Directors' report

The directors present their report and the financial statements for the year ended 31 December 2010

Directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the company and of the profit or loss of the company for that year. In preparing these the directors are required to

- select suitable accounting policies and apply them consistently,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping adequate accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities

In so far as the directors are aware

- there is no relevant audit information of which the company's auditors are unaware, and
- the directors have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information

Principal activity

The principal activity of the company is the letting of own property

Independent auditors' report to the shareholders of TCC Holdings Limited

We have audited the financial statements of TCC Holdings Limited for the year ended 31 December 2010 on pages 5 to 12. The financial statements have been prepared in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the statement of directors' responsibilities the company's directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements.

In addition, we read all the financial and non-financial information in the directors' report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 December 2010 and of the company's profit for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Independent auditors' report to the shareholders of TCC Holdings Limited
(continued)

Opinion on other matters prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit

TCC Holdings Limited

Notes to the financial statements

for the year ended 31 December 2010

1 Accounting policies

The financial statements are prepared in accordance with United Kingdom applicable accounting standards, which have been applied consistently in both the current and prior year. The particular accounting policies adopted are described below. The true and fair override provisions of the Companies Act 2006 have been invoked - see 'tangible fixed assets and depreciation'

Accounting convention

The financial statements are prepared under the historical cost convention.

The company has taken advantage of the exemption in FRS1 from the requirement to produce a cashflow statement because it is a small company.

Group accounts

The company is a parent company subject to the small companies regime. The company and its subsidiary comprise a small group. The company has therefore taken advantage of the option provided by Section 398 of the Companies Act 2006 not to prepare group accounts.

Turnover

Turnover represents the total invoice value, excluding value added tax, of rent receivable.

Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost, net of depreciation and any provision for impairment. Freehold buildings have not been depreciated during the year in accordance with the true and fair principle as the directors believe that this represents a more accurate view.

Deferred taxation

Deferred tax arises as a result of including items of income and expenditure in taxation computations in periods different from those in which they are included in the company's accounts. Deferred tax is provided in full on timing differences which result in an obligation to pay more or less tax at a future date, at the average tax rates that are expected to apply when the timing differences reverse, based on current tax rates and laws.

Deferred tax is not provided on timing differences arising from the revaluation of fixed assets where there is no commitment to sell the asset.

Deferred tax assets and liabilities are not discounted.

2 Turnover

The total turnover of the company for the year has been derived from its principal activity wholly undertaken in the UK.
