### **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MCLAREN (LONDON ROAD) LTD**

#### **Opinion**

We have audited the financial statements of McLaren (London Road) Ltd (the 'company') for the period ended 31 July 2020, which comprise the statement of comprehensive income, the statement of financial position, the statement of changes in equity and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 July 2020 and of its loss for the period then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

#### **Other information**

The directors are responsible for the other information. The other information comprises the information included in the Directors report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

## **MCLAREN (LONDON ROAD) LTD**

### **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MCLAREN (LONDON ROAD) LTD (CONTINUED)**

We have nothing to report in this regard.

#### **Opinion on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the directors' report for the financial period for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

#### **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

#### **Responsibilities of directors**

As explained more fully in the directors' responsibilities statement on page 1, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

#### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

## MCLAREN (LONDON ROAD) LTD

### NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31 JULY 2020

#### 1. General information

McLaren (London Road) Ltd is a private company, limited by shares, incorporated in England and Wales under the Companies Act 2006. The address of the registered office is stated on the company information page and the nature of the company's operations and principal activity are set out in the directors' report.

#### 2. Accounting policies

##### 2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the company's accounting policies (see note 3).

The following principal accounting policies have been applied:

##### 2.2 Financial reporting standard 102 - reduced disclosure exemptions

The company has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by the FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland":

- the requirements of Section 7 Statement of Cash Flows;
- the requirements of Section 3 Financial Statement Presentation paragraph 3.17(d);
- the requirements of Section 11 Financial Instruments paragraphs 11.42, 11.44 to 11.45, 11.47, 11.48(a)(iii), 11.48(a)(iv), 11.48(b) and 11.48(c);
- the requirements of Section 12 Other Financial Instruments paragraphs 12.26 to 12.27, 12.29(a), 12.29(b) and 12.29A;
- the requirements of Section 33 Related Party Disclosures paragraph 33.7.

This information is included in the consolidated financial statements of McLaren Property Holdings LLP as at 31 July 2020 and these financial statements may be obtained from Leconfield House, 3rd Floor East, Curzon Street, London, W1J 5JA.

##### 2.3 Going concern

The directors prepare financial forecasts and monitor financial performance of the property development and funding on an ongoing basis. The directors have also considered the impact of the Covid-19 crisis and their reasonable conclusion is that it will have minimal impact on the company. This is because the company has no third party debt and is doing preliminary development work which can continue during the Covid-19 crisis. The directors expectation is that the company has adequate resources to meet its liabilities as they fall due and the immediate parent undertaking, McLaren Property Holdings LLP have indicated that they will provide support such that the company can meet its liabilities as they fall due for at least 12 months from the date of approval of these financial statements. The financial statements have therefore been prepared on the going concern basis.

## MCLAREN (LONDON ROAD) LTD

### NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31 JULY 2020

#### 2. Accounting policies (continued)

##### 2.4 Stocks of property and development expenditure

Stocks of development expenditure for development properties are included at the lower of cost and net realisable value. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads including interest specifically attributable to the project whilst under development. Costs initially capitalised in stock are recognised in the statement of comprehensive income over the life of the development contract on a stage of completion basis.

##### 2.5 Debtors

Short term debtors are measured at transaction price, less any impairment.

##### 2.6 Creditors

Short term creditors are measured at the transaction price. Other financial liabilities are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

##### 2.7 Expenses

Expenses are included on an accruals basis.

##### 2.8 Current taxation

Tax is recognised in profit or loss except that a charge attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the company operates and generates income.

#### 3. Judgements in applying accounting policies and key sources of estimation uncertainty

In preparing these financial statements, the directors have had to make the following judgements:

##### *Valuation of development property held as stock*

Determining whether the value of the company's development property should be impaired requires estimations of the property's net realisable value. The net realisable value calculation requires the entity to estimate the future cash flows expected to arise from the development property, specifically the estimated selling price and anticipated selling costs. In undertaking these estimates, the directors make reference to market evidence of transaction prices for similar properties. The carrying amount of the development property stock at the reporting date was £496,709.

##### *Recoverability of debtors*

The recoverability of debtors is assessed based on factors specific to each individual debtor.
