Directors' responsibilities

The Directors are responsible for preparing the Directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial period. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that year.

In preparing these financial statements, the Directors are required to:

select suitable accounting policies and then apply them consistently,

make judgements and accounting estimates that are reasonable and prudent, and

prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

Notes to the Financial Statements

1 Accounting policies

The financial statements have been prepared under the historical cost convention and are in accordance with applicable accounting standards.

The following principal accounting policies have been applied.

Going concern

The directors are required to make an assessment of the company's ability to continue as a going concern. As at 30 September 2014, the company was in a net asset position. The company remains dependent on the continued financial support of MT Property Investments LLP. Based on this, the directors have concluded that it is appropriate to prepare the company's financial statements on a going concern basis.

Investments

Investments are stated at cost less any provision for impairment in value.

Deferred tax

Deferred tax balances are recognised in respect of all timing differences that have originated but not reversed by the balance sheet date except that:

- deferred tax is not recognised on timing differences arising on revalued properties unless the company has entered into a binding sale agreement and is not proposing to take advantage of rollover relief, and
- the recognition of deferred tax assets is limited to the extent that the company anticipates making sufficient taxable profits in the future to absorb the reversal of the underlying timing differences.

Deferred tax balances are not discounted.

2 Turnover

Turnover is wholly attributable to the principal activity of the company and arises solely within the United Kingdom.
