has 3 teenage club sessions, 3 children's sessions and 1 adult session. The children's Short Breaks Service was re-tendered for, but unfortunately the tender was unsuccessful and payments for this element of the short breaks ceased in March.

The Harry Smith Social Club continues to accommodate on an average 120 plus members, supports 15 volunteers and offers a wide range of activities which includes a disco, live acts, bingo and competitions along with other activities.

The Millgate Respite Service has proven successful over the year in providing a Short Break Service. There has been 1 user in residence since November 05 on the first floor. This has allowed other service users - currently only women due to the cultural requirements of the lady already living there, to access respite. The second floor has been opened and both male and female service users and has seen a steady increase in demand. To meet the cultural requirements of the service users and allow the service to be accessible to all, Asian - Punjabi Mirpuri and Urdu speaking workers, and English speaking workers have been employed. Training including First Aid, Moving and Handling, the Protection of Vulnerable Adults and Medication has taken place, and this has been inclusive for all staff.

Rainbows Café- The café continues to be the 'social hub' of the centre. It supports and allows for volunteers with disabilities to find meaningful employment.

Fundraising events- Various fundraising events have been organised some generating funds for activities within projects. Other charities such as the British Heart Foundation received money raised by the organisation's activities.

Employment of disabled people

Volunteers are employed who may have physical or learning disabilities in the Harry Smith Social Club, Rainbows Café, EDI and ALPS.

Plans for the Future Period

The company is committed to promoting its objectives and supporting appropriate developments for now and in the future. However, provision for possible redundancies remains in place due to the challenging and uncertain financial environment. Reduction in funding by Rochdale Metropolitan Borough Council continues, and the provision of transport is no longer financed by RMBC. Vehicles have been purchased and families charged for the provision of transport. The full cost of transport has not been fully recovered from families / service users. The amount charged for transport and its viability will need to be reviewed.

The introduction of personal budgets are driving further change, with sessional costs replacing the more traditional way of costing services. Cash budgets, whereby families, carers or brokers control individuals' budgets are being introduced. This will drive further change.

Rochdale Metropolitan Borough Council completely remove the Core Grant paid to RGLL, so placing further financial pressure on the charity.

More specifically the plans for the various projects are:

ALPS- Plan more projects to involve parents and other service users by having further Open Days. Further consultation with families will be conducted with regard to the increase of transport charges.

EDI- The group will continue to enjoy a variety of activities with an enlarged group following the addition of more service users, and the relocation to Lincoln Street. Consultation with families will continue especially in view of further cuts and an increase in transport charges.

Rochdale Solutions – to successfully develop this new service following the decommissioning of the inclusion service. Development will include forging constructive working partnerships with other voluntary organisations, community centres, the CCG, and other stakeholders.

Aashiyana Asian Carers Group - To be independent and carer led. Holding outreach sessions in the community to reach more carers. Reaching out to other GP surgeries in Rochdale offering a health screening process. To continue with a consultation process if there is a further proposed cut in funding.

Muskaan – to settle into the new base and make it 'home'. To further develop activities both inside the new base and in the wider community. To consult with families and carers about likely increases in transport charges.

Single Sex Service – to continue providing outreach service to ladies, especially from the South Asian Community.

Saturday Respite Scheme - To look into the possibility of providing sessions through personal budgets following the ceasing of funding for the children's short breaks. The service will run temporarily on reserves.

Harry Smith Social Club- To continue to improve people's lives. To spend club funds on more activities and opportunities for club members and provide further volunteering opportunities. The club is aiming to increase social activity and independence through personalisation.

Millgate Short Break Respite Service – To provide respite for people from neighbouring boroughs of Rochdale. Continue to receive positive reports from Care Quality Commission. To continue to de

Rainbows Café – To continue with the cafe as it acts as an effective social hub as well as providing food for service users. The cafe will aim to maintain the maximum score of 5 for hygiene awarded from RMBC.

New Day Service – To create a new small day service in the room left vacant by the Muskaan Service moving to Independence House.

Supported Living – To explore the possibility of providing a supported living service.

Rochdale Gateway Leisure Ltd. is committed to developing services and meeting the requirements of people with learning disabilities across the Borough of Rochdale. It is also a company that has been viewed locally and regionally as a model of good practice in the modernisation of day services agenda. Therefore, we are promoting the development of project/ activity based provisions to support the Individualised Budgets that people with learning disabilities will be receiving thus reaching out to more people and allowing them more choice in accessing meaningful facilities. The charity continues to be on to RMBC's Approved Provider List.

The Financial Statements have been prepared under the historical costs convention.

Cash flow

The accounts do not include a cash flow statement because the company, as a small reporting entity, is exempt from the requirement to prepare such a statement under Financial Reporting Standard 1 'Cash flow statements'.

Income

The accounts include income on the following basis:-

Grants received are credited over the period to which they relate. Where grants are not period based but are for a specific purpose they are credited in the year in which the grants are received.

Capital grants are included when received and treated as restricted funds.

Respite care income, rents and cafe receipts are credited to income when receivable.

Donations of non-cash items are included at the directors estimate of the market value.

Resources expended

Resources expended are included in the statement of financial activities on an accruals basis, inclusive of any V.A.T. which cannot be recovered.

Certain expenditure is directly attributable to specific activities and has been included in those cost categories. Certain other costs which are attributable to more than one activity are apportioned across cost categories on the basis of the directors' best estimate.

Governance costs are those incurred in connection with constitutional and statutory requirements.

Tangible fixed assets

Tangible fixed assets are included in the financial statements at the cost of acquisition.

Depreciation is provided, at the following annual rates in order to write off each asset over its estimated useful life:-

Freehold property	- 2½% on cost
Improvements to leasehold and freehold premises	- 20% on cost
Fixtures and fittings	- 15% on net book value
Specialised equipment	- 25% on cost
Motor vehicles	- 25% on net book value

Previously, motor vehicles were depreciated at 25% on cost, the trustees believed that a current better estimation would be 25% on net book value.

Taxation

The company is a registered charity and as such is entitled to the exemption from tax to the extent that the income received falls within section 505 I.C.T.A. 1988 and section 256 C.G.T.A. 1992 and is applied to charitable purposes only.

1. ACCOUNTING POLICIES (Continued)

Fund accounting

Separate asset accounts are not maintained to represent each fund if a better return is obtained by consolidating the assets. However, there should always be sufficient net assets to represent the total funds and the assets should be readily accessible dependant on the fund involved. The directors intend that where a surplus is generated on unrestricted funds in any year, subject to any designation of the funds, the surplus should increase the general reserves which are available to fund the charity's future requirements should future funding not be available.

Operating leases

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged against profit as incurred.

Pensions

Company contributions in respect of personal defined contribution pension schemes are charged to the profit and loss account for the year in which they are payable to the scheme.

EDI, ALPS and other activity programmes provide day time opportunities for young people with learning disabilities including education, training, leisure and social inclusive opportunities. Funding has been provided by Rochdale M.B.C. through both funding and service agreements.

The Voluntary Service provided volunteering opportunities for people with learning disabilities and provided opportunities for those wishing to volunteer within disability services including 2's company and 1 to 1 friendship service. The service has currently been suspended due to a lack of specific funding.

The Inclusion Project has been set up as a result of research into the needs of people with learning disabilities and their families within the South Asian Community. The service continues to research and develop projects, which to date include Aashiyana Carers Group, Muskaan (formerly Single Sex Service) and the Information Service. Funding for these projects comes from grants via Supporting People, the Learning Disabilities Partnership Board, European Union (through the Carers Resource) and Carers Special Grant. This project ceased in the year ended 5 April 2016.

Muskaan is a pilot project set up in response to the need for a culturally sensitive, secure gender respite care service for adult women from South Asian communities funded by Rochdale Metropolitan Borough Council via a carers grant.

Aashiyana Asian Carers Group is a support group for Asian carers of people with disabilities which meets once a month to exchange information, involving carers in activities and offer training. The group is funded by the Carers Resource Centre (E.R.D.F.) funding.

ROPE is an urban based outdoor activity service. Qualified and experienced individuals are employed to develop the service and offer opportunities for people with learning disabilities, for example climbing, abseiling, walking, sports sessions etc.

The Saturday project provides weekend respite care for the full-time carers of children with learning disabilities. Funding is provided by Rochdale Metropolitan Borough Council, carers grant.

14. RESTRICTED FUNDS (continued)

Minibus fund – relates to funds being received to purchase a new minibus. A minibus was purchased in the year and the fund is now being reduced by the depreciation charge.

Rochdale Solutions is a new project in collaboration with 'Creative Support'. Creative Support won the tender and have agreed with Rochdale Gateway Leisure that the Gateway Centre will be the hub. It will enable community opportunities and re-enablement.

Allocated transfers:-

The directors have considered it prudent to identify a part of certain projects restricted funds to provide for redundancy costs should the project be unable to obtain further funding. This allocation is still within the purposes of the funding.

Transfers:-

The charity still operates Day Services but the funding arrangements have changed. It is no longer grant funded instead individuals are charged for the service (the individuals generally receive a government allowance). Where there is a shortfall in any year between costs and amounts charged this is met by the restricted fund.
